JOINT RESOLUTION

To extend the provisions of the Railway Labor Act and for other purposes.

February 9, 1973
[S. J. Res. 59]

Whereas a labor dispute exists between the Penn Central Transportation Company and certain of its employees represented by the United Transportation Union, arising out of the Penn Central Transportation Company's implementation of a plan to eliminate approximately five thousand seven hundred train crew positions; and

Whereas the recommendations of Presidential Emergency Board Number 180 did not result in a settlement of this dispute, and all procedures for resolving such dispute provided for in the Railway Labor Act have been exhausted; and

Whereas such dispute has now resulted in a cessation of the Penn Central Transportation Company's rail carrier operations; and

Whereas such cessation of operations by the Penn Central Transportation Company, a rail carrier which transports two hundred and twenty five thousand passengers a day and 20 per centum of the Nation's freight, and which provides many necessary connections with numerous other rail carriers operating throughout the Nation, threatens essential transportation services vital to the national health and safety; and

Whereas the Penn Central Transportation Company is now undergoing reorganization proceedings under section 77 of the Federal Bankruptcy Act, and its court-appointed trustees have indicated that present reorganization proceedings will not be successful, even with the eventual elimination of five thousand seven hundred train crew positions, alone, and that a massive infusion of Federal financial assistance would be needed; and

Whereas the financial crisis of the Penn Central Transportation Company is so acute that cessation of its operations for even a short period of time, may make it financially impossible to resume operations; and

Whereas failure of the Penn Central Transportation Company to resume operations, in addition to the previously stated impact on vital transportation services throughout the Nation, will further threaten the continued operation of other financially-imperiled rail carriers in the Northeast section of the Nation; and

Whereas the President has not provided the Congress with any proposals for preserving essential rail services in the Northeast section of the Nation, including those services which would be jeopardized by financial collapse of the Penn Central Company; and

Whereas the Congress finds that emergency measures are necessary to assure the continuity of essential rail transportation services: Now, therefore, in order to encourage the parties to the dispute to reach their own agreement, and to provide time for the submission to Congress of a comprehensive plan for preserving essential rail services in the Northeast section of the Nation, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the provisions of the final paragraph of section 10 of the Railway Labor Act (45 U.S.C. 160) shall apply and be extended for an additional period commencing at the expiration of the thirty-day period provided for in the third paragraph of section 10 of the Railway Labor Act (45 U.S.C. 160) and ending at 12:01 antemeridian May 9, 1973, so that during such period no change except by agreement shall be made by the Penn Central Transportation Company or its employees

SEC. 2. Not later than forty-five days from the enactment of this joint resolution the Secretary of Transportation shall submit to the Congress a report which, regardless of the settlement of the particular dispute between the Penn Central Transportation Company and its employees represented by the United Transportation Union, provides a full and comprehensive plan for the preservation of essential rail transportation services in the Northeast section of the Nation, including the President's proposals, if any, regarding Federal financial expenditures necessary for restoration or preservation of rail transportation services imperiled by the financial failure of rail carriers, and for alternative means for providing essential transportation services now provided by such carriers.

Report to
Congress.

SEC. 3. Not later than thirty days prior to the expiration date specified in the first section of this joint resolution, the Secretary of Labor shall submit to the Congress a full and comprehensive report containing—

(1) the progress, if any, of negotiations between the Penn Central Transportation Company and its employees represented by the United Transportation Union; and

(2) any such recommendations for a proposed solution of the dispute described in this joint resolution as he deems appropriate.

To amend the National School Lunch Act to assure that Federal financial assistance to the child nutrition programs is maintained at the level budgeted for fiscal year ending June 30, 1973.

CONGRESSIONAL FINDINGS

SECTION 1. The Congress finds that the volume and variety of Federal food donations to the school lunch and child nutrition programs are significantly below the amounts programed and budgeted for the fiscal year ending June 30, 1973, and that schools participating in these programs are confronted with serious financial problems in

obtaining sufficient supplies of the foods required to meet the nutritional standards established by law for these programs. It is, therefore, the purpose of this Act to provide an effective and immediate solution to this nutritional crisis.

SCHOOL PURCHASES OF FOOD SUPPLIES

SEC. 2. Section 6 of the National School Lunch Act is amended by adding at the end thereof the following new subsections and by redesignating the existing portions of said section as subsection (a):

“(b) As of March 15, 1973, the Secretary shall make an estimate of the value of agricultural commodities and other foods that will be delivered during the fiscal year ending June 30, 1973, to States for school food service programs under the provisions of this section, section 416 of the Agricultural Act of 1949, and section 32 of the Act of August 24, 1935. If such estimated value is less than 90 per centum of the value of such deliveries initially programed for the fiscal year ending June 30, 1973, the Secretary shall pay to State educational agencies, by not later than April 15, 1973, an amount of funds that is equal to the difference between the value of such deliveries initially programed for such fiscal year and the estimated value as of March 15, 1973, of the commodities and other foods to be delivered in such fiscal year. The share of such funds to be paid to each State educational agency shall bear the same ratio to the total of such payment to all such agencies as the number of meals served under the provisions of section 9(a) of this Act and section 4(e) of the Child Nutrition Act of 1966 during the fiscal year ending June 30, 1972, bears to the total of all such meals served in all the States during such fiscal year: *Provided*, That in any State in which the Secretary directly administers school food service programs in the nonprofit private schools of such State, the Secretary shall withhold from the funds to be paid to any such State under the provisions of this subsection an amount that bears the same ratio to the total of such payment as the number of meals served in nonprofit private schools under the provisions of section 9(a) of this Act and section 4(e) of the Child Nutrition Act of 1966 during the fiscal year ending June 30, 1972, bears to the total of such meals served in all the schools in such State in such fiscal year. Each State educational agency, and the Secretary in the case of nonprofit private schools in which he directly administers school food service programs, shall promptly and equitably disburse such funds to schools participating in the lunch and breakfast programs under this Act and the Child Nutrition Act of 1966 and such disbursements shall be used by such schools to obtain agricultural commodities and other foods for their food service program. Such food shall be limited to the requirements for lunches and breakfasts for children as provided for in the regulations by the Department of Agriculture under title 7, subtitle b, chapter II, subchapter a, parts 210 and 220.

“(c) Notwithstanding any other provision of law, the Secretary, until such time as a supplemental appropriation may provide additional funds for the purpose of subsection (b) of this section, shall use funds appropriated by section 32 of the Act of August 24, 1935 (7 U.S.C. 612c) to make any payments to States authorized under such subsection. Any section 32 funds utilized to make such payments shall be reimbursed out of any supplemental appropriation hereafter enacted for the purpose of carrying out subsection (b) of this section and such reimbursement shall be deposited into the fund established pursuant to section 32 of the Act of August 24, 1935, to be available for the purposes of said section 32.

"ORGANIZATION

"State Organization

"SEC. 304. (a) In order for a State to be eligible to participate in the programs of grants to States from allotments under section 303 and section 306—

the entire State into distinct areas (hereinafter in this title referred to as 'planning and service areas'), in accordance with regulations of the Commissioner, after considering the geographical distribution of individuals aged sixty and older in the State, the incidence of the need for social services (including the numbers of older persons with low incomes residing in such areas), the distribution of resources available to provide such services, the boundaries of existing areas within the State which were drawn for the planning or administration of social services programs, the location of units of general purpose local government within the State, and any other relevant factors: *Provided*, That any unit of general purpose local government which has a population aged sixty or over of fifty thousand or more or which contains 15 per centum or more of the State's population aged sixty or over shall be designated as a planning and service area; except that the State may designate as a planning and service area, any region within the State recognized for purposes of areawide planning which includes one or more such units of general purpose local government when the State determines that the designation of such a regional planning and service area is necessary for, and will enhance, the effective administration of the programs authorized by this title, the State may include in any planning and service area designated pursuant to this provision such additional areas adjacent to the unit of general purpose local government or region so designated as the State determines to be necessary for, and will enhance, the effective administration of the programs authorized by this title, and

"(2) the State agency designated pursuant to paragraph (1) shall—

"(A) determine for which planning and service areas an area plan will be developed, in accordance with subsection (c) of this section, and for each such area designate, after consideration of the views offered by the unit or units of general purpose local government in such area, a public or nonprofit private agency or organization as the area agency on aging for such area; and

"(B) provide assurances, satisfactory to the Commissioner that the State agency will take into account, in connection with matters of general policy arising in the development and administration of the State plan for any fiscal year, the views of recipients of social services provided under such plan.

"Area Organization

"(b) An area agency on aging designated under subsection (a) must be—

"(1) an established office of aging which is operating within a planning and service area designated pursuant to subsection (a) of this section, or

"(3) any office or agency designated by the chief elected official or officials of a combination of units of general purpose local government to act on behalf of such combination for this purpose, or

"(4) any public or nonprofit private agency in a planning and service area which is under the supervision or direction for this purpose of the designated State agency and which can engage

in the planning or provision of a broad range of social services within such planning and service area, and must provide assurance, found adequate by the State agency, that it will have the ability to develop an area plan and to carry out, directly or through contractual or other arrangements, a program pursuant to the plan within the planning and service area. In designating an area agency on aging, the State agency shall give preference to an established office on aging, unless the State agency finds that no such office within the planning and service area will have the capacity to carry out the area plan.

“Area Plans

“(c) In order to be approved by the State agency, an area plan for a planning and service area shall be developed by the area agency on aging designated with respect to such area under subsection (a) and shall—

“(1) provide for the establishment of a comprehensive and coordinated system for the delivery of social services within the planning and service area covered by the plan, including determining the need for social services in such area (taking into consideration, among other things, the numbers of older persons with low incomes residing in such area), evaluating the effectiveness of the use of resources in meeting such need, and entering into agreements with providers of social services in such area, for the provision of such services to meet such need;

“(2) in accordance with criteria established by the Commissioner by regulation relating to priorities, provide for the initiation, expansion, or improvement of social services in the planning and service area covered by the area plan;

“(3) provide for the establishment or maintenance of information and referral sources in sufficient numbers to assure that all older persons within the planning and service area covered by the plan will have reasonably convenient access to such sources. For purposes of this section and section 305(a)(7), an information and referral source is a location where the State or other public or private agency or organization (A) maintains current information with respect to the opportunities and services available to older persons, and develops current lists of older persons in need of services and opportunities, and (B) employs a specially trained staff to inform older persons of the opportunities and services which are available, and assists such persons to take advantage of such opportunities and services; and

“(D) take into account, in connection with matters of general policy arising in the development and administration of the area plan, the views of recipients of services under such plan;

“(E) where possible, enter into arrangements with organizations providing day care services for children so as to provide opportunities for older persons to aid or assist, on a voluntary basis, in the delivery of such services to children; and

“(F) establish an advisory council, consisting of representatives of the target population and the general public, to advise the area agency on all matters relating to the administration of the plan and operations conducted thereunder.

“STATE PLANS

“SEC. 305. (a) In order for a State to be eligible for grants for a fiscal year from its allotments under section 303 and section 306, except as provided in section 307(a), it shall submit to the Commissioner a State plan for such year which meets such criteria as the Commissioner may prescribe by regulation and which—

“(1) provides that the State agency will evaluate the need for social services within the State and determine the extent to which existing public or private programs meet such need;

“(2) provides for the use of such methods of administration (including methods relating to the establishment and maintenance of personnel standards on a merit basis, except that the Commissioner shall exercise no authority with respect to the selection, tenure of office, or compensation of an individual employed in accordance with such methods) as are necessary for the proper and efficient administration of the plan;

“(3) provides that the State agency will make such reports, in such form, and containing such information, as the Commissioner may from time to time require, and comply with such requirements as the Commissioner may impose to assure the correctness of such reports;

“(4) provides that the State agency will conduct periodic evaluations of activities and projects carried out under the State plan;

“(5) establishes objectives, consistent with the purposes of this title, toward which activities under the plan will be directed, identifies obstacles to the attainment of those objectives, and indicates how it proposes to overcome those obstacles;

“(6) provides that each area agency on aging designated pursuant to section 304(a)(2)(A) will develop and submit to the State agency for approval an area plan which complies with section 304(c);

“(7) provides for establishing or maintaining information and referral sources in sufficient numbers to assure that all older persons in the State who are not furnished adequate information and referral sources under section 304(c)(3) will have reasonably convenient access to such sources;

“(8) provides that no social service will be directly provided by the State agency or an area agency on aging, except where, in the judgment of the State agency, provision of such service by the State agency or an area agency on aging is necessary to assure an adequate supply of such service; and

“(9) provides that subject to the requirements of merit employment systems of State and local governments, preference shall be given to persons aged sixty or over for any staff positions (full time or part time) in State and area agencies for which such persons qualify.

"(b) The Commissioner shall approve any State plan which he finds fulfills the requirements of subsection (a) of this section.

Hearing.

"(c) The Commissioner shall not make a final determination disapproving any State plan, or any modification thereof, or make a final determination that a State is ineligible under section 304, without first affording the State reasonable notice and opportunity for a hearing.

"(d) Whenever the Commissioner, after reasonable notice and opportunity for hearing to the State agency, finds that—

"(1) the State is not eligible under section 304,

"(2) the State plan has been so changed that it no longer complies with the provisions of subsection (a), or

"(3) in the administration of the plan there is a failure to comply substantially with any such provision of subsection (a), the Commissioner shall notify such State agency that no further payments from its allotments under section 303 and section 306 will be made to the State (or, in his discretion, that further payments to the State will be limited to projects under or portions of the State plan not affected by such failure), until he is satisfied that there will no longer be any failure to comply. Until he is so satisfied, no further payments shall be made to such State from its allotments under section 303 and section 306 (or payments shall be limited to projects under or portions of the State plan not affected by such failure). The Commissioner shall, in accordance with regulations he shall prescribe, disburse the funds so withheld directly to any public or nonprofit private organization or agency or political subdivision of such State submitting an approved plan in accordance with the provisions of section 304 and section 306. Any such payment or payments shall be matched in the proportions specified in sections 303 and 306.

Appeal.

"(e) A State which is dissatisfied with a final action of the Commissioner under subsection (b), (c), or (d) may appeal to the United States court of appeals for the circuit in which the State is located, by filing a petition with such court within sixty days after such final action. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Commissioner, or any officer designated by him for that purpose. The Commissioner thereupon shall file in the court the record of the proceedings on which he based his action, as provided in section 2112 of title 28, United States Code. Upon the filing of such petition, the court shall have jurisdiction to affirm the action of the Commissioner or to set it aside, in whole or in part, temporarily or permanently, but until the filing of the record, the Commissioner may modify or set aside his order. The findings of the Commissioner as to the facts, if supported by substantial evidence, shall be conclusive, but the court, for good cause shown, may remand the case to the Commissioner to take further evidence, and the Commissioner may thereupon make new or modified findings of fact and may modify his previous action, and shall file in the court the record of the further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence. The judgment of the court affirming or setting aside, in whole or in part, any action of the Commissioner shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28, United States Code. The commencement of proceedings under this subsection shall not, unless so specifically ordered by the court, operate as a stay of the Commissioners' action.

“(2) Any sums allotted to a State under this section for covering part of the cost of the administration of its State plan which the State determines is not needed for such purpose may be used by such State to supplement the amount available under section 303(e) (1) to cover part of the cost of the administration of area plans.

“(3) Any State which has designated a single planning and service area pursuant to section 304(a) (1) (E) covering all, or substantially all, of the older persons in such State, as determined by the Commissioner, may elect to pay part of the costs of the administration of State and area plans either out of sums allotted under this section or out of sums made available for the administration of area plans pursuant to section 303(e) (1), but shall not pay such costs out of sums allotted under both such sections.

“(b) (1) From the sums appropriated for any fiscal year under section 303 for carrying out the purposes of this section, each State shall be allotted an amount which bears the same ratio to such sum as the population aged sixty or over in such State bears to the population aged sixty or over in all States, except that (A) no State shall be allotted less than one-half of 1 per centum of the sum appropriated for the fiscal year for which the determination is made, or \$160,000, whichever is greater, and (B) Guam, American Samoa, the Virgin Islands, and the Trust Territory of the Pacific Islands shall each be allotted no less than one-fourth of 1 per centum of the sum appropriated for the fiscal year for which the determination is made, or \$50,000, whichever is greater. Such reallocations shall be made on the basis of the State plan so approved, after taking into consideration the population aged

“PAYMENTS

“SEC. 307. Administrator and the Secretary of the Treasury. Such notes shall bear interest at a rate fixed by the Secretary of the Treasury, taking into consideration the current average market yield of outstanding marketable obligations of the United States having maturities comparable to the notes issued by the Administrator under this section. The Secretary of the Treasury is authorized and directed to purchase any notes of the Administrator issued hereunder, and, for that purpose, the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which such securities may be issued under such Act, as amended, are extended to include the purchase of notes issued by the Administrator. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes shall be treated as public debt transactions of the United States: *Provided, however,* That such interim notes to the Secretary of the Treasury shall not be included in the totals of the budget of the United States Government and shall be exempt from any general limitation imposed by statute on expenditures and net lending (budget outlays) of the United States.

"(b) The Secretary of the Treasury is authorized and directed to purchase for resale obligations insured through the fund when offered by the Administrator. Such resales shall be upon such terms and conditions as the Secretary of the Treasury shall determine. Purchases and resales by the Secretary of the Treasury hereunder shall not be included in the totals of the budget of the United States Government and shall be exempt from any general limitation imposed by statute on expenditures and net lending (budget outlays) of the United States.

"(c) The Administrator may, on an insured basis or otherwise, sell and assign any notes in the fund or sell certificates of beneficial ownership therein to the Secretary of the Treasury or in the private market. Any sale by the Administrator of notes individually or in blocks shall be treated as a sale of assets for the purposes of the Budget and Accounting Act, 1921, notwithstanding the fact that the Administrator, under an agreement with the purchaser or purchasers, holds the debt instruments evidencing the loans and holds or reinvests payments thereon as trustee and custodian for the purchaser or purchasers of the individual note or of the certificate of beneficial ownership in a number of such notes. Security instruments taken by the Administrator in connection with any notes in the fund may constitute liens running to the United States notwithstanding the fact that such notes may be thereafter held by purchasers thereof.

"SEC. 305. INSURED LOANS; INTEREST RATES AND LENDING LEVELS.—

(a) The Administrator is authorized to make insured loans under this title and at the interest rates hereinafter provided to the full extent of the assets available in the fund, subject only to limitations as to amounts authorized for loans and advances as may be from time to time imposed by the Congress of the United States for loans to be made in any one year, which amounts shall remain available until expended: *Provided,* That the Congress in the annual appropriation Act may also authorize the transfer of any excess cash in the fund for deposit into the Treasury as miscellaneous receipts: *And provided further,* That any such loans and advances shall not be included in the totals of the budget of the United States Government and shall be exempt from any general limitation imposed by statute on expenditures and net lending (budget outlays) of the United States.

“(b) Insured loans made under this title shall bear interest at either 2 per centum per annum (hereinafter called the ‘special rate’), or 5 per centum per annum (hereinafter called the ‘standard rate’). Loans bearing the special rate shall be available only for an electric or telephone borrower which meets either of the following conditions:

“Special rate.”
“Standard rate.”

“(1) has an average consumer or subscriber density of two or fewer per mile, or

“(2) has an average gross revenue per mile which is at least \$450 below the average gross revenue per mile of REA-financed electric systems, in the case of electric borrowers, or at least \$300 below the average gross revenue per mile of REA-financed telephone systems, in the case of telephone borrowers: *Provided, however,* That the Administrator may, in his sole discretion, make a loan at the special rate if he finds that the borrower:

“(A) has experienced extenuating circumstances or extreme hardship; or

“(B) cannot, in accordance with generally accepted management and accounting principles, produce net income or margins before interest at least equal to 150 per centum of its total interest requirements on all outstanding and proposed loans with an interest rate greater than 2 per centum per annum on the entire current loan, and still meet the objectives of the Act, or

“(C) cannot, in accordance with generally accepted management and accounting principles and without an excessive increase in the rates charged by such borrowers to their consumers or subscribers, provide service consistent with the objectives of the Act.

“(c) Loans made under this section shall be insured by the Administrator when purchased by a lender. As used in this Act, an insured loan is one which is made, held, and serviced by the Administrator, and sold and insured by the Administrator hereunder; such loans shall be sold and insured by the Administrator without undue delay.

“SEC. 306. GUARANTEED LOANS; ACCOMMODATION AND SUBORDINATION OF LIENS.—The Administrator may provide financial assistance to borrowers for purposes provided in the Rural Electrification Act of 1936, as amended, by guaranteeing loans, in the full amount thereof, made by the Rural Telephone Bank, National Rural Utilities Cooperative Finance Corporation, and any other legally organized lending agency, or by accommodating or subordinating liens or mortgages in the fund held by the Administrator as owner or as trustee or custodian for purchases of notes from the fund, or by any combination of such guarantee, accommodation, or subordination. No fees or charges shall be assessed for any such guarantee, accommodation, or subordination. Guaranteed loans shall bear interest at the rate agreed upon by the borrower and the lender. Guaranteed loans, and accommodation and subordination of liens or mortgages, may be made concurrently with a loan insured at the standard rate. The amount of guaranteed loans shall be subject only to such limitations as to amounts as may be authorized from time to time by the Congress of the United States: *Provided,* That any amounts guaranteed hereunder shall not be included in the totals of the budget of the United States Government and shall be exempt from any general limitation imposed by statute on expenditures and net lending (budget outlays) of the United States. As used in this title a guaranteed loan is one which is made, held, and serviced by a legally organized lending agency and which is guaranteed by the Administrator hereunder.

"SEC. 308. (A) the dollar amounts specified in subsection (a) (1) (A) and (2) (A), and subsection (b) (1) and (2), of section 1611 of such Act, shall each be increased by \$840 (\$780 in the case of any period prior to July 1974) for each such essential person, and

(B) the income and resources of such individual shall (for purposes of such title XVI) be deemed to include the income and resources of such essential person;

except that the provisions of this subsection shall not, in the case of any individual, be applicable for any period which begins in or after the first month that such individual—

(C) does not but would (except for the provisions of subparagraph (B)) meet—

(i) the criteria established with respect to income in section 1611 (a) of such Act, or

(ii) the criteria established with respect to resources by such section 1611 (a) (or, if applicable, by section 1611 (g) of such Act).

(2) The provisions of section 1611 (g) of the Social Security Act (as in effect after December 1973) shall, in the case of any qualified individual (as defined in subsection (b)), be applied so as to include, in the resources of such individual, the resources of any person (described in subsection (b) (2)) whose needs were taken into account in determining the need of such individual for the aid or assistance referred to in subsection (b) (1).

(b) For purposes of this section, an individual shall be a “qualified individual” only if—

(1) for the month of December 1973 such individual was a recipient of aid or assistance under a State plan approved under title I, X, XIV, or XVI of the Social Security Act, and

(B) was not eligible (in his or her own right) for aid or assistance under such State plan for such month.

(c) The term “essential person”, when used in connection with any qualified individual, means a person who—

“Essential person.”

(1) for the month of December 1973 was a person (described in subsection (b) (2)) whose needs were taken into account in determining the need of such individual for aid or assistance under a State plan referred to in subsection (b) (1) as such State plan was in effect for June 1973,

MANDATORY MINIMUM STATE SUPPLEMENTATION OF SSI BENEFITS PROGRAM

SEC. 212. (a) (1) In order for any State (other than the Commonwealth of Puerto Rico, Guam, or the Virgin Islands) to be eligible for payments pursuant to title XIX, with respect to expenditures for any quarter beginning after December 1973, such State must have in effect an agreement with the Secretary of Health, Education, and Welfare (hereinafter in this section referred to as the “Secretary”) whereby the State will provide to individuals residing in the State supplementary payments as required under paragraph (2).

79 Stat. 343;
86 Stat. 1426.
42 USC 1396.

(2) Any agreement entered into by a State pursuant to paragraph (1) shall provide that each individual who—

(A) is an aged, blind, or disabled individual (within the meaning of section 1614(a) of the Social Security Act, as enacted by section 301 of the Social Security Amendments of 1972), and

86 Stat. 1471.
42 USC 1382c.

(B) for the month of December 1973 was a recipient of (and was eligible to receive) aid or assistance (in the form of money payments) under a State plan of such State (approved under title I, X, XIV, or XVI, of the Social Security Act)

86 Stat. 1484.
42 USC 301,
1201, 1351.

shall be entitled to receive, from the State, the supplementary payment described in paragraph (3) for each month, beginning with January 1974, and ending with whichever of the following first occurs:

(C) the month in which such individual dies, or

(D) the first month in which such individual ceases to meet the condition specified in subparagraph (A);

except that no individual shall be entitled to receive such supplementary payment for any month, if, for such month, such individual was ineligible to receive supplemental income benefits under title XVI of the Social Security Act by reason of the provisions of section 1611(e) (1) (A), (2), or (3), 1611(f), or 1615(c) of such Act.

86 Stat. 1467.
42 USC 1382,
1382d.

(3) (A) The supplementary payment referred to in paragraph (2) which shall be paid for any month to any individual who is entitled thereto under an agreement entered into pursuant to this subsection

shall (except as provided in subparagraph (D)) be an amount equal to (i) the amount by which such individual's "December 1973 income" (as determined under subparagraph (B)) exceeds the amount of such individual's "title XVI benefit plus other income" (as determined under subparagraph (C)) for such month, or (ii) if greater, such amount as the State may specify.

(B) For purposes of subparagraph (A), an individual's "December 1973 income" means an amount equal to the aggregate of—

(i) the amount of the aid or assistance (in the form of money payments) which such individual would have received (including any part of such amount which is attributable to meeting the needs of any other person whose presence in such individual's home is essential to such individual's well-being) for the month of December 1973 under a plan (approved under title I, X, XIV, or XVI, of the Social Security Act) of the State entering into an agreement under this subsection, if the terms and conditions of such plan (relating to eligibility for and amount of such aid or assistance payable thereunder) were, for the month of December 1973, the same as those in effect, under such plan, for the month of June 1973, and

(ii) the amount of the income of such individual (other than the aid or assistance described in clause (i)) received by such individual in December 1973, minus any such income which did not result, but which if properly reported would have resulted in a reduction in the amount of such aid or assistance.

(C) For purposes of subparagraph (A), the amount of an individual's "title XVI benefit plus other income" for any month means an amount equal to the aggregate of—

(i) the amount (if any) of the supplemental security income benefit to which such individual is entitled for such month under title XVI of the Social Security Act, and

(ii) the amount of any income of such individual for such month (other than income in the form of a benefit described in clause (i)).

(D) If the amount determined under subparagraph (B)(i) includes, in the case of any individual, an amount which was payable to such individual solely because of—

(i) a special need of such individual (including any special allowance for housing, or the rental value of housing furnished in kind to such individual in lieu of a rental allowance) which existed in December 1973, or

(ii) any special circumstance (such as the recognition of the needs of a person whose presence in such individual's home, in December 1973, was essential to such individual's well-being), and, if for any month after December 1973 there is a change with respect to such special need or circumstance which, if such change had existed in December 1973, the amount described in subparagraph (B)(i) with respect to such individual would have been reduced on account of such change, then, for such month and for each month thereafter the amount of the supplementary payment payable under the agreement entered into under this subsection to such individual shall (unless the State, at its option, otherwise specifies) be reduced by an amount equal to the amount by which the amount (described in subparagraph (B)(i)) would have been so reduced.

(b)(1) Any State having an agreement with the Secretary under subsection (a) may enter into an administration agreement with the Secretary whereby the Secretary will, on behalf of such State, make the supplementary payments required under the agreement entered into under subsection (a).

86 Stat. 1484,
1465.
42 USC 301,
1201, 1351, 1381.

(2) Any such administration agreement between the Secretary and a State entered into under this subsection shall provide that the State will (A) certify to the Secretary the names of each individual who, for December 1973, was a recipient of aid or assistance (in the form of money payments) under a plan of such State approved under title I, X, XIV, or XVI of the Social Security Act, together with the amount of such assistance payable to each such individual and the amount of such individual's December 1973 income (as defined in subsection (a)(3)(B)), and (B) provide the Secretary with such additional data at such times as the Secretary may reasonably require in order properly, economically, and efficiently to carry out such administration agreement.

86 Stat. 1484,
1465.
42 USC 301,
1201, 1351, 1381.

(3) Any State which has entered into an administration agreement under this subsection shall, at such times and in such installments as may be agreed upon between the Secretary and the State, pay to the Secretary an amount equal to the expenditures made by the Secretary as supplementary payments to individuals entitled thereto under the agreement entered into with such State under subsection (a).

(c)(1) Supplementary payments made pursuant to an agreement entered into under subsection (a) shall be excluded under section 1612(b)(6) of the Social Security Act (as in effect after December 1973) in determining income of individuals for purposes of title XVI of such Act (as so in effect).

42 USC 1382a.

(2) Supplementary payments made by the Secretary (pursuant to an administration agreement entered into under subsection (b)) shall, for purposes of section 401 of the Social Security Amendments of 1972, be considered to be payments made under an agreement entered into under section 1616 of the Social Security Act (as enacted by section 301 of the Social Security Amendments of 1972); except that nothing in this paragraph shall be construed to waive, with respect to the payments so made by the Secretary, the provisions of subsection (b) of such section 401.

86 Stat. 1485.
42 USC 1382e
note.
42 USC 1382e.

(d) For purposes of subsection (a)(1), a State shall be deemed to have entered into an agreement under subsection (a) of this section if such State has entered into an agreement with the Secretary under section 1616 of the Social Security Act under which—

(1) individuals, other than individuals described in subsection (a)(2) (A) and (B), are entitled to receive supplementary payments, and

(2) supplementary benefits are payable, to individuals described in subsection (a)(2) (A) and (B) at a level and under terms and conditions which meet the minimum requirements specified in subsection (a).

(e) Except as the Secretary may by regulations otherwise provide, the provisions of title XVI of the Social Security Act (as enacted by section 301 of the Social Security Amendments of 1972), including the provisions of part B of such title, relating to the terms and conditions under which the benefits authorized by such title are payable shall, where not inconsistent with the purposes of this section, be applicable to the payments made under an agreement under subsection (b) of this section; and the authority conferred upon the Secretary by such title may, where appropriate, be exercised by him in the administration of this section.

(f) The provisions of subsection (a)(1) shall not be applicable in the case of any State—

(1) the Constitution of which contains provisions which make it impossible for such State to enter into and commence carrying out (on January 1, 1974) an agreement referred to in subsection (a), and

(2) the Attorney General (or other appropriate State official) of which has, prior to July 1, 1973, made a finding that the State

Constitution of such State contains limitations which prevent such State from making supplemental payments of the type described in section 1616 of the Social Security Act.

41 Stat. 488;
72 Stat. 572.

SEC. 201. Section 15a of the Interstate Commerce Act (49 U.S.C. 15a) is amended by adding at the end thereof the following new paragraph:

"(4) (a) The Commission shall by rule, on or before August 1, 1973, establish requirements for petitions for adjustment of interstate rates of common carriers subject to this part based upon increases in expenses of such carriers resulting from any increases in taxes under the Railroad Retirement Tax Act, as amended, occurring on or before January 1, 1975, or as a result of the enactment of the Railroad Retirement Amendments of 1973. Such requirements, established pursuant to section 553 of title 5 of the United States Code (with time for comment limited so as to meet the required date for establishment and subject to future amendment or revocation), shall be designed to facilitate fair and expeditious action on any such petition as required in subparagraph (b) of this paragraph by disclosing such information as the amount needed in rate increases to offset such increases in expenses and the availability of means other than a rate increase by which the carrier might absorb or offset such increases in expenses.

Interim rates.

"(b) Notwithstanding any other provision of law, the Commission shall, within thirty days of the filing of a verified petition in accordance with rules promulgated under subparagraph (a) of this paragraph, by any carrier or group of carriers subject to this part, permit the establishment of increases in the general level of the interstate rates of said carrier or carriers in an amount approximating that needed to offset increases in expenses theretofore experienced or demonstrably certain to occur commencing on or before the effective date of the increased rates, as a result of any increases in taxes under the Railroad Retirement Tax Act, as amended, occurring on or before January 1, 1975, or as a result of the enactment of the Railroad Retirement Amendments of 1973. Such increases in rates may be made effective on not more than thirty nor less than ten days' notice to the public, notwithstanding any outstanding orders of the Commission. To the extent necessary to effectuate their establishment, rates so increased shall be relieved from the provisions of section 4 of this part and may be published in tariff supplements of the kind ordinarily authorized in general increase proceedings.

Final rate deter-
mination, hear-
ings.

"(c) The Commission shall within sixty days from the date of establishment of interim rates under paragraph (4) (b) of this section commence hearings for the purpose of making the final rate determination. The Commission shall then proceed to make such final rate determination with the carrier having the burden of proof. In making such

determination, the Commission may take into account all factors appropriate to ratemaking generally under part I of this Act and shall determine such final rates under the standards and limitations applicable to ratemaking generally under part I of this Act. If the increases in rates finally authorized by the Commission are less than the increases in rates initially made effective, the carrier or carriers shall, subject to such tariff provisions as the Commission shall deem sufficient, make such refunds (in the amount by which the initially increased rate collected exceeds the finally authorized increased rate) as may be ordered by the Commission, plus a reasonable rate of interest as determined by the Commission. Nothing contained in this paragraph shall limit or otherwise affect the authority of the Commission to authorize or to permit to become effective any increase in rates other than the increases herein specified.

49 USC 1.

“(d) (A) The State authority having jurisdiction over petitions for intrastate rate increases by any carrier or group of carriers subject to part I of this Act shall, within 60 days of the filing of a verified petition for such increases based upon increases in expenses of such carriers as a result of any increases in taxes under the Railroad Retirement Tax Act, as amended, occurring on or before January 1, 1975, or as a result of the enactment of the Railroad Retirement Amendments of 1973, act upon said petition. Such State authority may grant an interim rate increase or a final rate increase. If such State authority grants any interim rate increases, it shall thereafter investigate and determine the reasonableness of such increases and modify them to the extent required by applicable law. To the extent that any such interim increases are reduced as a result of the action of a State authority, the carrier or carriers shall make such refunds (in the amount by which the initially increased rate collected exceeds the finally authorized increased rate) as may be ordered by such State authority, plus a reasonable rate of interest as determined by the State authority.

Intrastate rate increase, State authority.

Ante, p. 162.
26 USC 3201.*Ante*, p. 166.

“(B) If a State authority denies in toto such a petition filed with it by such carrier or group of carriers seeking relief regarding such intrastate rate increases or does not act finally on such petition within 60 days from the presentation thereof, the Commission shall, within 30 days of the filing of a verified petition by such carrier or group of carriers relating to such intrastate rates, act upon such petition by applying the ratemaking criteria of subparagraph (4) (c) of this paragraph. If the Commission grants, in whole or in part, such petition by any carrier or group of carriers, the increase authorized shall be considered as an interim rate increase as provided in subparagraph (A) above and shall be subject to final determination by the State authority in accordance with the procedures prescribed for interim intrastate rate increases as provided above, including the ordering of refunds by such State authority.

“(C) If a State authority denies in part such a petition filed with it by such carrier or group of carriers, within 60 days from the presentation thereof, the Commission shall, within 30 days of the filing of a verified petition by such carrier or group of carriers relating to the intrastate rates involved, act upon such petition by applying the criteria of section 13(4) of this part.

72 Stat. 570.
49 USC 13.

“(D) Nothing in subparagraph (A) or (B) shall be construed to abrogate the authority of the Commission under section 13(4) of this part and in the event a carrier or group of carriers subject to a refund requirement under subparagraph (A) or (B) files a petition under section 13(3), the refund requirement shall be stayed pending final order of the Commission under section 13(4) of this part.

Each such grant shall be made under such conditions as the Administrator shall determine to be required to insure that the United States will receive therefrom benefit adequate to justify the making of that grant. None of the funds appropriated for "Research and development" pursuant to this Act may be used in accordance with this subsection for the construction of any major facility, the estimated cost of which, including collateral equipment, exceeds \$250,000, unless the Administrator or his designee

has notified the Speaker of the House of Representatives and the President of the Senate and the Committee on Science and Astronautics of the House of Representatives and the Committee on Aeronautical and Space Sciences of the Senate of the nature, location, and estimated cost of such facility.

(e) When so specified in an appropriation Act, (1) any amount appropriated for "Research and development" or for "Construction of facilities" may remain available without fiscal year limitation, and (2) maintenance and operation of facilities, and support services contracts may be entered into under the "Research and program management" appropriation for periods not in excess of twelve months beginning at any time during the fiscal year.

Limitations.

(h) No part of the funds appropriated pursuant to subsection (a) of this section may be used for grants to any nonprofit institution of higher learning unless the Administrator or his designee determines at the time of the grant that recruiting personnel of any of the Armed Forces of the United States are not being barred from the premises or property of such institution except that this subsection shall not apply if the Administrator or his designee determines that the grant is a continuation or renewal of a previous grant to such institution which is likely to make a significant contribution to the aeronautical and space activities of the United States. The Secretary of Defense shall furnish to the Administrator or his designee within sixty days after the date of enactment of this Act and each January 30 and June 30 thereafter the names of any nonprofit institutions of higher learning which the Secretary of Defense determines on the date of each such report are barring such recruiting personnel from premises or property of any such institution.

that deferral of such action until the enactment of the next Authorization Act would be inconsistent with the interest of the Nation in aeronautical and space activities. The funds so made available may be expended to acquire, construct, convert, rehabilitate, or install permanent or temporary public works, including land acquisition, site preparation, appurtenances, utilities, and equipment. No portion of such sums may be obligated for expenditure or expended to construct, expand, or modify laboratories and other installations unless (A) a period of thirty days has passed after the Administrator or his designee has transmitted to the Speaker of the House of Representatives and to the President of the Senate and to the Committee on Science and Astronautics of the House of Representatives and the Committee on Aeronautical and Space Sciences of the Senate a written report containing a full and complete statement concerning (1) the nature of such construction, expansion, or modification, (2) the cost thereof including the cost of any real estate action pertaining thereto, and (3) the reason why such construction, expansion, or modification is necessary in the national interest, or (B) each such committee before the expiration of such period has transmitted to the Administrator written notice to the effect that such committee has no objection to the proposed action.

Prohibitions.

SEC. 4. (a) Notwithstanding any other provision of this Act—

(1) no amount appropriated pursuant to this Act may be used for any program deleted by the Congress from requests as originally made to either the House Committee on Science and Astronautics or the Senate Committee on Aeronautical and Space Sciences,

(2) no amount appropriated pursuant to this Act may be used for any program in excess of the amount actually authorized for that particular program by sections 1(a) and 1(c), and

(3) no amount appropriated pursuant to this Act may be used for any program which has not been presented to or requested of either such committee,

unless (A) a period of thirty days has passed after the receipt by the Speaker of the House of Representatives and the President of the Senate and each such committee of notice given by the Administrator or his designee containing a full and complete statement of the action proposed to be taken and the facts and circumstances relied upon in support of such proposed action, or (B) each such committee before the expiration of such period has transmitted to the Administrator written notice to the effect that such committee has no objection to the proposed action.

(b) Nothing in this section shall be construed to authorize the expenditure of amounts for personnel and related costs pursuant to section 1(c) to exceed amounts authorized for such costs.

Geographical
distribution of
research funds.

SEC. 5. It is the sense of the Congress that it is in the national interest that consideration be given to geographical distribution of Federal research funds whenever feasible, and that the National Aeronautics and Space Administration should explore ways and means of distributing its research and development funds whenever feasible.

SEC. 6. Section 203(b) of the National Aeronautics and Space Act of 1958, as amended (42 U.S.C. 2473(b)), is amended by inserting immediately after paragraph (10) the following new paragraph:

NASA installa-
tions, visitor
facilities, con-
cessions.

“(11) to provide by concession, without regard to section 321 of the Act of June 30, 1932 (47 Stat. 412; 40 U.S.C. 303b), on such terms as the Administrator may deem to be appropriate and to be necessary to protect the concessioner against loss of his investment in property (but not anticipated profits) resulting from the Administration's discretionary acts and decisions, for the con-

struction, maintenance, and operation of all manner of facilities and equipment for visitors to the several installations of the Administration and, in connection therewith, to provide services incident to the dissemination of information concerning its activities to such visitors, without charge or with a reasonable charge therefor (with this authority being in addition to any other authority which the Administration may have to provide facilities, equipment, and services for visitors to its installations). A concession agreement under this paragraph may be negotiated with any qualified proposer following due consideration of all proposals received after reasonable public notice of the intention to contract. The concessioner shall be afforded a reasonable opportunity to make a profit commensurate with the capital invested and the obligations assumed, and the consideration paid by him for the concession shall be based on the probable value of such opportunity and not on maximizing revenue to the United States. Each concession agreement shall specify the manner in which the concessioner's records are to be maintained, and shall provide for access to any such records by the Administration and the Comptroller General of the United States for a period of five years after the close of the business year to which such records relate. A concessioner may be accorded a possessory interest, consisting of all incidents of ownership except legal title (which shall vest in the United States), in any structure, fixture, or improvement he constructs or locates upon land owned by the United States; and, with the approval of the Administration, such possessory interest may be assigned, transferred, encumbered, or relinquished by him, and, unless otherwise provided by contract, shall not be extinguished by the expiration or other termination of the concession and may not be taken for public use without just compensation."

SEC. 7. Title II of the National Aeronautics and Space Act of 1958, as amended (42 U.S.C. 2471 et seq.), is amended by adding at the end thereof the following new section:

85 Stat. 177.

"SEC. 207. Notwithstanding the provisions of this or any other law, the Administration may not report to a disposal agency as excess to the needs of the Administration any land having an estimated value in excess of \$50,000 which is owned by the United States and under the jurisdiction and control of the Administration, unless (A) a period of thirty days has passed after the receipt by the Speaker and the Committee on Science and Astronautics of the House of Representatives and the President and the Committee on Aeronautical and Space Sciences of the Senate of a report by the Administrator or his designee containing a full and complete statement of the action proposed to be taken and the facts and circumstances relied upon in support of such action, or (B) each such committee before the expiration of such period has transmitted to the Administrator written notice to the effect that such committee has no objection to the proposed action."

AN ACT

To amend title I of the Omnibus Crime Control and Safe Streets Act of 1968 to improve law enforcement and criminal justice, and for other purposes.

August 6, 1973
[H. R. 8152]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Crime Control Act of 1973".

Crime Control
Act of 1973.

SEC. 2. Title I of the Omnibus Crime Control and Safe Streets Act of 1968 is amended to read as follows:

82 Stat. 197;
84 Stat. 1881.
42 USC 3701.

"TITLE I—LAW ENFORCEMENT ASSISTANCE

"DECLARATION AND PURPOSE

"Congress finds that the high incidence of crime in the United States threatens the peace, security, and general welfare of the Nation and its citizens. To reduce and prevent crime and juvenile delinquency, and to insure the greater safety of the people, law enforcement and criminal justice efforts must be better coordinated, intensified, and made more effective at all levels of government.

"Congress finds further that crime is essentially a local problem that must be dealt with by State and local governments if it is to be controlled effectively.

"It is therefore the declared policy of the Congress to assist State and local governments in strengthening and improving law enforcement and criminal justice at every level by national assistance. It is the purpose of this title to (1) encourage States and units of general local government to develop and adopt comprehensive plans based upon their evaluation of State and local problems of law enforcement and criminal justice; (2) authorize grants to States and units of local government in order to improve and strengthen law enforcement and criminal justice; and (3) encourage research and development directed toward the improvement of law enforcement and criminal justice and the development of new methods for the prevention and reduction of crime and the detection, apprehension, and rehabilitation of criminals.

"PART A—LAW ENFORCEMENT ASSISTANCE ADMINISTRATION

"SEC. 101. (a) There is hereby established within the Department of Justice, under the general authority of the Attorney General, a Law Enforcement Assistance Administration (hereinafter referred to in this title as 'Administration') composed of an Administrator of Law Enforcement Assistance and two Deputy Administrators of Law Enforcement Assistance, who shall be appointed by the President, by and with the advice and consent of the Senate.

"(b) The Administrator shall be the head of the agency. One Deputy Administrator shall be designated the Deputy Administrator for Policy Development. The second Deputy Administrator shall be designated the Deputy Administrator for Administration.

"PART B—PLANNING GRANTS

"SEC. 201. It is the purpose of this part to encourage States and units of general local government to develop and adopt comprehensive law enforcement and criminal justice plans based on their evaluation of State and local problems of law enforcement and criminal justice.

State planning
agencies.

"SEC. 202. The Administration shall make grants to the States for the establishment and operation of State law enforcement and criminal justice planning agencies (hereinafter referred to in this title as 'State planning agencies') for the preparation, development, and revision of the State plan required under section 303 of this title. Any State may make application to the Administration for such grants within six months of the date of enactment of this Act.

"SEC. 203. (a) A grant made under this part to a State shall be utilized by the State to establish and maintain a State planning agency. Such agency shall be created or designated by the chief executive of the State and shall be subject to his jurisdiction. The State planning agency and any regional planning units within the State shall, within their respective jurisdictions, be representative of the law enforcement and criminal justice agencies, units of general local government, and public agencies maintaining programs to reduce and control crime and may include representatives of citizen, professional, and community organizations. The regional planning units within the State shall be comprised of a majority of local elected officials.

Functions.

"(b) The State planning agency shall—

"(1) develop, in accordance with part C, a comprehensive statewide plan for the improvement of law enforcement and criminal justice throughout the State;

"(2) define, develop, and correlate programs and projects for the State and the units of general local government in the State or combinations of States or units for improvement in law enforcement and criminal justice; and

"(3) establish priorities for the improvement in law enforcement and criminal justice throughout the State.

Funds,
availability.

"(c) The State planning agency shall make such arrangements as such agency deems necessary to provide that at least 40 per centum of all Federal funds granted to such agency under this part for any fiscal year will be available to units of general local government or combinations of such units to enable such units and combinations of such units to participate in the formulation of the comprehensive State plan required under this part. The Administration may waive this requirement, in whole or in part, upon a finding that the requirement is inappropriate in view of the respective law enforcement and criminal justice planning responsibilities exercised by the State and its units of general local government and that adherence to the requirement would not contribute to the efficient development of the State plan required under this part. In allocating funds under this subsection, the State planning agency shall assure that major cities and counties within the State receive planning funds to develop comprehensive plans and coordinate functions at the local level. Any portion of such 40 per centum in any State for any fiscal year not required for the purpose set forth in this subsection shall be available for expenditure by such State agency from time to time on dates during such year as the Administration may fix, for the development by it of the State plan required under this part.

Meetings.

“SEC. 304. State planning agencies shall receive applications for financial assistance from units of general local government and combinations of such units. When a State planning agency determines that such an application is in accordance with the purposes stated in section 301 and is in conformance with any existing statewide comprehensive law enforcement plan, the State planning agency is authorized to disburse funds to the applicant.

“SEC. 305. Where a State has failed to have a comprehensive State plan approved under this title within the period specified by the Administration for such purpose, the funds allocated for such State under paragraph (1) of section 306(a) of this title shall be available for reallocation by the Administration under paragraph (2) of section 306(a).

No part of any grant under such paragraph for the purpose of renting, leasing, or constructing buildings or other physical facilities shall be used for land acquisition. In the case of a grant under such paragraph to an Indian tribe or other aboriginal group, if the Administration determines that the tribe or group does not have sufficient funds available to meet the local share of the costs of any program or project to be funded under the grant, the Administration may increase the Federal share of the cost thereof to the extent it deems necessary. The limitations on the expenditure of portions of grants for the compensation of personnel in subsection (d) of section 301 of this title shall apply to a grant under such paragraph. Funds,
reallocation.

“(b) If the Administration determines, on the basis of information available to it during any fiscal year, that a portion of the funds allocated to a State for that fiscal year for grants to the State planning agency of the State will not be required by the State, or that the State will be unable to qualify to receive any portion of the funds under the requirements of this part, that portion shall be available for reallocation to other States under paragraph (1) of subsection (a) of this section.

“SEC. 307. In making grants under this part, the Administration and each State planning agency, as the case may be, shall give special emphasis, where appropriate or feasible, to programs and projects dealing with the prevention, detection, and control of organized crime and of riots and other violent civil disorders.

“SEC. 308. If not disapproved (and returned with the reasons for such disapproval) within such ninety days of such application, such plan shall be deemed approved for the purposes of this title. The reasons for disapproval of such plan, in order to be effective for the purposes of this section, shall contain an explanation of which requirements enumerated in section 302(b) such plan fails to comply with, or an explanation of what supporting material is necessary for the Administration to evaluate such plan. For the purposes of this section, the term ‘date of submission’ means the date on which a State plan which the State has designated as the ‘final State plan application’ for the appropriate fiscal year is delivered to the Administration.

If the Secretary determines that, because of such a disaster or condition, the total quantity of wheat (or other nonconserving crop planted instead of wheat) which the producers are able to harvest on any farm is less than 66⅔ percent of the farm acreage allotment times the projected yield of wheat (or other nonconserving crop planted instead of wheat) for the farm, the rate of payment for the deficiency in production below 100 percent shall be the larger of (A) the foregoing rate, or (B) one-third of the established price. “(vii) After the second sentence of section 379b(c) (3) the following shall be inserted: ‘The Secretary may, in the case of programs for the 1974 through 1977 crops, pay an appropriate share of the cost of practices designed to carry out the purposes of the foregoing sentences.’

“(g) The Secretary is authorized to issue such regulations as he determines necessary to carry out the provisions of this title.

“(D) Section 379c of the Agricultural Adjustment Act of 1938, effective only with respect to the 1974 through 1977 crops of wheat is amended to read as follows:

84 Stat. 1364.
7 USC 1379c.

“SEC. 379c. (a) (1) The farm acreage allotment for each crop of wheat shall be determined as provided in this section. The Secretary shall proclaim the national acreage allotment not later than April 15 of each calendar year for the crop harvested in the next succeeding calendar year. Such national allotment shall be the number of acres he determines on the basis of the estimated national average yield for the crop for which the determination is being made will produce the quantity (less imports) that he estimates will be utilized domestically and for export during the marketing year for such crop. If the Secretary determines that carryover stocks are excessive or an increase in stocks is needed to assure a desirable carryover, he may adjust the allotment by the amount he determines will accomplish the desired decrease or increase in carryover stocks. The national acreage allotment for any crop of wheat shall be apportioned by the Secretary among the States on the basis of the apportionment to each State of the national acreage allotment for the preceding crop (1973 national domestic allotment in the case of apportionment of the 1974 national acreage allotment) adjusted to the extent deemed necessary by the Secretary to establish a fair and equitable apportionment base for each State, taking into consideration established crop rotation practices, the estimated decrease in farm acreage allotments, and other relevant factors.

Farm acreage
allotment.

“(2) The State acreage allotment for wheat, less a reserve of not to exceed 1 per centum thereof for apportionment as provided in this subsection, shall be apportioned by the Secretary among the counties in the State, on the basis of the apportionment to each such county of the wheat allotment for the preceding crop, adjusted to the extent deemed necessary by the Secretary in order to establish a fair and equitable apportionment base for each county taking into consideration established crop-rotation practices, the estimated decrease in farm allotments, and other relevant factors.

County appor-
tionment.

“(3) The farm allotment for each crop of wheat shall be determined by apportioning the county wheat allotment among farms in the county which had a wheat allotment for the preceding crop on the basis of such allotment, adjusted to reflect established crop-rotation practices and such other factors as the Secretary determines should be considered for the purpose of establishing a fair and equitable allotment. Notwithstanding any other provision of this subsection, the farm allotment shall be adjusted downward to the extent required by subsection (b).

Factors deter-
mining allotment.

“(4) Not to exceed 1 per centum of the State allotment for any crop may be apportioned to farms for which there was no allotment for the preceding crop on the basis of the following factors: suitability of the land for production of wheat, the past experience of the farm operator in the production of wheat, the extent to which the farm operator is dependent on income from farming for his livelihood, the production of wheat on other farms owned, operated, or controlled by the farm operator, and such other factors as the Secretary determines should be considered for the purpose of establishing fair and equitable farm allotments. No part of such reserve shall be apportioned to a farm to

reflect new cropland brought into production after the date of enactment of the set-aside program for wheat.

“(5) The planting on a farm of wheat of any crop for which no farm allotment was established shall not make the farm eligible for an allotment under subsection (a)(3) nor shall such farm by reason of such planting be considered ineligible for an allotment under subsection (a)(4).

Acreage adjust-
ments.

“(6) The Secretary may make such adjustments in acreage under this Act as he determines necessary to correct for abnormal factors affecting production, and to give due consideration to tillable acreage, crop rotation practices, types of soil, soil and water conservation measures, and topography, and in addition, in the case of conserving use acreages to such other factors as he deems necessary in order to establish a fair and equitable conserving use acreage for the farm.

Allotment re-
duction, condi-
tions.

“(b)(1) If for any crop the total acreage of wheat planted on a farm is less than the farm allotment, the farm allotment used as a base for the succeeding crop shall be reduced by the percentage by which such planted acreage was less than such farm allotment, but such reduction shall not exceed 20 per centum of the farm allotment for the preceding crop. If no acreage has been planted to wheat for three consecutive crop years on any farm which has an allotment, such farm shall lose its allotment. Producers on any farm who have planted to wheat not less than 90 per centum of the allotment for the farm shall be considered to have planted an acreage equal to 100 per centum of such allotment. An acreage on the farm which the Secretary determines was not planted to wheat because of drought, flood, or other natural disaster or condition beyond the control of the producer shall be considered to be an acreage of wheat planted for harvest. For the purpose of this subsection, the Secretary may permit producers of wheat to have acreage devoted to soybeans, feed grains for which there is a set-aside program in effect, guar, castor beans, cotton, triticale, oats, rye, or such other crops as the Secretary may deem appropriate considered as devoted to the production of wheat to such extent and subject to such terms and conditions as the Secretary determines will not impair the effective operation of the program.

“(2) Notwithstanding the provisions of subsection (b)(1), no farm allotment shall be reduced or lost through failure to plant the farm allotment, if the producer elects not to receive payments for the portion of the farm allotment not planted, to which he would otherwise be entitled under the provisions of section 107(c) of the Agricultural Act of 1949.’”

Ante, p. 225.

(18) Effective only with respect to the 1974 through 1977 crops of feed grains, section 501 is amended by—

(A) striking out that portion through the first colon and section 105(a) of the Agriculture Act of 1949, as it appears therein, and inserting the following:

"SEC. 501. (a) Effective only with respect to the 1971 through 1977 crops of feed grains, section 105(a) of the Agricultural Act of 1949, as amended, is further amended to read as follows:

"SEC. 105. Notwithstanding any other provision of law—

"(a) (1) The Secretary shall make available to producers loans and purchases on each crop of corn at such level, not less than \$1.10 per bushel nor in excess of 90 per centum of the parity price therefor, as the Secretary determines will encourage the exportation of feed grains and not result in excessive total stocks of feed grains in the United States.

"(2) The Secretary shall make available to producers loans and purchases on each crop of barley, oats, and rye, respectively, at such level as the Secretary determines is fair and reasonable in relation to the level that loans and purchases are made available for corn, taking into consideration the feeding value of such commodity in relation to corn and other factors specified in section 401(b), and on each crop of grain sorghums at such level as the Secretary determines is fair and reasonable in relation to the level that loans and purchases are made available for corn, taking into consideration the feeding value and average transportation costs to market of grain sorghums in relation to corn."

(B) adding at the end thereof the following:

"(b) Effective only with respect to the 1974 through 1977 crops of feed grains, section 105(b) of the Agricultural Act of 1949, as amended, is further amended to read as follows:

"(b) (1) In addition, the Secretary shall make available to producers payments for each crop of corn, grain sorghums, and, if designated by the Secretary, barley, computed by multiplying (1) the payment rate, times (2) the allotment for the farm for such crop, times (3) the yield established for the farm for the preceding crop with such adjustments as the Secretary determines necessary to provide a fair and equitable yield. The payment rate for corn shall be the amount by which the higher of—

"(1) the national weighted average market price received by farmers during the first five months of the marketing year for such crop, as determined by the Secretary, or

"(2) the loan level determined under subsection (a) for such crop

is less than the established price of \$1.38 per bushel in the case of the 1974 and 1975 crops, \$1.38 per bushel adjusted to reflect any change during the calendar year 1975 in the index of prices paid by farmers

for production items, interest, taxes, and wage rates in the case of the 1976 crop, and the established price for the 1976 crop adjusted to reflect any change during the calendar year 1976 in such index in the case of the 1977 crop: *Provided*, That any increase that would otherwise be made in the established price to reflect a change in the index of prices paid by farmers shall be adjusted to reflect any change in (i) the national average yield per acre of feed grains for the three calendar years preceding the year for which the determination is made, over (ii) the national average yield per acre of feed grains for the three calendar years preceding the year previous to the one for which the determination is made. The payment rate for grain sorghums and, if designated by the Secretary, barley, shall be such rate as the Secretary determines fair and reasonable in relation to the rate at which payments are made available for corn. If the Secretary determines that the producers on a farm are prevented from planting any portion of the farm acreage allotment to feed grains or other nonconserving crop, because of drought, flood, or other natural disaster or condition beyond the control of the producer, the rate of payment on such portion shall be the larger of (A) the foregoing rate, or (B) one-third of the established price. If the Secretary determines that, because of such a disaster or condition, the total quantity of feed grains (or other nonconserving crop planted instead of feed grains) which the producers are able to harvest on any farm is less than 66⅔ percent of the farm acreage allotment times the yield of feed grains (or other nonconserving crop planted instead of feed grains) established for the farm, the rate of payment for the deficiency in production below 100 percent shall be the larger of (A) the foregoing rate, or (B) one-third of the established price.

“(2) The Secretary shall, prior to January 1 of each calendar year, determine and proclaim for the crop produced in such calendar year a national acreage allotment for feed grains, which shall be the number of acres he determines on the basis of the estimated national average yield of the feed grains included in the program for the crop for which the determination is being made will produce the quantity (less imports) of such feed grains that he estimates will be utilized domestically and for export during the marketing year for such crop. If the Secretary determines that carryover stocks of any of the feed grains are excessive or an increase in stocks is needed to assure a desirable carryover, he may adjust the feed grain allotment by the amount he determines will accomplish the desired decrease or increase in carryover stocks. State, county, and farm feed grain allotments shall be established on the basis of the feed grain allotments established for the preceding crop (for 1974 on the basis of the feed grain bases established for 1973), adjusted to the extent deemed necessary to establish a fair and equitable apportionment base for each State, county, and farm. Not to exceed 1 per centum of the State feed grain allotment may be reserved for apportionment to new feed grain farms on the basis of the following factors: suitability of the land for production of feed grains, the extent to which the farm operator is dependent on income from farming for his livelihood, the production of feed grains on other farms owned, operated, or controlled by the farm operator, and such other factors as the Secretary determines should be considered for the purpose of establishing fair and equitable feed grain allotments.

“(3) If for any crop the total acreage on a farm planted to feed grains included in the program formulated under this subsection is less than the feed grain allotment for the farm, the feed grain allotment for the farm for the succeeding crops shall be reduced by the percentage by which the planted acreage is less than the feed grain allotment for the farm, but such reduction shall not exceed 20 per

centum of the feed grain allotment. If no acreage has been planted to such feed grains for three consecutive crop years on any farm which has a feed grain allotment, such farm shall lose its feed grain allotment: *Provided*, That no farm feed grain allotment shall be reduced or lost through failure to plant, if the producer elects not to receive payment for such portion of the farm feed grain allotment not planted, to which he would otherwise be entitled under the provisions of this Act. Any such acres eliminated from any farm shall be assigned to a national pool for the adjustment of feed grain allotments as provided for in subsection (e) (2). Producers on any farm who have planted to such feed grains not less than 90 per centum of the feed grain allotment shall be considered to have planted an acreage equal to 100 per centum of such allotment. An acreage on the farm which the Secretary determines was not planted to such feed grains because of drought, flood, or other natural disaster or condition beyond the control of the producer shall be considered to be an acreage of feed grains planted for harvest. For the purpose of this paragraph, the Secretary may permit producers of feed grains to have acreage devoted to soybeans, wheat, guar, castor beans, cotton, triticale, oats, rye, or such other crops as the Secretary may deem appropriate, considered as devoted to the production of such feed grains to such extent and subject to such terms and conditions as the Secretary determines will not impair the effective operation of the program.'",

(C) amending the last sentence of section 105(c) (1) to read as follows:

"The Secretary shall permit producers to plant and graze on set-aside acreage sweet sorghum, and the Secretary may permit, subject to such terms and conditions as he may prescribe, all or any of the set-aside acreage to be devoted to hay and grazing or the production of guar, sesame, safflower, sunflower, castor beans, mustard seed, crambe, plantago ovato, flaxseed, triticale, oats, rye, or other commodity, if he determines that such production is needed to provide an adequate supply, is not likely to increase the cost of the price-support program, and will not adversely affect farm income."

(C) striking out "1971, 1972, 1973" where it appears in that part which amends section 105(c) (1) of the Agricultural Act of 1949 and inserting "1971 through 1977", and by amending the second sentence of section 105(c) (1) to read as follows: "If a set-aside of cropland is in effect under this subsection (c), then as a condition of eligibility for loans, purchases, and payments on corn, grain sorghums, and, if designated by the Secretary, barley, respectively, the producers on a farm must set aside and devote to approved conservation uses an acreage of cropland equal to (i) such percentage of the feed grain allotment for the farm as may be specified by the Secretary, plus, if required by the Secretary (ii) the acreage of cropland on the farm devoted in preceding years to soil conserving uses, as determined by the Secretary."

(D) amending the third sentence of section 105(c) (1) to read as follows: "The Secretary is authorized for the 1974 through 1977 crops to limit the acreage planted to feed grains on the farm to a percentage of the farm acreage allotment."

(E) striking out paragraphs (1) and (3) of subsection (e), changing "bases" to "allotments" wherever it appears in paragraph (2) of subsection (e), and striking out all of subsection (g).

(F) inserting after the second sentence of section 105(c) (3) the following: "The Secretary may, in the case of programs for the 1974 through 1977 crops, pay an appropriate share of the cost of practices designed to carry out the purposes of the foregoing sentences."

"(d) In order to reduce cotton production costs, to prevent the movement of certain cotton plant insects to areas not now infested, and to enhance the quality of the environment, the Secretary is authorized and directed to carry out programs to destroy and eliminate cotton boll weevils in infested areas of the United States as provided herein and to carry out similar programs with respect to pink bollworms or any other major cotton insect if the Secretary determines that methods and systems have been developed to the point that success in eradication of such insects is assured. The Secretary shall carry out the eradication programs authorized by this subsection through the Commodity Credit Corporation. In carrying out insect eradication projects, the Secretary shall utilize the technical and related services of appropriate Federal, State, private agencies, and cotton organizations. Producers and landowners in an eradication zone, established by the Secretary, who are receiving benefits from any program administered by the United States Department of Agriculture, shall, as a condition of receiving or continuing any such benefits, participate in and cooperate with the eradication project, as specified in regulations of the Secretary.

the compliance of producers and landowners who are not receiving benefits from any program administered by the United States Department of Agriculture. Any person who knowingly violates any such regulation promulgated by the Secretary under this subsection may be assessed a civil penalty of not to exceed \$5,000 for each offense. No civil penalty shall be assessed unless the person shall have been given notice and opportunity for a hearing on such charge in the county, parish, or incorporated city of the residence of the person charged. In determining the amount of the penalty the Secretary shall consider the appropriateness of such penalty to the size of the business of the person charged, the effect on the person's ability to continue in business, and the gravity of the violation. Where special measures deemed essential to achievement of the eradication objective are taken by the project and result in a loss of production and income to the producer, the Secretary shall provide reasonable and equitable indemnification from funds available for the project, and also provide for appropriate protection of the allotment, acreage history, and average yield for the farm. The cost of the program in each eradication zone shall be determined, and cotton producers in the zone shall be required to pay up to one-half thereof, with the exact share in each zone area to be specified by the Secretary upon his finding that such share is reasonable and equitable based on population levels of the target insect and the degree of control measures normally required. Each producer's pro rata share shall be deducted from his cotton payment under this Act or otherwise collected, as provided in regulations of the Secretary. Insofar as practicable, cotton producers and other persons engaged in cotton production in the eradication zone shall be employed to participate in the work of the project in such zone. Funding of the program shall be terminated at such time as the Secretary determines and reports to the Congress that complete eradication of the insects for which programs are undertaken pursuant to this subsection has been accomplished. Funds in custody of agencies carrying out the program shall, upon termination of such program, be accounted for to the Secretary for appropriate disposition.

Mexico, coopera-

The measure and character of cooperation carried out under this subsection on the part of the United States and on the part of the Government of Mexico, including the expenditure or use of funds made available by the Secretary under this subsection, shall be such as may be prescribed by the Secretary. Arrangements for the cooperation authorized by this subsection shall be made through and in consultation with the Secretary of State. The Commodity Credit Corporation shall not make any expenditures for carrying out the purposes of this subsection unless the Corporation has received funds to cover such expenditures from appropriations made to carry out the purposes of this subsection. There are hereby authorized to be appropriated to the Commodity Credit Corporation such sums as the Congress may from time to time determine to be necessary to carry out the purposes of this subsection.'"

Individual reports shall remain confidential but shall be compiled by the Secretary and published in compilation form each week following the week of

reporting. All exporters of agricultural commodities produced in the United States shall upon request of the Secretary of Agriculture immediately report to the Secretary any information with respect to export sales of agricultural commodities and at such times as he may request. Any person (or corporation) who knowingly fails to report export sales pursuant to the requirements of this section shall be fined not more than \$25,000 or imprisoned not more than one year, or both. The Secretary may, with respect to any commodity or type or class thereof during any period in which he determines that there is a domestic supply of such commodity substantially in excess of the quantity needed to meet domestic requirements, and that total supplies of such commodity in the exporting countries are estimated to be in surplus, and that anticipated exports will not result in excessive drain on domestic supplies, and that to require the reports to be made will unduly hamper export sales, provide for such reports by exporters and publishing of such data to be on a monthly basis rather than on a weekly basis."

"SEC. 813. (a) Notwithstanding any other provision of law, the Secretary of Agriculture shall under the provisions of this Act establish, maintain, and dispose of a separate reserve of inventories of not to exceed 75 million bushels of wheat, feed grains, and soybeans for the purpose of alleviating distress caused by a natural disaster.

The portion of such cost (including labor) to be shared shall be that part which the Secretary determines is necessary and appropriate to effectuate the physical installation of the conservation practices and measures under the contract, but, in the case of a contract not entered into under an advertising and bid procedure under the provisions of section 1009(d) of this title, not less than 50 per centum or more than 75 per centum of the actual costs incurred by the owner or operator.

Ante, p. 268.

“(4) Upon the joint request of a State Governor and the local governments concerned, the Secretary may withdraw his approval of any route or portion thereof on the Interstate System within any urbanized area in that State selected and approved in accordance with this title prior to the enactment of this paragraph, if he determines that such route or portion thereof is not essential to completion of a unified and connected Interstate System or will no longer be essential by reason of the application of this paragraph and will not be constructed as a part of the Interstate System, and if he receives assurances that the State does not intend to construct a toll road in the traffic corridor which would be served by such route or portion thereof. The mileage of the route or portion thereof approval of which is withdrawn under this paragraph shall be available for designation on the Interstate System in any other State in accordance with paragraph (1) of this subsection. After the Secretary has withdrawn his approval of any such route or portion thereof, whenever responsible local officials of such urbanized area notify the State highway department that, in lieu of a route or portion thereof approval for which is withdrawn under this paragraph, their needs require a nonhighway public mass transit project involving the construction of fixed rail facilities, or the purchase of passenger equipment, including rolling stock for any mode of mass transit, or both, and the State highway department determines that such public mass transit project is in accordance with the planning process under section 134 of this title and is entitled to priority under such planning process, such public mass transit project shall be submitted for approval to the Secretary. Approval of the plans, specifications, and estimates for such project by the Secretary shall be deemed a contractual obligation of the United States for payment out of the general funds in the Treasury of its proportional share of the cost of such project in an amount equal to the Federal share which would be paid for such a project under the Urban Mass Transportation Act of 1964, except that the total Federal cost of all such projects under this paragraph with respect to such route or portion thereof approval of which is withdrawn under this paragraph, shall not exceed the Federal share of the cost which would have been paid for such route or portion thereof, as such cost is included in the 1972 Interstate System cost estimate set forth in table 5 of House Public Works Committee Print Numbered 92-29, as revised in House Report Numbered 92-1443. Funds apportioned to such State for the Interstate System, which apportionment is based upon an Interstate System cost estimate that includes a route or portion thereof approval of which is withdrawn under this paragraph, shall be reduced by an amount equal to the Federal share of such project as such share

August 14, 1973
[H. R. 4083]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the “District of Columbia Insurance Act”.

District of
Columbia Insur-
ance Act.

TITLE I—DISTRICT OF COLUMBIA POST ASSESSMENT INSURANCE GUARANTY ASSOCIATION ACT

SEC. 101. This title shall be known and may be cited as the “District of Columbia Insurance Guaranty Association Act”.

Citation of
title.

SEC. 102. The purpose of this title is to provide a mechanism for the payment of covered claims under certain insurance policies to avoid excessive delay in payment and to avoid financial loss to claimants or policyholders because of the insolvency of an insurer, to assist in the detection and prevention of insurer insolvencies, and to provide an association to assess the cost of such protection among insurers.

SEC. 103. This title shall apply to all kinds of direct insurance, except life, title, disability, and mortgage guaranty insurance.

SEC. 104. As used in this title—

Definitions.

(1) The term “Commissioner” means the Commissioner of the District of Columbia or his designated agent.

(2) The term “covered claim” means an unpaid claim, including one for unearned premiums, which arises out of and is within the coverage and not in excess of the applicable limits of an insurance policy to which this title applies issued by an insurer, if such insurer becomes an insolvent insurer after the effective date of this title and (a) the claimant or insured is a resident of the District of Columbia at the time of the insured event; or (b) the property from which the claim arises is permanently located in the District of Columbia. Such term shall not include any amount due any reinsurer, insurer, insurance pool, or underwriting association, as subrogation recoveries or otherwise.

(3) The term “insolvent insurer” means (a) an insurer authorized to transact insurance in the District of Columbia, either at the time the policy was issued or when the insured event occurred, who has been determined to be insolvent by a court of competent jurisdiction.

(4) The term “member insurer” means any person who (a) writes any kind of insurance to which this title applies, including the exchange of reciprocal or interinsurance contracts, and (b) is licensed to transact insurance in the District of Columbia.

(5) The term “net direct written premiums” means direct gross premiums written in the District on insurance policies to which this title applies, less return premiums thereon and dividends paid or credited to policyholders on such direct business. Such term does not include premiums on contracts between insurers or reinsurers.

(6) The term “person” includes individuals, corporations, associations, exchanges, and partnerships.

SEC. 105. There is created a nonprofit unincorporated legal entity to be known as the District of Columbia Insurance Guaranty Association (hereafter in this title referred to as the “Association”). All member insurers shall be and remain members of the Association as a condition of their authority to transact insurance in the District of Columbia. The Association shall perform its functions under a plan of operation established and approved by the Commissioner and shall exercise its powers through a Board of Directors (hereafter in this

D.C. Insurance
Guaranty Associ-
ation.
Establishment.

title referred to as the "Board"). For purposes of administration and assessment, the Association shall be divided into three separate accounts: (a) the workmen's compensation insurance account; (b) the automobile insurance account; and (c) the account for all other insurance to which this title applies.

Board members. SEC. 106. (a) The Board shall consist of not less than five nor more than nine persons serving terms as established in the plan of operation. The members of the Board shall be selected by member insurers subject to the approval of the Commissioner. Vacancies on the Board shall be filled for the remaining period of the term in the same manner as initial appointments. If no members are selected within sixty days after the effective date of this title, the Commissioner may appoint the initial members of the Board.

Vacancies. (b) In approving selections to the Board, the Commissioner shall consider among other things whether all member insurers are fairly represented.

Expenses. (c) Members of the Board may be reimbursed from the assets of the Association for expenses incurred by them as members of the Board.

Duties. SEC. 107. (a) The Association shall—

(1) be obligated to the extent of the covered claims existing prior to the determination of insolvency and arising within thirty days after the determination of insolvency, or before the policy expiration date if less than thirty days after the determination, or before the insured replaces the policy or causes its cancellation, if he does so within thirty days of the determination, but such obligation shall include only that amount of each covered claim which is in excess of \$100 and is less than \$300,000, except that the Association shall pay the full amount of any covered claim arising out of a workmen's compensation policy; except in no event shall the Association be obligated to a policyholder or claimant in an amount in excess of the obligation of the insolvent insurer under the policy from which the claim arises;

(2) be deemed the insurer to the extent of its obligation on the covered claims and to such extent shall have all rights, duties, and obligations of the insolvent insurer as if the insurer had not become insolvent;

(3) allocate claims paid and expenses incurred among the three accounts separately, and assess member insurers separately, according to subsection (b) of this section, for each account amounts necessary to pay the obligations of the Association under paragraph (1) of this subsection subsequent to an insolvency, the expenses of handling covered claims subsequent to an insolvency, the cost of examinations under section 112 and other expenses authorized by this title;

(4) investigate claims brought against the Association and adjust, compromise, settle, and pay covered claims to the extent of the Association's obligation and deny all other claims and may review settlements, releases and judgments to which the insolvent insurer or its insureds were parties to determine the extent to which such settlements, releases and judgments may be properly contested;

(5) notify such persons as the Commissioner directs under section 109(b)(1);

(6) handle claims through its employees or through one or more insurers or other persons designated, subject to the approval of the Commissioner, as servicing facilities, except such designation may be declined by a member insurer; and

(7) reimburse each servicing facility for obligations of the Association paid by the facility and for expenses incurred by the facility while handling claims on behalf of the Association, and pay the other expenses of the Association authorized by this title.

(b) The assessments of each member insurer under paragraph (3) of subsection (a) of this section shall be in the proportion that the net direct written premiums of the member insurer for the preceding calendar year on the kinds of insurance in the account bears to the net direct written premiums of all member insurers for the preceding calendar year on the kinds of insurance in the account. Each member insurer shall be notified of the assessment not later than thirty days before it is due. No member insurer may be assessed in any year on any account an amount greater than 2 per centum of that member insurer's net direct written premiums for the preceding calendar year on the kinds of insurance in the account. If the maximum assessment, together with the other assets of the Association in any account, does not provide in any one year in any account an amount sufficient to make all necessary payments from that account, the funds available shall be prorated and the unpaid portion shall be paid as soon thereafter as funds become available. The Association may exempt or defer, in whole or in part, the assessment of any member insurer, if the assessment would cause the member insurer's financial statement to reflect amounts of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which the member insurer is authorized to transact insurance. Each member insurer may set off against any assessment, authorized payments made on covered claims and expenses incurred in the payment of such claims by the member insurer if they are chargeable to the account for which the assessment is made.

Assessments.

(c) The Association may—

(1) employ or retain such persons as are necessary to handle claims and perform other duties of the Association;

(2) borrow funds necessary to effect the purposes of this title in accord with the plan of operation;

(3) sue or be sued;

(4) negotiate and become a party to such contracts as are necessary to carry out the purpose of this title;

(5) perform such other acts as are necessary or proper to effectuate the purpose of this title; and

(6) refund to the member insurers in proportion to the contribution of each member insurer to that account that amount by which the assets of the account exceed the liabilities, if, at the end of any calendar year, the Board finds that the assets of the Association in any account exceed the liabilities of that account as estimated by the Board for the coming year.

SEC. 108. (a) (1) The Board shall submit to the Commissioner a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable, and equitable administration of the Association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the Commissioner.

Plan of operation.

(2) If the Board fails to submit a suitable plan of operation within ninety days following the effective date of this title or if at any time thereafter the Board fails to submit suitable amendments to the plan, the Commissioner shall, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this title. Such rules shall continue in force until modified by the Commissioner or superseded by a plan submitted by the Board and approved by the Commissioner.

Rules.

(b) All member insurers shall comply with the plan of operation.

(c) The plan of operation shall—

(1) establish the procedures whereby all the powers and duties of the Association under section 107 will be performed;

(2) establish procedures for handling assets of the Association;

(3) establish the amount and method of reimbursing members of the Board under section 106;

(4) establish procedures by which claims may be filed with the Association and establish acceptable forms of proof of covered claims;

(5) establish regular places and times for meetings of the Board;

(6) establish procedures for records to be kept of all financial transactions of the Association, its agents, and the Board;

(7) provide that any member insurer aggrieved by a final action or decision of the Association may appeal to the Commissioner within thirty days after the action or decision;

(8) establish the procedures whereby selections for the Board will be submitted to the Commissioner; and

(9) contain additional provisions necessary or proper for the execution of the powers and duties of the Association.

Delegation of
powers.

(d) The plan of operation may provide that any or all powers and duties of the Association, except those under subsections 107 (a) (3) and (c) (2), are delegated to a corporation, association, or other organization which performs or will perform functions similar to those of this Association, or its equivalent, in two or more States. Such a corporation, association, or organization shall be reimbursed as a servicing facility would be reimbursed and shall be paid for its performance of any other functions of the Association. A delegation under this subsection shall take effect only with the approval of both the Board and the Commissioner, and may be made only to a corporation, association, or organization which extends protection in a manner substantially similar to that provided by this title.

(e) Notice of claims to the receiver or liquidator of the insolvent insurer shall be deemed notice to the Association or its agent and a list of such claims shall be periodically submitted to the Association or similar organization in another State by the receiver or liquidator.

Sec. 109. (a) The Commissioner shall—

(1) notify the Association of the existence of an insolvent insurer not later than three days after he receives notice of the determination of the insolvency; and

(2) upon request of the Board provide the Association with a statement of the net direct written premiums of each member insurer.

(b) The Commissioner may—

(1) require that the Association notify the insureds of the insolvent insurer and any other interested parties of the determination of insolvency and of their rights under this title by mail at their last known address, where available, or by publication in a newspaper of general circulation, if sufficient information for notification by mail is not available;

(2) suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in the District of Columbia of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation, or levy a fine on any member insurer which fails to pay an assessment when due, except such fine shall not exceed 5 per centum of the unpaid assessment per month, except that no fine shall be less than \$100 per month; and

(3) revoke the designation of any servicing facility if he finds claims are being handled unsatisfactorily.

(c) All final orders or decisions of the Commissioner made under this Act shall be subject to review in accordance with section 11 of the District of Columbia Administrative Procedures Act (D.C. Code, sec. 1-1510).

SEC. 110. (a) Any person recovering under this title shall be deemed to have assigned his rights under the policy to the Association to the extent of his recovery from the Association. Every insured or claimant seeking the protection of this title shall cooperate with the Association to the same extent as such person would have been required to cooperate with the insolvent insurer. The Association shall have no cause of action against the insured of the insolvent insurer for any sums it has paid out except such causes of action as the insolvent insurer would have had if such sums had been paid by the insolvent insurer. In the case of an insolvent insurer operating on a plan with assessment liability, payments of claims of the Association shall not operate to reduce the insured's liability to the receiver, liquidator, or statutory successor for unpaid assessments.

(b) The receiver, liquidator, or statutory successor of an insolvent insurer shall be bound by settlements of covered claims by the Association or a similar organization in another State. The court having jurisdiction shall grant such claims priority equal to that which the claimant would have been entitled in the absence of this title against the assets of the insolvent insurer.

(c) The Association shall periodically file with the receiver or liquidator of the insolvent insurer statements of the covered claims paid by the Association which shall preserve the rights of the Association against the assets of the insolvent insurer.

SEC. 111. (a) Any person having a claim against an insurer under any provision in an insurance policy, other than a policy of an insolvent insurer which is also a covered claim, shall be required to exhaust first his right under such policy. Any amount payable on a covered claim under this title shall be reduced by the amount of any recovery under such insurance policy.

(b) Any person having a claim which may be recovered under more than one insurance guaranty association or its equivalent shall seek recovery first from the association of the place of residence of the insured except that if it is a first party claim for damage to property with a permanent location, he shall seek recovery first from the association of the location of the property, and if it is a workmen's compensation claim, he shall seek recovery first from the association of the residence of the claimant. Any recovery under this title shall be reduced by the amount of recovery from any other insurance guaranty association or its equivalent.

SEC. 112. (a) To aid in the detection and prevention of insurer insolvencies—

Insurer insolvencies, prevention.

(1) it shall be the duty of the Board, upon majority vote, to notify the Commissioner of any information indicating any member insurer may be insolvent or in a financial condition hazardous to the policyholders or the public; and

(2) the Board may, upon majority vote, request that the Commissioner order an examination of any member insurer which the Board in good faith believes may be in a financial condition hazardous to the policyholders or the public.

(b) An examination may be conducted, under this section, as a National Association of Insurance Commissioner examination or may be conducted by such person as the Commissioner designates. The cost of such examination shall be paid by the Association and the examina-

tion report shall be treated as are other examination reports. In no event shall such examination report be released to the Board prior to its release to the public, but this shall not preclude the Commissioner from complying with subsection (c) of this section. The Commissioner shall notify the Board when the examination is completed. The request for an examination shall be kept on file by the Commissioner but it shall not be open to public inspection prior to the release of the examination report to the public.

(c) It shall be the duty of the Commissioner to report to the Board when he has reasonable cause to believe that any member insurer examined or being examined at the request of the Board may be insolvent or in a financial condition hazardous to the policyholders or the public.

Reports.

(d) The Board may, upon majority vote, make reports and recommendations to the Commissioner upon any matter germane to the solvency, liquidation, rehabilitation, or conservation of any member insurer. Such reports and recommendations shall not be considered public documents.

(e) The Board may, upon majority vote, make recommendations to the Commissioner for the detection and prevention of insurer insolvencies.

(f) The Board shall, at the conclusion of any insurer insolvency in which the Association was obligated to pay covered claims, prepare a report on the history and causes of such insolvency, based on the information available to the Association, and submit such report to the Commissioner.

SEC. 113. The Association shall be subject to examination and regulation by the Commissioner. The Board shall submit, not later than March 30 of each year, a financial report for the preceding calendar year on a form approved by the Commissioner.

Tax exemption.

SEC. 114. The Association shall be exempt from payment of all fees and taxes levied or collected by the District of Columbia, except taxes levied on real or personal property.

SEC. 115. The rates and premiums charged for insurance policies to which this title applies shall include amounts sufficient to recoup a sum equal to the amounts paid to the Association by the member insurer less any amounts returned to the member insurer by the Association and such rates shall not be deemed excessive because they contain an amount reasonably calculated to recoup assessments paid by the member insurer.

SEC. 116. There shall be no liability on the part of and no cause of action of any nature shall rise against any member insurer, the Association or its agents or employees, the Board, or the Commissioner or his representatives for any action taken by them in the performance of their powers and duties under this title.

SEC. 117. All proceedings in which the insolvent insurer is a party or is obligated to defend a party in any court in the District of Columbia shall be stayed for sixty days from the date the insolvency is determined to permit proper defense by the Association of all pending causes of action. As to any covered claims arising from a judgment under any decision, verdict, or finding based on the default of the insolvent insurer or its failure to defend an insured, the Association either on its own behalf or on behalf of such insured may apply to have such judgment, order, decision, verdict, or finding set aside by the same court or administrator that made such judgment, order, decision, verdict, or finding and shall be permitted to defend against such claim on the merits.

SEC. 118. (a) The Commissioner shall by order terminate the operation of the District of Columbia Insurance Guaranty Association as

to any kind of insurance afforded by property or casualty insurance policies with respect to which he has found, after hearing, that there is in effect a statutory or voluntary plan which—

(1) is a permanent plan which is adequately funded or for which adequate funding is provided; and

(2) extends or will extend to District of Columbia policyholders and residents protection and benefits with respect to insolvent insurers not substantially less favorable and effective to such policyholders and residents and the protection and benefits provided with respect to such kind of insurance under this title.

(b) The Commissioner shall by the same such order authorize discontinuance of future payments by insurers to the District of Columbia Insurance Guaranty Association with respect to the same kinds of insurance, except assessments and payments shall continue, as necessary, to liquidate covered claims of insurers adjudged insolvent prior to said order and the related expenses not covered by such other plan.

(c) In the event the operation of any account of the District of Columbia Insurance Guaranty Association shall be so terminated as to all kinds of insurance otherwise within its scope, the Association as soon as possible thereafter shall distribute the balance of moneys and assets remaining in said account (after discharge of the functions of the Association with respect to prior insurer insolvencies not covered by such other plan, together with related expenses) to the insurers which are then writing in the District of Columbia policies of the kinds of insurance covered by such account, and which had made payments into such account, pro rata upon the basis of the aggregate of such payments made by the respective insurers to such account during the period of five years next preceding the date of such order. Upon completion of such distribution with respect to all of the accounts specified in section 105, this title shall be deemed to have expired.

It is the purpose of this section to provide a means whereby private financial institutions can assist in providing housing, particularly for families of low- or moderate-income, by purchasing stock of and investing in loans to any such State housing corporation situated in the particular State in which the Federal savings and loan association or national bank involved is located.

SEC. 6. The text of section 404 of the National Housing Act (12 U.S.C. 1727) is amended to read as follows:

75 Stat. 483;
79 Stat. 508.

Primary reserves, establishment.

“SEC. 404. (a) (1) The Corporation shall establish a primary reserve which shall be the general reserve of the Corporation and a secondary reserve to which shall be credited the amounts of the prepayments made by insured institutions pursuant to former provisions of subsection (d) and the credits made pursuant to the first sentence of subsection (e).

“(2) The Corporation may accomplish the purposes and provisions of this section by rules, regulations, orders, or otherwise as it may consider necessary or appropriate.

Rules and regulations.

“(b) (1) Each institution whose application for insurance is approved by the Corporation shall pay to the Corporation, in such manner as it shall prescribe, a premium for such insurance equal to one-twelfth of 1 per centum of the total amount of all accounts of the insured members of such institution. Such premium shall be paid at

the time the certificate is issued by the Corporation under section 403, and thereafter annually, except that under regulations prescribed by the Corporation such premium may be paid semiannually.

“(2) If, at the close of any December 31, the primary reserve equals or exceeds 2 per centum of the total amount of all accounts of insured members of all insured institutions as of such close, no premium under paragraph (1) of this subsection shall be payable by any insured institution with respect to its premium year beginning during the year commencing on May 1 next succeeding such December 31, except that the foregoing provisions of this sentence shall not be applicable to any insured institution with respect to any of the twenty premium years beginning with the premium year commencing with the date on which such certificate is issued.

“(c) The Corporation is further authorized to assess against each insured institution additional premiums for insurance until the amount of such premiums equals the amount of all losses and expenses of the Corporation; except that the total amount so assessed in any one year against any such institution shall not exceed one-eighth of 1 per centum of the total amount of the accounts of its insured members.

Assessments.

“(d) (1) The Corporation shall not, on or after the date of enactment of this sentence, accept or receive further payments in the nature of prepayments of future premiums as was formerly required by this subsection (including any such payments which have accrued or are payable under such former provisions). When no insured institution has any pro rata share of the secondary reserve, other than any such share immediately payable to it, the Corporation may take such steps as it may deem appropriate to close out and discontinue the secondary reserve.

Prepayments,
prohibition.

“(2) The Corporation may provide for the adjustment of payments made under former provisions of this subsection or made or to be made under subsections (b) and (c) of this section in cases of merger or consolidation, transfer of bulk assets or assumption of liabilities, and similar transactions, as defined by the Corporation for the purposes of this paragraph.

Payment adjust-
ments.

“(e) The Corporation shall credit to the secondary reserve, as of the close of each calendar year a return on the outstanding balances of the secondary reserve, during such calendar year, as determined by the Corporation, at a rate equal to the average annual rate of return to the Corporation during the year ending at the close of November 30 of such calendar year, as determined by the Corporation, on the investments held by the Corporation in obligations of, or guaranteed as to principal and interest by, the United States. Except as provided in subsections (f) and (g), the secondary reserve shall be available to the Corporation only for losses of the Corporation and shall be so available only to such extent as other accounts of the Corporation which are available therefor are insufficient for such losses. No right, title, or interest of any institution in or with respect to its pro rata share of the secondary reserve shall be assignable or transferable whether by operation of law or otherwise, except to such extent as the Corporation may provide for transfer of such pro rata share in cases of merger or consolidation, transfer of bulk assets or assumption of liabilities, and similar transactions, as defined by the Corporation for purposes of this sentence.

“(f) If (i) the status of an insured institution as an insured institution is terminated pursuant to any provision of section 407 or the insurance of accounts of an insured institution is otherwise terminated, (ii) a conservator, receiver, or other legal custodian is appointed for

an insured institution under the circumstances and for the purpose set forth in subsection (d) of section 401, or (iii) the Corporation makes a determination that for the purposes of this subsection an insured institution has gone into liquidation, the Corporation shall pay in cash to such institution its pro rata share of the secondary reserve, in accordance with such terms and conditions as the Corporation may prescribe, or, at the option of the Corporation, the Corporation may apply the whole or any part of the amount which would otherwise be paid in cash toward the payment of any indebtedness or obligation, whether matured or not, of such institution to the Corporation, then existing or arising before such payment in cash: *Provided*, That such payment or such application need not be made to the extent that the provisions of the exception in the last sentence of subsection (e) are applicable.

“(g) If, at the close of December 31 in any year after 1971, the aggregate of the primary reserve and the secondary reserve equals or exceeds $1\frac{1}{4}$ per centum of the total amount of all accounts of insured members of all insured institutions but the primary reserve does not equal or exceed 2 per centum of such base, each insured institution's pro rata share of the secondary reserve shall, during the year beginning with May 1 next succeeding such close, be used, to the extent available, to discharge such institution's obligation for its premium under subsection (b) for the premium year beginning in such year, but only to the extent of such percentage, to be the same for all insured institutions and to be not less than 30 nor more than 70 per centum of such premium, as the Corporation may determine; and the use of such pro rata shares as provided in this sentence shall continue unless and until the next sentence or the last sentence of this subsection shall become operative. If, at the close of any December 31 occurring before the last sentence of this subsection shall become operative, the aggregate of the primary reserve and the secondary reserve is not at least equal to $1\frac{1}{4}$ per centum of the total amount of all accounts of insured members of all insured institutions, the use of any insured institution's pro rata share of the secondary reserve under the first sentence of this subsection shall terminate with respect to its premium under subsection (b) for the premium year beginning during the calendar year commencing on May 1 next succeeding such December 31, and such termination shall continue unless and until the first sentence of this subsection shall become operative. If, at the close of any December 31, the primary reserve equals or exceeds such 2 per centum, the Corporation shall, at such time (which shall be the same for all insured institutions and shall not be later than May 1 next succeeding such close) and in such manner as the Corporation shall determine, pay in cash to each insured institution its pro rata share of the secondary reserve.

Deposit calls.

“(h) (1) Each insured institution shall make such deposits in the Corporation as may from time to time be required by call of the Federal Home Loan Bank Board. Any such call shall be calculated by applying a specified percentage, which shall be the same for all insured institutions, to the total amount of all withdrawable or repurchasable shares, investment certificates, and deposits in each insured institution. No such call shall be made unless such Board determines that the total amount of such call, plus the outstanding deposits previously made pursuant to such calls, does not exceed 1 per centum of the total amount of all withdrawable or repurchasable shares, investment certificates, and deposits in all insured institutions. For the purposes of this subsection, the total amounts hereinabove referred to shall be determined or estimated by such Board or in such manner as it may prescribe.

"(2) The Corporation shall credit as of the close of each calendar year, to each deposit outstanding at such close, a return on the outstanding balance, as determined by the Corporation, of such deposit during such calendar year, at a rate equal to the average annual rate of return, as determined by the Corporation, to the Corporation during the year ending at the close of November 30 of such calendar year, on the investments held by the Corporation in obligations of, or guaranteed as to principal and interest by, the United States.

Deposit
credits.

"(3) The Corporation in its discretion may at any time repay all such deposits, or repay pro rata a portion of each of such deposits, in such manner and under such procedure as the Corporation may prescribe. Any procedure for such pro rata repayment may provide for total repayment of any deposit, if total repayment of any and all deposits of equal or smaller amount is likewise provided for.

Repayment.

"(4) The provisions of subsection (f) of this section and of the last sentence of subsection (e) of this section shall be applicable to deposits under this subsection, and for the purposes of this subsection the references in such subsection (f) and such last sentence to the prepayments and the pro rata shares therein mentioned shall be deemed instead to be references respectively to the deposits under this subsection and the pro rata shares of the holders thereof, and the reference in such subsection (f) to that subsection shall be deemed instead to be a reference to this subsection."

SEC. 7. (a) This section may be cited as the "State Taxation of Depositories Act".

Citation of title.

(b) The Congress finds that the national goals of fostering an efficient banking system and the free flow of commerce among the States will be furthered by clarifying the principles governing State taxation of interstate transactions of banks and other depositories. Application of taxes measured by income or receipts, or other "doing business" taxes, in States other than the States in which depositories have their principal offices should be deferred until such time as uniform and equitable methods are developed for determining jurisdiction to tax and for dividing the tax base among States.

(c) With respect to any taxable year or other taxable period beginning on or after the date of enactment of this section and before January 1, 1976, no State or political subdivision thereof may impose any tax measured by income or receipts or any other "doing business" tax on any insured depository not having its principal office within such State.

(e) (1) The Advisory Commission on Intergovernmental Relations shall make a study of all pertinent matters relating to the application of State "doing business" taxes on out-of-State commercial banks, mutual savings banks, and savings and loan associations. Such study shall include recommendations for legislation which will provide equitable State taxation of out-of-State commercial banks, mutual

savings banks, and savings and loan associations. Such recommendations shall include, but shall not be limited to, the matter of the proper allocation, apportionment, or other division of tax bases and such other matters relating to the question of multistate taxation of commercial banks, mutual savings banks, and savings and loan associations as the Commission shall determine to be pertinent. In conducting the study, the Commission shall consult with the Secretary of the Treasury, the Federal Reserve Board, the Federal Deposit Insurance Corporation, the Federal Home Loan Bank Board, appropriate State banking and taxing authorities, and others as needed.

Such delegation is effective at the end of the first period of sixty calendar days of continuous session of Congress after the date on which the plan for such delegation is transmitted to it: *Provided, however*, That within thirty days of such transmittal, the Secretary shall consult with the Committee on Labor and Public Welfare of the Senate and the Committee on Education and Labor of the House of Representatives respecting such proposed delegation. For the purposes of this section, continuity of session is broken only by an adjournment of Congress sine die, and the days on which either House is not in session because of an adjournment of more than three days to a day certain are excluded in the computation of the thirty-day and sixty-day periods.

TITLE I—NATIONAL VOLUNTEER ANTIPOVERTY PROGRAMS

PART A—VOLUNTEERS IN SERVICE TO AMERICA

STATEMENT OF PURPOSE

SEC. 101. This part provides for the Volunteers in Service to America (VISTA) program of full-time volunteer service, together with appropriate powers and responsibilities designed to assist in the development and coordination of such program. The purpose of this part is to strengthen and supplement efforts to eliminate poverty and poverty-related human, social, and environmental problems in the United States by encouraging and enabling persons from all walks of life and all age groups, including elderly and retired Americans, to perform meaningful and constructive volunteer service in agencies, institutions, and situations where the application of human talent and dedication may assist in the solution of poverty and poverty-related problems and secure and exploit opportunities for self-advancement by persons afflicted with such problems.

AUTHORITY TO OPERATE VISTA PROGRAM

SEC. 102. The Director may recruit, select, and train persons to serve in full-time volunteer programs consistent with the provisions and to carry out the purpose of this part.

ASSIGNMENT OF VOLUNTEERS

SEC. 103. (a) The Director, upon request of Federal, State, or local agencies, or private nonprofit organizations, may assign such volunteers to work in the several States in appropriate projects and programs—

(1) in meeting the health, education, welfare, or related needs of Indians living on reservations or Federal trust lands, of migratory and seasonal farmworkers and their families, and of residents of the District of Columbia, the Commonwealth of Puerto Rico, Guam, American Samoa, or the Virgin Islands;

(2) in the care and rehabilitation of mentally ill, developmentally disabled, and other handicapped individuals, especially those with severe handicaps, under the supervision of nonprofit institutions or facilities; and

(3) in connection with programs or activities authorized, supported, or of a character eligible for assistance under this Act or the Economic Opportunity Act of 1964, as amended (42 U.S.C. chapter 34) in furtherance of the purpose of this title.

(b) The Director, wherever feasible and appropriate, shall assign low-income community volunteers to serve in their home communities

in teams with nationally recruited specialist volunteers. Prior to the assignment of any such community volunteer, the Director shall insure that each such volunteer is provided an individual plan designed to provide an opportunity for job advancement or for transition to a situation leading to gainful employment. One hundred and twenty days prior to the completion of such community volunteer's term of service, the Director shall insure that such plan is updated and reviewed with the volunteer.

(c) Except as provided in subsection (d), the assignment of volunteers under this section shall be on such terms and conditions (including restrictions on political activities that appropriately recognize the special status of volunteers living among the persons or groups served by programs to which they have been assigned) as the Director may determine, including work assignments in their own or nearby communities.

(d) Volunteers under this part shall not be assigned to duties or work in any State unless such program has been submitted to the Governor or other chief executive officer of the State concerned, and has not been disapproved by him within forty-five days of such submission. The assignment of a volunteer shall be terminated by the Director when so requested by the Governor or chief executive officer of the State concerned not later than thirty days after such request has been made, or at a time after such request has been made as agreed upon by such Governor or chief executive officer of the State concerned and the Director.

Program, sub-
mittal to Governor.

TERMS AND PERIODS OF SERVICE

SEC. 104. (a) Volunteers serving under this part shall be required to make a full-time personal commitment to combating poverty and poverty-related human, social, and environmental problems. To the maximum extent practicable, this shall include a commitment to live among and at the economic level of the people served, and to remain available for service without regard to regular working hours, at all times during their periods of service, except for authorized periods of leave.

(b) Volunteers serving under this part may be enrolled for periods of service not exceeding two years, but for not less than one-year periods of service, except that volunteers serving under this part may be enrolled for periods of service of less than one year when the Director determines, on an individual basis, that a period of service of less than one year is necessary to meet a critical scarce-skill need. Volunteers serving under this part may be reenrolled for periods of service totaling not more than two years. No volunteer shall serve for more than a total of five years under this part.

Limitation.

(c) Volunteers under this part shall, upon enrollment, take the oath of office as prescribed in section 5(j) of the Peace Corps Act, as amended (22 U.S.C. 2504(j)), except that persons legally residing within a State but who are not citizens or nationals of the United States, may serve under this part without taking or subscribing to such oath, if the Director determines that the service of such persons will further the interests of the United States. Such persons shall take such alternative oath or affirmation as the Director shall deem appropriate.

75 Stat. 613.

Hearing opportunity.

(d) The Director shall establish a procedure, including notice and opportunity to be heard, for volunteers under this part to present and obtain resolution of grievances and to present their views in connection with the terms and conditions of their service. The Director shall promptly provide to each volunteer in service on the date of enactment of this Act, and to each such volunteer beginning service thereafter, information regarding such procedure and the terms and conditions of their service.

SUPPORT SERVICES

Stipends.

SEC. 105. (a) (1) The Director may provide a stipend to volunteers, while they are in training and during their assignments, enrolled for periods of service of not less than one year under this part, except that the Director may, on an individual basis, make an exception to provide a stipend to a volunteer enrolled under this part for an extended period of service not totaling one year. Such stipend shall not exceed \$50 per month during the volunteer's service, except that the Director may provide a stipend not to exceed \$75 per month in the case of persons who have served for at least one year and who, in accordance with standards established in regulations which the Director shall prescribe, have been designated volunteer leaders on the basis of experience and special skills and a demonstrated leadership among volunteers.

Limitation.

Payment.

(2) Stipends shall be payable only upon completion of a period of service, except that in extraordinary circumstances the Director may from time to time advance all or a portion of the accrued stipend to or on behalf of a volunteer. In the event of the death of a volunteer during service, the amount of any unpaid stipend shall be paid in accordance with the provisions of section 5582 of title 5, United States Code.

80 Stat. 495.

(b) The Director shall also provide volunteers such living, travel (including travel to and from places of training), and leave allowances, and such housing, supplies, equipment, subsistence, clothing, health and dental care, transportation, supervision, technical assistance, and such other support as he deems necessary and appropriate to carry out the purpose and provisions of this part, and shall insure that each such volunteer has available such allowances and support as will enable the volunteer to carry out the purpose and provisions of this part and to effectively perform the work to which such volunteer is assigned.

PARTICIPATION OF BENEFICIARIES

SEC. 106. To the maximum extent practicable, the people of the communities to be served by volunteers under this title shall participate in planning, developing, and implementing programs thereunder, and the Director, after consultation with sponsoring agencies (including volunteers assigned to them) and the people served by such agencies, shall take all necessary steps to establish, in regulations he shall prescribe, a continuing mechanism for the meaningful participation of such program beneficiaries.

PARTICIPATION OF OLDER PERSONS

SEC. 107. In carrying out this part and part C of this title, the Director shall take necessary steps, including the development of special projects, where appropriate, to encourage the fullest participation of older persons and older persons membership groups as volunteers and participant agencies in the various programs and activities authorized under such parts and, because of the high proportion of older persons within the poverty group, shall encourage the development of a variety of volunteer services to older persons, including special projects, to assure that such persons are served in proportion to their need.

Post, p. 400.

PART B—SERVICE-LEARNING PROGRAMS

STATEMENT OF PURPOSE

SEC. 111. This part provides for the University Year for ACTION (UYA) program of full-time volunteer service by students enrolled in institutions of higher education, together with appropriate powers and responsibilities designed to assist in the development and coordination of such programs. The purpose of this part is to strengthen and supplement efforts to eliminate poverty and poverty-related human, social, and environmental problems by enabling students at such cooperating institutions to perform meaningful and constructive volunteer service in connection with the satisfaction of such students' course work during their periods of service while attending such institutions, in agencies, institutions, and situations where the application of human talent and dedication may assist in the solution of poverty and poverty-related problems and secure and exploit opportunities for self-advancement by persons afflicted with such problems. Its purpose further is to encourage other students and faculty members to engage, on a part-time, self-supporting basis, in such volunteer service and work along with volunteers serving under this part; and to promote participation by such institutions in meeting the needs of the poor in the surrounding community through expansion of service-learning programs and otherwise. (c) (1) In making grants or contracts for the administration of UYA programs under this part, the Director shall insure that financial assistance under this Act to programs carried out pursuant to section 112 of this part shall not exceed 90 per centum of the total cost (including planning costs) of such program during the first year and such amounts less than 90 per centum as the Director, in consultation with the institution, may determine for not more than four additional years, including years in which support was received under title VIII of the Economic Opportunity Act of 1964, as amended (42 U.S.C. 2991-2994d). Each such grant or contract shall stipulate that the institution will make every effort to (A) assume an increasing proportion of the cost of continuing a program carrying out the purpose of this part while the institution receives support under this part; (B) waive or otherwise reduce tuition for participants in such program, where such waiver is not prohibited by law; (C) utilize students and faculty at such institution to carry out, on a self-supporting basis, appropriate planning for such programs; and (D) maintain similar service-learning programs after such institution no longer receives support under this part.

(2) The Director shall take necessary steps to monitor the extent of compliance by such institutions with commitments entered into under paragraph (1) of this subsection and shall advise the Secretary of Health, Education, and Welfare of the extent of each such institution's compliance.

AN ACT

To require loadlines on United States vessels engaged in foreign voyages and foreign vessels within the jurisdiction of the United States, and for other purposes.

International
Voyage Load Line
Act of 1973.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "International Voyage Load Line Act of 1973".

SEC. 2. The Secretary of the department in which the Coast Guard is operating (hereinafter referred to as "Secretary") shall enforce the provisions of this Act and prescribe regulations to carry out its provisions. With the consent of the Secretary of the Treasury, the Secretary may utilize officers of the Bureau of Customs to enforce this Act and the regulations established hereunder.

DEFINITIONS

SEC. 3. As used in this Act—

- (1) "new ship" means a vessel the keel of which is laid (or which is at a similar stage of construction) on or after July 21, 1968; and
- (2) "existing ship" means a vessel which is not a "new ship".

APPLICABILITY

SEC. 4. (a) This Act applies to vessels which—

- (1) arrive at any port or place within the jurisdiction of the United States from foreign ports;
- (2) make voyages between foreign ports (except foreign vessels engaged in such voyages); or
- (3) depart from any port or place within the jurisdiction of the United States for a foreign port.

(b) This Act does not apply to—

- (1) ships of war;
- (2) pleasure craft not used in trade or commerce;
- (3) fishing vessels;
- (4) existing ships of less than one hundred and fifty gross tons;
- (5) new ships of less than seventy-nine feet in length;
- (6) vessels which navigate exclusively on the Great Lakes; or
- (7) vessels operating on sheltered waters between ports of the United States and neighboring countries as provided in any treaty of the United States.

(c) A vessel which voluntarily obtains loadlines shall be treated as a vessel subject to this Act until its loadline certificate is surrendered and its loadline marks removed.

(d) This Act does not abrogate any provisions of treaties or conventions in effect, which are not in conflict with the International Convention on Loadlines, 1966, and to which the United States has acceded.

18 UST 1857.

DETERMINATION OF LOADLINES; ISSUANCE OF CERTIFICATE; PROHIBITION

SEC. 5. (a) The Secretary shall prescribe loadlines, the marking thereof, and associated condition surveys for vessels subject to this Act to indicate the minimum freeboard to which each may be safely loaded, giving due consideration to, and making differentials for the service, type, and character of each vessel, and in conformance with applicable international treaties or conventions to which the United States has acceded.

(b) Loadlines shall be permanently and conspicuously marked and maintained in the manner prescribed by the Secretary. Upon completion of survey requirements and a finding that the loadline is positioned and marked in the manner prescribed, the Secretary shall issue a loadline certificate, to the master or owner of the vessel, which shall be carried on board the vessel.

(c) A loadline shall not be established or marked which, in the judgment of the Secretary, authorizes less than the minimum safe freeboard. At the request of the owner a loadline may be established or marked to indicate a greater freeboard than that which the Secretary determines is the minimum safe freeboard; any such loadline shall be the prescribed loadline for purposes of section 9.

APPOINTMENT OF SURVEYORS; REVOCATION

SEC. 6. (a) The Secretary shall appoint the American Bureau of Shipping, or such other United States nonprofit corporations or associations for the survey or registry of shipping which he approves, to determine that a vessel's condition is satisfactory and whether its loadline is positioned and marked in the manner prescribed by the Secretary and thereupon to issue a loadline certificate.

(b) The Secretary may appoint for the purpose of this section:

(1) any officer of the United States, or

(2) at the request of a shipowner, any other corporation or association for the survey or registry of shipping which he approves.

(c) The Secretary may revoke an appointment under this section at any time.

EXEMPTIONS

SEC. 7. When a vessel subject to this Act is shown to be entitled to an exemption from the provisions of this Act by an international agreement to which the United States has acceded, a certificate of exemption shall be issued to the vessel, and carried in lieu of the certificate required by section 5 of this Act.

RECOGNITION; NONAPPLICABILITY

SEC. 8. (a) When it is found that the law and regulations in force in a foreign country relating to loadlines are equally effective as this Act and the regulations hereunder, or when a foreign country has acceded to an international loadline agreement to which the United States has acceded, the markings and certificate thereof of a vessel of the country shall be accepted as complying with the provisions of this Act and regulations hereunder. The control of such vessels shall be as provided in the applicable international agreement.

(b) Subsection (a) does not apply to vessels of foreign nations which do not similarly recognize the loadlines prescribed under this Act.

LOADING RESTRICTIONS; RECORDATION

SEC. 9. (a) No vessel subject to this Act may be so loaded as to submerge the prescribed loadline, or to submerge the point where an appropriate loadline under the Act and the prescribed regulations should be marked.

(b) The master of a vessel subject to this Act shall, after loading but before departing for a voyage by sea from any port or place in which this Act applies, record in the official logbook or other permanent record of the vessel a statement of the relative position of the prescribed loadline mark applicable at the time in question with respect to the water surface, and of the actual draft of the vessel, forward and aft, at the time, as nearly as they may be ascertained.

DETENTION OF VESSELS

SEC. 10. (a) When the Secretary has reason to believe that a vessel is about to leave a port in the United States or its possessions in violation of this Act or the regulations hereunder, the Secretary may, upon notifying the master or officer in charge of the vessel, order the vessel detained.

(b) Clearance required by section 4197 of the Revised Statutes, as amended (46 U.S.C. 91), shall be refused or withdrawn from any vessel so detained until correction of deficiencies.

Petition for
review.

(c) The master or officer in charge of a vessel may petition the Secretary, in a manner prescribed by regulation, to review the detention order.

Modification.

(d) Upon receipt of a petition, the Secretary may withdraw the detention order, modify it, or require independent surveys as may be necessary to determine the extent of deficiencies. Upon completion of his review, including results of any required independent surveys he shall affirm, set aside, or modify the detention order.

Costs, liability.

(e) The owner of a vessel is liable for any costs incident to a petition for review and any independent surveys if the vessel is found to be in violation of this Act or the regulations hereunder.

PENALTIES FOR VIOLATIONS

SEC. 11. (a) Except as otherwise provided in this section, the owner and the master of a vessel found in violation of this Act or the regulations thereunder, are each liable to a civil penalty of not more than \$1,000 for each day the vessel is in violation.

(b) Each person, if the owner, manager, agent, or master of a vessel who knowingly allows, causes, attempts to cause, or fails to take reasonable care to prevent the violation of subsection 9(a) of this Act or the regulations thereunder, is liable to a civil penalty of not more than \$1,000 plus an additional amount of not more than \$500 per inch of unlawful submergence.

(c) For any violation of subsection (b) of section 9 of this Act or the regulations thereunder, the master of the vessel is liable to a civil penalty of not more than \$500.

(d) Any person who knowingly causes or permits the departure of a vessel from any port or place within the jurisdiction of the United States or its possessions in violation of a detention order pursuant to section 10 of this Act, shall be fined not more than \$1,000 or imprisoned not more than one year, or both.

(e) Any person who causes or allows the concealment, removal, alteration, defacement, or obliteration of any mark placed on a vessel pursuant to section 5 of this Act and the regulations thereunder, except in the event of a lawful change or to escape enemy capture in time of war, shall be fined not more than \$2,000 or imprisoned not more than two years or both.

(f) For any penalty under this section the vessel is also liable.

(g) The Secretary may assess and collect any civil penalty incurred under this Act and, in his discretion, remit, mitigate, or compromise any penalty prior to referral to the Attorney General.

SEC. 12. Act, March 2, 1929 (C. 508, 45 Stat. 1493); Act, May 26, 1939 (C. 151, 53 Stat. 783); and section 1 of Act, August 31, 1962 (Public Law 87-620, 76 Stat. 415), are hereby repealed.

Auto-ferry service.

SEC. 5. Section 305(b) of the Rail Passenger Service Act of 1970 (45 U.S.C. 545(b)), relating to general powers of the Corporation, is amended by striking out the second sentence and inserting in lieu thereof the following: “In order to increase revenues and to better accomplish the purposes of this Act, the Corporation is authorized to modify its services to provide auto-ferry service as a part of the basic passenger services authorized by this Act, except that nothing contained in this Act shall prevent any other person, other than a railroad (except that for purposes of this section a person primarily engaged in auto-ferry service shall not be deemed to be a railroad), from providing such auto-ferry service over any route in accordance with a certificate issued by the Commission if—

“(1) the Commission finds that such auto-ferry service—

“(A) will not impair the ability of the Corporation to reduce its losses or to increase its revenues, and

“(B) is required to meet the demands of the public, or

“(2) such auto-ferry service is being performed by such person on the date of enactment of this paragraph under contracts entered into before October 30, 1970.

Nothing in this section shall be construed to restrict the right of a railroad that has not entered into a contract with the Corporation for the provision of rail passenger service from performing auto-ferry service over its own lines. The Corporation is authorized to acquire, lease, modify, or develop the equipment and facilities required for the efficient provision of mail, express, and auto-ferry service, or to enter into contracts for the provision of such service."

Ante, p. 549.

Elderly or
handicapped
individuals.

SEC. 6. Section 305 of the Rail Passenger Service Act of 1970 (45 U.S.C. 545), relating to general powers of the Corporation, is amended by adding at the end thereof the following new subsections:

"(c) The Corporation is authorized to take all steps necessary to insure that no elderly or handicapped individual is denied intercity transportation on any passenger train operated by or on behalf of the Corporation, including but not limited to, acquiring special equipment and devices and conducting special training for employees; designing and acquiring new equipment and facilities and eliminating architectural and other barriers in existing equipment and facilities to comply with the highest standards for the design, construction, and alteration of property for the accommodation of elderly and handicapped individuals; and providing special assistance while boarding and alighting and in terminal areas to elderly and handicapped individuals.

Acquisition of
property.

"(d) (1) The Corporation is authorized, to the extent financial resources are available, to acquire any right-of-way, land, or other property (except right-of-way, land, or other property of a railroad or property of a State or political subdivision thereof or of any other governmental agency), which is required for the construction of tracks or other facilities necessary to provide intercity rail passenger service, by the exercise of the right of eminent domain, in accordance with the provisions of this subsection, in the district court of the United States in which such property is located or in any such court if a single piece of property is located in more than one judicial district: *Provided*, That such right may only be exercised when the Corporation cannot acquire such property by contract or is unable to agree with the owner as to the amount of compensation to be paid.

"(2) The Corporation shall file with the complaint, or at any time before judgment, a declaration of taking containing or having annexed thereto—

"(A) a statement of the public use for which the property is taken;

"(B) a description of the property taken sufficient for the identification thereof;

"(C) a statement of the estate or interest in the property taken;

"(D) a plan showing the property taken; and

"(E) a statement of the amount of money estimated by the Corporation to be just compensation for the property taken.

Compensation
for property.

"(3) Upon the filing of the declaration of taking and the depositing in the court of the amount of money estimated in such declaration to be just compensation for the property, the property shall be deemed to be condemned and taken for the use of the Corporation. Title to such property shall thereupon vest in the Corporation in fee simple absolute or in any lesser estate or interest specified in the declaration of taking, and the right to the money deposited as estimated just compensation shall immediately vest in the persons entitled thereto. The court, after a hearing, shall make a finding as to the amount of money which constitutes just compensation for such property and shall make an award and enter judgment accordingly. Such judgment shall include, as part of the just compensation awarded, interest on the

amount finally awarded as the value of the property on the date of taking minus the amount deposited in the court on such date, at the rate of 6 per centum per annum from the date of taking to the date of payment.

“(4) Upon the application of the parties in interest, the court may order that the money deposited in the court, or any part thereof, be paid forthwith for or on account of the just compensation to be awarded in the proceeding. If the compensation finally awarded exceeds the amount of the money received by any person entitled to compensation, the court shall enter judgment against the Corporation for the amount of the deficiency.

“(5) Upon the filing of a declaration of taking, the court may fix the time within which, and the terms upon which, the parties in possession are required to surrender possession to the Corporation. The court may make such orders in respect to encumbrances, liens, rents, taxes, assessments, insurance, and other charges, if any, as shall be just and equitable.

“(e) The Corporation is authorized to take all steps necessary to—

“(1) establish improved reservations systems and advertising;

“(2) service, maintain, repair, and rehabilitate railroad passenger equipment;

“(3) conduct research and development and demonstration programs respecting new rail passenger services;

“(4) develop and demonstrate improved rolling stock;

“(5) establish and maintain essential fixed facilities for the operation of passenger trains on lines and routes included in the basic system, over which no through passenger trains are being operated at the time of enactment of this Act, including necessary track connections between lines on the same or different railroads;

“(6) purchase or lease railroad rolling stock;

“(7) develop and operate international intercity rail passenger service between points within the United States and points in Canada and Mexico, including Montreal, Canada; Vancouver, Canada; and Nuevo Laredo, Mexico (for purposes of section 404(b) of this Act, such international rail passenger service is service included within the basic system); and

“(8) to carry out other corporate purposes.”.

SEC. 7. Section 306 of the Rail Passenger Service Act of 1970 (45 U.S.C. 546), relating to the applicability of the Interstate Commerce Act and other laws, is amended by adding at the end thereof the following new subsection:

“(h) No common carrier by railroad may refuse to participate with the Corporation in providing auto-ferry service on the grounds that a State or local law or regulation makes the service unlawful; and neither the Corporation nor such railroad shall be subject to any fine, penalty, or other sanction for violation of a State or local law or regulation which has the effect of prohibiting or impairing the provision of auto-ferry service.”.

SEC. 8. Section 308(b) of the Rail Passenger Service Act of 1970 (45 U.S.C. 548(b)), relating to reports to the Congress, is amended by striking out “January 15” and inserting in lieu thereof “February 15”.

SEC. 10. Section 402 of the Rail Passenger Service Act of 1970 (45 U.S.C. 562), relating to facility and service agreements, is amended—

(1) by inserting immediately after the second sentence of subsection (a) the following new sentence: "In fixing just and reasonable compensation for the provision of services ordered by the Commission under the preceding sentence, the Commission shall, in fixing compensation in excess of incremental costs, consider quality of service as a major factor in determining the amount (if any) of such compensation."; and

(2) by adding at the end thereof the following new subsections:

"(d) (1) If the Corporation and a railroad are unable to agree upon terms for the sale to the Corporation of property (including interests in property) owned by the railroad and required for the construction of tracks or other facilities necessary to provide intercity rail passenger service, the Corporation may apply to the Commission for an order establishing the need of the Corporation for the property at issue and requiring the conveyance thereof from the railroad to the Corporation on reasonable terms and conditions, including just compensation. Unless the Commission finds that—

"(A) conveyance of the property to the Corporation would significantly impair the ability of the railroad to carry out its obligations as a common carrier; and

"(B) the obligations of the Corporation to provide modern, efficient, and economical rail passenger service can adequately be met by the acquisition of alternative property (including interests in property) which is available for sale on reasonable terms to the Corporation, or available to the Corporation by the exercise of its authority under section 305(d) of this Act;

the need of the Corporation for the property shall be deemed to be established and the Commission shall order the conveyance of the property to the Corporation on such reasonable terms and conditions as it may prescribe, including just compensation.

"(2) The Commission shall expedite proceedings under this subsection and, in any event, issue its order within one hundred and twenty days from receipt of the application from the Corporation. If just compensation has not been determined on the date of the order, the order shall require, as part of just compensation, interest at the rate of 6 per centum per annum from the date prescribed for conveyance until just compensation is paid.

"(e) (1) Except in an emergency, intercity passenger trains operated by or on behalf of the Corporation shall be accorded preference over freight trains in the use of any given line of track, junction, or crossing, unless the Secretary has issued an order to the contrary in accordance with paragraph (2) of this subsection.

"(2) Any railroad whose rights with regard to freight train operation are affected by paragraph (1) of this subsection may file an application with the Secretary requesting appropriate relief. If, after hearing under section 553 of title 5 of the United States Code, the Secretary finds that adherence to such paragraph (1) will materially lessen the quality of freight service provided to shippers, the Secretary shall issue an order fixing rights of trains, on such terms and conditions as are just and reasonable.

"(f) If, upon request of the Corporation, a railroad refuses to permit accelerated speeds by trains operated by or on behalf of the Corporation, the Corporation may apply to the Secretary for an order requiring the railroad to permit such accelerated speeds. The Secretary shall make findings as to whether such accelerated speeds are unsafe or otherwise impracticable, and with respect to the nature and extent

of improvements to track, signal systems, and other facilities that would be required to make such accelerated speeds safe and practicable. After hearing, the Secretary shall issue an order fixing maximum permissible speeds of Corporation trains, on such terms and conditions as he shall find to be just and reasonable.”.

SEC. 11. (a) Section 403 of the Rail Passenger Service Act of 1970 (45 U.S.C. 563), relating to new service, is amended by adding at the end thereof the following new subsection:

Experimental
routes.
84 Stat. 1335.

“(d) The Corporation shall initiate not less than one experimental route each year, such route to be designated by the Secretary, and shall operate such route for not less than two years. After such two-year period, the Secretary shall terminate such route if he finds that it has attracted insufficient patronage to serve the public convenience and necessity, or he may designate such route as a part of the basic system.”.

(b) Section 404(b) of the Rail Passenger Service Act of 1970 (45 U.S.C. 564(b)), relating to discontinuance of service, is amended—

Discontinuance
of service.

(1) by striking out “July 1, 1973” in paragraph (1) and inserting in lieu thereof “July 1, 1974”;

(2) by amending paragraph (2) to read as follows:

“(2) Except as otherwise provided in this paragraph and in section 403(a) of this Act, service beyond that prescribed for the basic system undertaken by the Corporation upon its own initiative may be discontinued at any time. No such service undertaken by the Corporation on or after January 1, 1973, shall be discontinued until the expiration of the one-year period beginning on the date of enactment of this sentence.”; and

86 Stat. 229.

(3) by striking out “July 1, 1973” in paragraph (3) and inserting in lieu thereof “July 1, 1974”.

SEC. 12. Section 601 of the Rail Passenger Service Act of 1970 (45 U.S.C. 601), relating to Federal grants, is amended to read as follows:

“SEC. 601. AUTHORIZATION FOR APPROPRIATIONS.

“(a) There are authorized to be appropriated to the Secretary for the benefit of the Corporation in fiscal year 1971, \$40,000,000, and in subsequent fiscal years a total of \$334,300,000. Funds appropriated pursuant to such authorization shall be made available to the Secretary during the fiscal year for which appropriated and shall remain available until expended. Such sums shall be paid by the Secretary to the Corporation for expenditure by it in accordance with spending plans approved by Congress at the time of appropriation and general guidelines established annually by the Secretary.

“(b) (1) Whenever the Corporation submits any budget estimate or request to the President, the Department of Transportation, or the Office of Management and Budget, it shall concurrently transmit a copy of that estimate or request to the Congress.

“(2) Whenever the Corporation submits any legislative recommendation, proposed testimony, or comments on legislation to the President, the Department of Transportation, or the Office of Management and Budget, it shall concurrently transmit a copy thereof to the Congress. No officer or agency of the United States shall have any authority to require the Corporation to submit its legislative recommendations, proposed testimony, or comments on legislation to any officer or agency of the United States for approval, comments, or review, prior to the submission of such recommendations, testimony, or comments to the Congress.”.

SEC. 13. Section 602 of the Rail Passenger Service Act of 1970 (45 U.S.C. 602), relating to guarantee of loans, is amended—

Loan guaran-
tees.

(1) by inserting “and with the approval of the Secretary of the Treasury,” immediately after “prescribe,” in subsection (a);

(2) by amending the first sentence of subsection (d) to read as follows: "The aggregate unpaid principal amount of securities, obligations, or loans outstanding at any one time, which are guaranteed by the Secretary under this section, may not exceed \$500,000,000."; and

(3) by adding at the end thereof the following new subsection:

"(g) Notwithstanding any other provision of this Act, a guarantee may not be made of any security, obligation, or loan, if the nature of such security, obligation, or loan is such that the income therefrom is not includable in gross income for the purposes of chapter 1 of the Internal Revenue Code of 1954."

JOINT RESOLUTION

Concerning the war powers of Congress and the President.

November 7, 1973

[H. J. Res. 542]

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled,

War Powers
Resolution.

SHORT TITLE

SECTION 1. This joint resolution may be cited as the “War Powers Resolution”.

PURPOSE AND POLICY

SEC. 2. (a) It is the purpose of this joint resolution to fulfill the intent of the framers of the Constitution of the United States and insure that the collective judgment of both the Congress and the President will apply to the introduction of United States Armed Forces into hostilities, or into situations where imminent involvement in hostilities is clearly indicated by the circumstances, and to the continued use of such forces in hostilities or in such situations.

(b) Under article I, section 8, of the Constitution, it is specifically provided that the Congress shall have the power to make all laws necessary and proper for carrying into execution, not only its own powers but also all other powers vested by the Constitution in the Government of the United States, or in any department or officer thereof.

USC prec.
title 1.

(c) The constitutional powers of the President as Commander-in-Chief to introduce United States Armed Forces into hostilities, or into situations where imminent involvement in hostilities is clearly indicated by the circumstances, are exercised only pursuant to (1) a declaration of war, (2) specific statutory authorization, or (3) a national emergency created by attack upon the United States, its territories or possessions, or its armed forces.

CONSULTATION

SEC. 3. The President in every possible instance shall consult with Congress before introducing United States Armed Forces into hostilities or into situations where imminent involvement in hostilities is clearly indicated by the circumstances, and after every such introduction shall consult regularly with the Congress until United States Armed Forces are no longer engaged in hostilities or have been removed from such situations.

REPORTING

SEC. 4. (a) In the absence of a declaration of war, in any case in which United States Armed Forces are introduced—

(1) into hostilities or into situations where imminent involvement in hostilities is clearly indicated by the circumstances;

(2) into the territory, airspace or waters of a foreign nation, while equipped for combat, except for deployments which relate solely to supply, replacement, repair, or training of such forces; or

(3) in numbers which substantially enlarge United States Armed Forces equipped for combat already located in a foreign nation;

the President shall submit within 48 hours to the Speaker of the House of Representatives and to the President pro tempore of the Senate a report, in writing, setting forth—

(A) the circumstances necessitating the introduction of United States Armed Forces;

(B) the constitutional and legislative authority under which such introduction took place; and

(C) the estimated scope and duration of the hostilities or involvement.

(b) The President shall provide such other information as the Congress may request in the fulfillment of its constitutional responsibilities with respect to committing the Nation to war and to the use of United States Armed Forces abroad.

(c) Whenever United States Armed Forces are introduced into hostilities or into any situation described in subsection (a) of this section, the President shall, so long as such armed forces continue to be engaged in such hostilities or situation, report to the Congress periodically on the status of such hostilities or situation as well as on the scope and duration of such hostilities or situation, but in no event shall he report to the Congress less often than once every six months.

CONGRESSIONAL ACTION

SEC. 5. (a) Each report submitted pursuant to section 4(a)(1) shall be transmitted to the Speaker of the House of Representatives and to the President pro tempore of the Senate on the same calendar day. Each report so transmitted shall be referred to the Committee on Foreign Affairs of the House of Representatives and to the Committee on Foreign Relations of the Senate for appropriate action. If, when the report is transmitted, the Congress has adjourned sine die or has adjourned for any period in excess of three calendar days, the Speaker of the House of Representatives and the President pro tempore of the Senate, if they deem it advisable (or if petitioned by at least 30 per cent of the membership of their respective Houses) shall jointly request the President to convene Congress in order that it may consider the report and take appropriate action pursuant to this section.

(b) Within sixty calendar days after a report is submitted or is required to be submitted pursuant to section 4(a)(1), whichever is earlier, the President shall terminate any use of United States Armed Forces with respect to which such report was submitted (or required to be submitted), unless the Congress (1) has declared war or has enacted a specific authorization for such use of United States Armed Forces, (2) has extended by law such sixty-day period, or (3) is physically unable to meet as a result of an armed attack upon the United States. Such sixty-day period shall be extended for not more than an additional thirty days if the President determines and certifies to the Congress in writing that unavoidable military necessity respecting the safety of United States Armed Forces requires the continued use of such armed forces in the course of bringing about a prompt removal of such forces.

(c) Notwithstanding subsection (b), at any time that United States Armed Forces are engaged in hostilities outside the territory of the United States, its possessions and territories without a declaration of

war or specific statutory authorization, such forces shall be removed by the President if the Congress so directs by concurrent resolution.

CONGRESSIONAL PRIORITY PROCEDURES FOR JOINT RESOLUTION OR BILL

SEC. 6. (a) Any joint resolution or bill introduced pursuant to section 5(b) at least thirty calendar days before the expiration of the sixty-day period specified in such section shall be referred to the Committee on Foreign Affairs of the House of Representatives or the Committee on Foreign Relations of the Senate, as the case may be, and such committee shall report one such joint resolution or bill, together with its recommendations, not later than twenty-four calendar days before the expiration of the sixty-day period specified in such section, unless such House shall otherwise determine by the yeas and nays.

(b) Any joint resolution or bill so reported shall become the pending business of the House in question (in the case of the Senate the time for debate shall be equally divided between the proponents and the opponents), and shall be voted on within three calendar days thereafter, unless such House shall otherwise determine by yeas and nays.

(c) Such a joint resolution or bill passed by one House shall be referred to the committee of the other House named in subsection (a) and shall be reported out not later than fourteen calendar days before the expiration of the sixty-day period specified in section 5(b). The joint resolution or bill so reported shall become the pending business of the House in question and shall be voted on within three calendar days after it has been reported, unless such House shall otherwise determine by yeas and nays.

(d) In the case of any disagreement between the two Houses of Congress with respect to a joint resolution or bill passed by both Houses, conferees shall be promptly appointed and the committee of conference shall make and file a report with respect to such resolution or bill not later than four calendar days before the expiration of the sixty-day period specified in section 5(b). In the event the conferees are unable to agree within 48 hours, they shall report back to their respective Houses in disagreement. Notwithstanding any rule in either House concerning the printing of conference reports in the Record or concerning any delay in the consideration of such reports, such report shall be acted on by both Houses not later than the expiration of such sixty-day period.

CONGRESSIONAL PRIORITY PROCEDURES FOR CONCURRENT RESOLUTION

SEC. 7. (a) Any concurrent resolution introduced pursuant to section 5(c) shall be referred to the Committee on Foreign Affairs of the House of Representatives or the Committee on Foreign Relations of the Senate, as the case may be, and one such concurrent resolution shall be reported out by such committee together with its recommendations within fifteen calendar days, unless such House shall otherwise determine by the yeas and nays.

(b) Any concurrent resolution so reported shall become the pending business of the House in question (in the case of the Senate the time for debate shall be equally divided between the proponents and the opponents) and shall be voted on within three calendar days thereafter, unless such House shall otherwise determine by yeas and nays.

(c) Such a concurrent resolution passed by one House shall be referred to the committee of the other House named in subsection (a) and shall be reported out by such committee together with its recommendations within fifteen calendar days and shall thereupon become the pending business of such House and shall be voted upon within

three calendar days, unless such House shall otherwise determine by yeas and nays.

(d) In the case of any disagreement between the two Houses of Congress with respect to a concurrent resolution passed by both Houses, conferees shall be promptly appointed and the committee of conference shall make and file a report with respect to such concurrent resolution within six calendar days after the legislation is referred to the committee of conference. Notwithstanding any rule in either House concerning the printing of conference reports in the Record or concerning any delay in the consideration of such reports, such report shall be acted on by both Houses not later than six calendar days after the conference report is filed. In the event the conferees are unable to agree within 48 hours, they shall report back to their respective Houses in disagreement.

INTERPRETATION OF JOINT RESOLUTION

SEC. 8. (a) Authority to introduce United States Armed Forces into hostilities or into situations wherein involvement in hostilities is clearly indicated by the circumstances shall not be inferred—

(1) from any provision of law (whether or not in effect before the date of the enactment of this joint resolution), including any provision contained in any appropriation Act, unless such provision specifically authorizes the introduction of United States Armed Forces into hostilities or into such situations and states that it is intended to constitute specific statutory authorization within the meaning of this joint resolution; or

(2) from any treaty heretofore or hereafter ratified unless such treaty is implemented by legislation specifically authorizing the introduction of United States Armed Forces into hostilities or into such situations and stating that it is intended to constitute specific statutory authorization within the meaning of this joint resolution.

(b) Nothing in this joint resolution shall be construed to require any further specific statutory authorization to permit members of United States Armed Forces to participate jointly with members of the armed forces of one or more foreign countries in the headquarters operations of high-level military commands which were established prior to the date of enactment of this joint resolution and pursuant to the United Nations Charter or any treaty ratified by the United States prior to such date.

(c) For purposes of this joint resolution, the term "introduction of United States Armed Forces" includes the assignment of members of such armed forces to command, coordinate, participate in the movement of, or accompany the regular or irregular military forces of any foreign country or government when such military forces are engaged, or there exists an imminent threat that such forces will become engaged, in hostilities.

(d) Nothing in this joint resolution—

(1) is intended to alter the constitutional authority of the Congress or of the President, or the provisions of existing treaties; or

(2) shall be construed as granting any authority to the President with respect to the introduction of United States Armed Forces into hostilities or into situations wherein involvement in hostilities is clearly indicated by the circumstances which authority he would not have had in the absence of this joint resolution.

SPECIAL ASSISTANCE FUNDS

SEC. 3. (a) Section 11 of the National School Lunch Act is amended by redesignating subsections (g) and (h) as subsections (d) and (e), respectively, and by striking out subsections (a), (b), (c), (d), (e), and (f), and inserting in lieu thereof the following:

“(a) Except as provided in section 10 of this Act, in each fiscal year each State educational agency shall receive special-assistance payments in an amount equal to the sum of the product obtained by multiplying the number of lunches (consisting of a combination of foods which meet the minimum nutritional requirements prescribed by the Secretary pursuant to subsection 9(a) of this Act) served free to children eligible for such lunches in schools within that State during such fiscal year by the special-assistance factor for free lunches prescribed by the Secretary for such fiscal year and the product obtained by multiplying the number of lunches served at a reduced price to children eligible for such reduced-price lunches in schools within that State during such fiscal year by the special-assistance factor for reduced-price lunches prescribed by the Secretary for such fiscal year. For the fiscal year beginning July 1, 1973, the Secretary shall prescribe a special-assistance factor for free lunches of not less than 45 cents and a special-assistance factor for reduced-price lunches which shall be 10 cents less than the special-assistance factor for free lunches. Notwithstanding the foregoing two sentences, (1) for the fiscal year beginning July 1, 1973, no special assistance factor under this section 11 shall, for any State, be less than the average reimbursement paid for each free lunch (in the case of the special assistance factor for free lunches), or for each reduced price lunch (in the case of the special assistance factor for reduced price lunches), in such State under this section in the fiscal year beginning July 1, 1972; and (2) adjustments required by the sentence immediately preceding this sentence shall be based on the special assistance factors for the fiscal year beginning July 1, 1973, as determined without regard to any increase required by the application of this sentence.

“(c) (1) Where the surface of all of the Federal lands involved in a proposed right-of-way or permit is under the jurisdiction of one Federal agency, the agency head, rather than the Secretary, is authorized to grant or renew the right-of-way or permit for the purposes set forth in this section.

“(2) Where the surface of the Federal lands involved is administered by the Secretary or by two or more Federal agencies, the Secretary is authorized, after consultation with the agencies involved, to grant or renew rights-of-way or permits through the Federal lands involved. The Secretary may enter into interagency agreements with all other Federal agencies having jurisdiction over Federal lands for the purpose of avoiding duplication, assigning responsibility, expediting review of rights-of-way or permit applications, issuing joint regulations, and assuring a decision based upon a comprehensive review of all factors involved in any right-of-way or permit application. Each agency head shall administer and enforce the provisions of this section, appropriate regulations, and the terms and conditions of rights-of-way or permits insofar as they involve Federal lands under the agency head’s jurisdiction.

“Width Limitations

“(d) The width of a right-of-way shall not exceed fifty feet plus the ground occupied by the pipeline (that is, the pipe and its related facilities) unless the Secretary or agency head finds, and records the reasons for his finding, that in his judgment a wider right-of-way is necessary for operation and maintenance after construction, or to protect the environment or public safety. Related facilities include but are not limited to valves, pump stations, supporting structures, bridges, monitoring and communication devices, surge and storage tanks, terminals, roads, airstrips and campsites, and they need not necessarily be connected or contiguous to the pipe and may be the subjects of separate rights-of-way.

“Temporary Permits

“(e) A right-of-way may be supplemented by such temporary permits for the use of Federal lands in the vicinity of the pipeline as the Secretary or agency head finds are necessary in connection with construction, operation, maintenance, or termination of the pipeline, or to protect the natural environment or public safety.

“Regulatory Authority

“(f) Rights-of-way or permits granted or renewed pursuant to this section shall be subject to regulations promulgated in accord with the provisions of this section and shall be subject to such terms and conditions as the Secretary or agency head may prescribe regarding extent, duration, survey, location, construction, operation, maintenance, use, and termination.

“Pipeline Safety

“(g) The Secretary or agency head shall impose requirements for the operation of the pipeline and related facilities in a manner that will protect the safety of workers and protect the public from sudden ruptures and slow degradation of the pipeline.

“Environmental Protection

“(h) (1) Nothing in this section shall be construed to amend, repeal, modify, or change in any way the requirements of section 102(2)(C) or any other provision of the National Environmental Policy Act of 1969 (Public Law 91-190, 83 Stat. 852).

“(2) The Secretary or agency head, prior to granting a right-of-way or permit pursuant to this section for a new project which may have a significant impact on the environment, shall require the applicant to submit a plan of construction, operation, and rehabilitation for such right-of-way or permit which shall comply with this section. The Secretary or agency head shall issue regulations or impose stipulations which shall include, but shall not be limited to: (A) requirements for restoration, revegetation, and curtailment of erosion of the surface of the land; (B) requirements to insure that activities in connection with the right-of-way or permit will not violate applicable air and water quality standards nor related facility siting standards established by or pursuant to law; (C) requirements designed to control or prevent (i) damage to the environment (including damage to fish and wildlife habitat), (ii) damage to public or private property, and (iii) hazards to public health and safety; and (D) requirements to protect the interests of individuals living in the general area of the right-of-way or permit who rely on the fish, wildlife, and biotic resources of the area for subsistence purposes. Such regulations shall be applicable to every right-of-way or permit granted pursuant to this section, and may be made applicable by the Secretary or agency head to existing rights-of-way or permits, or rights-of-way or permits to be renewed pursuant to this section.

“Disclosure

“(i) If the applicant is a partnership, corporation, association, or other business entity, the Secretary or agency head shall require the applicant to disclose the identity of the participants in the entity. Such disclosure shall include where applicable (1) the name and address of each partner, (2) the name and address of each shareholder owning 3 per centum or more of the shares, together with the number and percentage of any class of voting shares of the entity which such shareholder is authorized to vote, and (3) the name and address of each affiliate of the entity together with, in the case of an affiliate controlled by the entity, the number of shares and the percentage of any class of voting stock of that affiliate owned, directly or indirectly, by that entity, and, in the case of an affiliate which controls that entity, the number of shares and the percentage of any class of voting stock of that entity owned, directly or indirectly, by the affiliate.

“Technical and Financial Capability

“(j) The Secretary or agency head shall grant or renew a right-of-way or permit under this section only when he is satisfied that the applicant has the technical and financial capability to construct, operate, maintain, and terminate the project for which the right-of-way or permit is requested in accordance with the requirements of this section.

“Public Hearings

“(k) The Secretary or agency head by regulation shall establish procedures, including public hearings where appropriate, to give Federal, State, and local government agencies and the public adequate notice and an opportunity to comment upon right-of-way applications filed after the date of enactment of this subsection.

“Reimbursement of Costs

“(l) The applicant for a right-of-way or permit shall reimburse the United States for administrative and other costs incurred in processing the application, and the holder of a right-of-way or permit shall reimburse the United States for the costs incurred in monitoring the construction, operation, maintenance, and termination of any pipeline and related facilities on such right-of-way or permit area and shall pay annually in advance the fair market rental value of the right-of-way or permit, as determined by the Secretary or agency head.

“Bonding

“(m) Where he deems it appropriate the Secretary or agency head may require a holder of a right-of-way or permit to furnish a bond, or other security, satisfactory to the Secretary or agency head to secure all or any of the obligations imposed by the terms and conditions of the right-of-way or permit or by any rule or regulation of the Secretary or agency head.

“Duration of Grant

“(n) Each right-of-way or permit granted or renewed pursuant to this section shall be limited to a reasonable term in light of all circumstances concerning the project, but in no event more than thirty years. In determining the duration of a right-of-way the Secretary or agency head shall, among other things, take into consideration the cost of the facility, its useful life, and any public purpose it serves. The Secretary or agency head shall renew any right-of-way, in accordance with the provisions of this section, so long as the project is in commercial operation and is operated and maintained in accordance with all of the provisions of this section.

“Suspension or Termination of Right-of-Way

“(o) (1) Abandonment of a right-of-way or noncompliance with any provision of this section may be grounds for suspension or termination of the right-of-way if (A) after due notice to the holder of the right-of-way, (B) a reasonable opportunity to comply with this section, and (C) an appropriate administrative proceeding pursuant to title 5, United States Code, section 554, the Secretary or agency head determines that any such ground exists and that suspension or termination is justified. No administrative proceeding shall be required where the right-of-way by its terms provides that it terminates on the occurrence of a fixed or agreed upon condition, event, or time.

“(2) If the Secretary or agency head determines that an immediate temporary suspension of activities within a right-of-way or permit area is necessary to protect public health or safety or the environment, he may abate such activities prior to an administrative proceeding.

“(3) Deliberate failure of the holder to use the right-of-way for the purpose for which it was granted or renewed for any continuous two-year period shall constitute a rebuttable presumption of abandonment of the right-of-way: *Provided*, That where the failure to use the right-of-way is due to circumstances not within the holder's control the Secretary or agency head is not required to commence proceedings to suspend or terminate the right-of-way.

“Joint Use of Rights-of-Way

“(p) In order to minimize adverse environmental impacts and the proliferation of separate rights-of-way across Federal lands, the utilization of rights-of-way in common shall be required to the extent practical, and each right-of-way or permit shall reserve to the Secretary or agency head the right to grant additional rights-of-way or permits for compatible uses on or adjacent to rights-of-way or permit area granted pursuant to this section.

“Statutes

“(q) No rights-of-way for the purposes provided for in this section shall be granted or renewed across Federal lands except under and subject to the provisions, limitations, and conditions of this section. Any application for a right-of-way filed under any other law prior to the effective date of this provision may, at the applicant's option, be considered as an application under this section. The Secretary or agency head may require the applicant to submit any additional information he deems necessary to comply with the requirements of this section.

"Common Carriers

"(r) (1) Pipelines and related facilities authorized under this section shall be constructed, operated, and maintained as common carriers.

"(2) (A) The owners or operators of pipelines subject to this section shall accept, convey, transport, or purchase without discrimination all oil or gas delivered to the pipeline without regard to whether such oil or gas was produced on Federal or non-Federal lands.

"(B) In the case of oil or gas produced from Federal lands or from the resources on the Federal lands in the vicinity of the pipeline, the Secretary may, after a full hearing with due notice thereof to the interested parties and a proper finding of facts, determine the proportionate amounts to be accepted, conveyed, transported or purchased.

"(B) Where natural gas not subject to State regulatory or conservation laws governing its purchase by pipelines is offered for sale, each such pipeline shall purchase, without discrimination, any such natural gas produced in the vicinity of the pipeline.

"(4) The Government shall in express terms reserve and shall provide in every lease of oil lands under this Act that the lessee, assignee, or beneficiary, if owner or operator of a controlling interest in any pipeline or of any company operating the pipeline which may be operated accessible to the oil derived from lands under such lease, shall at reasonable rates and without discrimination accept and convey the oil of the Government or of any citizen or company not the owner of any pipeline operating a lease or purchasing gas or oil under the provisions of this Act.

"(5) Whenever the Secretary has reason to believe that any owner or operator subject to this section is not operating any oil or gas pipeline in complete accord with its obligations as a common carrier hereunder, he may request the Attorney General to prosecute an appropriate proceeding before the Interstate Commerce Commission or Federal Power Commission or any appropriate State agency or the United States district court for the district in which the pipeline or any part thereof is located, to enforce such obligation or to impose any penalty provided therefor, or the Secretary may, by proceeding as provided in this section, suspend or terminate the said grant of right-of-way for noncompliance with the provisions of this section.

Such information may include, but is not limited to: (A) conditions for, and agreements among owners or operators, regarding the addition of pumping facilities, looping, or otherwise increasing the pipeline or terminal's throughput capacity in response to actual or anticipated increases in demand; (B) conditions for adding or abandoning intake, offtake, or storage points or facilities; and (C) minimum shipment or purchase tenders.

“Existing Rights-of-Way

“(t) The Secretary or agency head may ratify and confirm any right-of-way or permit for an oil or gas pipeline or related facility that was granted under any provision of law before the effective date of this subsection, if it is modified by mutual agreement to comply to the extent practical with the provisions of this section. Any action taken by the Secretary or agency head pursuant to this subsection shall not be considered a major Federal action requiring a detailed statement pursuant to section 102(2)(C) of the National Environmental Policy Act of 1970 (Public Law 90-190; 42 U.S.C. 4321).

If the Congress within this time period passes a concurrent resolution of disapproval stating disagreement with the President's finding concerning the national interest, further exports made pursuant to the aforementioned Presidential findings shall cease.

“(2) The Secretary or agency head shall notify the House and Senate Committees on Interior and Insular Affairs promptly upon receipt of an application for a right-of-way for a pipeline twenty-four inches or more in diameter, and no right-of-way for such a pipeline shall be granted until sixty days (not counting days on which the House of Representatives or the Senate has adjourned for more than three days) after a notice of intention to grant the right-of-way, together with the Secretary's or agency head's detailed findings as to terms and conditions he proposes to impose, has been submitted to such committees, unless each committee by resolution waives the waiting period.

“(3) Periodically, but at least once a year, the Secretary of the Department of Transportation shall cause the examination of all pipelines and associated facilities on Federal lands and shall cause the prompt reporting of any potential leaks or safety problems.

“(4) The Secretary of the Department of Transportation shall report annually to the President, the Congress, the Secretary of the Interior, and the Interstate Commerce Commission any potential dangers of or actual explosions, or potential or actual spillage on Federal lands and shall include in such report a statement of corrective action taken to prevent such explosion or spillage.

TITLE II

SHORT TITLE

Citation of title. SEC. 201. This title may be cited as the “Trans-Alaska Pipeline Authorization Act”.

CONGRESSIONAL FINDINGS

SEC. 202. The Congress finds and declares that :

(a) The early development and delivery of oil and gas from Alaska's North Slope to domestic markets is in the national interest because of growing domestic shortages and increasing dependence upon insecure foreign sources.

(b) The Department of the Interior and other Federal agencies, have, over a long period of time, conducted extensive studies of the technical aspects and of the environmental, social, and economic impacts of the proposed trans-Alaska oil pipeline, including consideration of a trans-Canada pipeline.

(c) The earliest possible construction of a trans-Alaska oil pipeline from the North Slope of Alaska to Port Valdez in that State will make the extensive proven and potential reserves of low-sulfur oil available for domestic use and will best serve the national interest.

(d) A supplemental pipeline to connect the North Slope with a trans-Canada pipeline may be needed later and it should be studied now, but it should not be regarded as an alternative for a trans-Alaska pipeline that does not traverse a foreign country.

CONGRESSIONAL AUTHORIZATION

SEC. 203. (a) The purpose of this title is to insure that, because of the extensive governmental studies already made of this project and the national interest in early delivery of North Slope oil to domestic markets, the trans-Alaska oil pipeline be constructed promptly without further administrative or judicial delay or impediment. To accomplish this purpose it is the intent of the Congress to exercise its constitutional powers to the fullest extent in the authorizations and directions herein made and in limiting judicial review of the actions taken pursuant thereto.

(b) The Congress hereby authorizes and directs the Secretary of the Interior and other appropriate Federal officers and agencies to issue and take all necessary action to administer and enforce rights-of-way, permits, leases, and other authorizations that are necessary for or related to the construction, operation, and maintenance of the trans-Alaska oil pipeline system, including roads and airstrips, as that

system is generally described in the Final Environmental Impact Statement issued by the Department of the Interior on March 20, 1972. The route of the pipeline may be modified by the Secretary to provide during construction greater environmental protection.

(c) Rights-of-way, permits, leases, and other authorizations issued pursuant to this title by the Secretary shall be subject to the provisions of section 28 of the Mineral Leasing Act of 1920, as amended by title I of this Act (except the provisions of subsections (h) (1), (k), (q), (w) (2), and (x)); all authorizations issued by the Secretary and other Federal officers and agencies pursuant to this title shall include the terms and conditions required, and may include the terms and conditions permitted, by the provisions of law that would otherwise be applicable if this title had not been enacted, and they may waive any procedural requirements of law or regulation which they deem desirable to waive in order to accomplish the purposes of this title. The direction contained in section 203(b) shall supersede the provisions of any law or regulation relating to an administrative determination as to whether the authorizations for construction of the trans-Alaska oil pipeline shall be issued.

Ante, p. 576.

(d) The actions taken pursuant to this title which relate to the construction and completion of the pipeline system, and to the applications filed in connection therewith necessary to the pipeline's operation at full capacity, as described in the Final Environmental Impact Statement of the Department of the Interior, shall be taken without further action under the National Environmental Policy Act of 1969; and the actions of the Federal officers concerning the issuance of the necessary rights-of-way, permits, leases, and other authorizations for construction and initial operation at full capacity of said pipeline system shall not be subject to judicial review under any law except that claims alleging the invalidity of this section may be brought within sixty days following its enactment, and claims alleging that an action will deny rights under the Constitution of the United States, or that the action is beyond the scope of authority conferred by this title, may be brought within sixty days following the date of such action. A claim shall be barred unless a complaint is filed within the time specified. Any such complaint shall be filed in a United States district court, and such court shall have exclusive jurisdiction to determine such proceeding in accordance with the procedures hereinafter provided, and no other court of the United States, of any State, territory, or possession of the United States, or of the District of Columbia, shall have jurisdiction of any such claim whether in a proceeding instituted prior to or on or after the date of the enactment of this Act. Any such proceeding shall be assigned for hearing at the earliest possible date, shall take precedence over all other matters pending on the docket of the district court at that time, and shall be expedited in every way by such court. Such court shall not have jurisdiction to grant any injunctive relief against the issuance of any right-of-way, permit, lease, or other authorization pursuant to this section except in conjunction with a final judgment entered in a case involving a claim filed pursuant to this section. Any review of an interlocutory or final judgment, decree, or order of such district court may be had only upon direct appeal to the Supreme Court of the United States.

LIABILITY

SEC. 204. (a) (1) Except when the holder of the pipeline right-of-way granted pursuant to this title can prove that damages in connection with or resulting from activities along or in the vicinity of the proposed trans-Alaskan pipeline right-of-way were caused by an act of war or negligence of the United States, other government entity, or the damaged party, such holder shall be strictly liable to all damaged parties, public or private, without regard to fault for such damages, and without regard to ownership of any affected lands, structures, fish, wildlife, or biotic or other natural resources relied upon by Alaska Natives, Native organizations, or others for subsistence or economic purposes. Claims for such injury or damages may be determined by arbitration or judicial proceedings.

Limitation.

(2) Liability under paragraph (1) of this subsection shall be limited to \$50,000,000 for any one incident, and the holders of the right-of-way or permit shall be liable for any claim allowed in proportion to their ownership interest in the right-of-way or permit. Liability of such holders for damages in excess of \$50,000,000 shall be in accord with ordinary rules of negligence.

(3) In any case where liability without fault is imposed pursuant to this subsection and the damages involved were caused by the negligence of a third party, the rules of subrogation shall apply in accordance with the law of the jurisdiction where the damage occurred.

(4) Upon order of the Secretary, the holder of a right-of-way or permit shall provide emergency subsistence and other aid to an affected Alaska Native, Native organization, or other person pending expeditious filing of, and determination of, a claim under this subsection.

(5) Where the State of Alaska is the holder of a right-of-way or permit under this title, the State shall not be subject to the provisions of subsection 204(a), but the holder of the permit or right-of-way for the trans-Alaska pipeline shall be subject to that subsection with respect to facilities constructed or activities conducted under rights-of-way or permits issued to the State to the extent that such holder engages in the construction, operation, maintenance, and termination of facilities, or in other activities under rights-of-way or permits issued to the State.

(b) If any area within or without the right-of-way or permit area granted under this title is polluted by any activities conducted by or on behalf of the holder to whom such right-of-way or permit was granted, and such pollution damages or threatens to damage aquatic life, wildlife, or public or private property, the control and total removal of the pollutant shall be at the expense of such holder, including any administrative and other costs incurred by the Secretary or any other Federal officer or agency. Upon failure of such holder to adequately control and remove such pollutant, the Secretary, in cooperation with other Federal, State, or local agencies, or in cooperation with such holder, or both, shall have the right to accomplish the control and removal at the expense of such holder.

(c) (1) Notwithstanding the provisions of any other law, if oil that has been transported through the trans-Alaska pipeline is loaded on a vessel at the terminal facilities of the pipeline, the owner and operator of the vessel (jointly and severally) and the Trans-Alaska Pipeline Liability Fund established by this subsection, shall be strictly liable without regard to fault in accordance with the provisions of this subsection for all damages, including clean-up costs, sustained by any person or entity, public or private, including residents of Canada, as the result of discharges of oil from such vessel.

(2) Strict liability shall not be imposed under this subsection if the owner or operator of the vessel, or the Fund, can prove that the damages were caused by an act of war or by the negligence of the United States or other governmental agency. Strict liability shall not be imposed under this subsection with respect to the claim of a damaged party if the owner or operator of the vessel, or the Fund, can prove that the damage was caused by the negligence of such party.

(3) Strict liability for all claims arising out of any one incident shall not exceed \$100,000,000. The owner and operator of the vessel shall be jointly and severally liable for the first \$14,000,000 of such claims that are allowed. Financial responsibility for \$14,000,000 shall be demonstrated in accordance with the provisions of section 311(p) of the Federal Water Pollution Control Act, as amended (33 U.S.C. 1321(p)) before the oil is loaded. The Fund shall be liable for the balance of the claims that are allowed up to \$100,000,000. If the total claims allowed exceed \$100,000,000, they shall be reduced proportionately. The unpaid portion of any claim may be asserted and adjudicated under other applicable Federal or state law.

(4) The Trans-Alaska Pipeline Liability Fund is hereby established as a non-profit corporate entity that may sue and be sued in its own name. The Fund shall be administered by the holders of the trans-Alaska pipeline right-of-way under regulations prescribed by the Secretary. The Fund shall be subject to an annual audit by the Comptroller General, and a copy of the audit shall be submitted to the Congress.

(5) The operator of the pipeline shall collect from the owner of the oil at the time it is loaded on the vessel a fee of five cents per barrel. The collection shall cease when \$100,000,000 has been accumulated in the Fund, and it shall be resumed when the accumulation in the Fund falls below \$100,000,000.

(6) The collections under paragraph (5) shall be delivered to the Fund. Costs of administration shall be paid from the money paid to the Fund, and all sums not needed for administration and the satisfaction of claims shall be invested prudently in income-producing securities approved by the Secretary. Income from such securities shall be added to the principal of the Fund.

(7) The provisions of this subsection shall apply only to vessels engaged in transportation between the terminal facilities of the pipeline and ports under the jurisdiction of the United States. Strict liability under this subsection shall cease when the oil has first been brought ashore at a port under the jurisdiction of the United States.

(8) In any case where liability without regard to fault is imposed pursuant to this subsection and the damages involved were caused by the unseaworthiness of the vessel or by negligence, the owner and operator of the vessel, and the Fund, as the case may be, shall be subrogated under applicable State and Federal laws to the rights under said laws of any person entitled to recovery hereunder. If any subrogee brings an action based on unseaworthiness of the vessel or negligence of its owner or operator, it may recover from any affiliate of the owner or operator, if the respective owner or operator fails to satisfy any claim by the subrogee allowed under this paragraph.

(9) This subsection shall not be interpreted to preempt the field of strict liability or to preclude any State from imposing additional requirements.

SEC. 301. The President of the United States is authorized and requested to enter into negotiations with the Government of Canada to determine—

(a) the willingness of the Government of Canada to permit the construction of pipelines or other transportation systems across Canadian territory for the transport of natural gas and oil from Alaska's North Slope to markets in the United States, including the use of tankers by way of the Northwest Passage;

(b) the need for intergovernmental understandings, agreements, or treaties to protect the interests of the Governments of Canada and the United States and any party or parties involved with the construction, operation, and maintenance of pipelines or other transportation systems for the transport of such natural gas or oil;

Upon a proper showing that, weighing the equities and considering the Commission's likelihood of ultimate success, such action would be in the public interest, and after notice to the defendant, a temporary restraining order or a preliminary injunction may be granted without bond: *Provided, however*, That if a complaint is not filed within such period (not exceeding 20 days) as may be specified by the court after issuance of the temporary restraining order or preliminary injunction, the order or injunction shall be dissolved by the court and be of no further force and effect: *Provided further*, That in proper cases the Commission may seek, and after proper proof, the court may issue, a permanent injunction. None of the funds appropriated to or for the use of the Armed Forces of the United States may be used for the purpose of paying any overseas allowance, per diem allowance, or any other addition to the regular base pay of any person serving with the free world forces in South Vietnam if the amount of such payment would be greater than the amount of special pay authorized to be paid, for an equivalent period of service, to members of the Armed Forces of the United States (under section 310 of title 37, United States Code) serving in Vietnam or in any other hostile fire area, except for continuation of payments of such additions to regular base pay provided in agreements executed prior to July 1, 1970. SEC. 809. The National Industrial Reserve Act of 1948 (62 Stat. 1225; 50 U.S.C. 451) is amended to read as follows: "That this Act may be cited as the 'Defense Industrial Reserve Act'.

"CONGRESSIONAL DECLARATION OF PURPOSE AND POLICY

"SEC. 2. In enacting this Act, it is the intent of Congress (1) to provide a comprehensive and continuous program for the future safety and for the defense of the United States by providing adequate measures whereby an essential nucleus of Government-owned industrial plants and an industrial reserve of machine tools and other industrial manufacturing equipment may be assured for immediate use to supply the needs of the Armed Forces in time of national emergency or in anticipation thereof; (2) that such Government-owned plants and such reserve shall not exceed in number or kind the minimum requirements for immediate use in time of national emergency, and that any such items which shall become excess to such requirements shall be disposed of as expeditiously as possible; (3) that to the maximum extent practicable, reliance will be placed upon private industry for support of defense production; and (4) that machine tools and other industrial manufacturing equipment may be held in plant equipment packages or in a general reserve to maintain a high state of readiness for production of critical items of defense materiel, to provide production capacity not available in private industry for defense materiel, or to assist private industry in time of national disaster.

"DEFINITIONS

"SEC. 3. As used in this Act—

"(1) The term 'Secretary' means Secretary of Defense.

"(2) The term 'Defense Industrial Reserve' means (A) a general reserve of industrial manufacturing equipment, including machine tools, selected by the Secretary of Defense for retention for national defense or for other emergency use; (B) those industrial plants and installations held by and under the control of the Department of Defense in active or inactive status, including Government-owned/Government-operated plants and installations and Government-owned/contractor-operated plants and installations which are retained for use in their entirety, or in part, for production of military weapons systems, munitions, components, or supplies; (C) those industrial plants and installations under the control of the Secretary which are not required for the immediate need of any department or agency of the Government and which should be sold, leased, or otherwise disposed of.

"(3) The term 'plant equipment package' means a complement of active and idle machine tools and other industrial manufacturing equipment held by and under the control of the Department of Defense and approved by the Secretary for retention to produce particular defense materiel or defense supporting items at a specific level of output in the event of emergency.

"DUTIES OF THE SECRETARY

"SEC. 4. To execute the policy set forth in this Act, the Secretary is authorized and directed to—

"(1) determine which industrial plants and installations (including machine tools and other industrial manufacturing equipment) should become a part of the defense industrial reserve;

"(2) designate what excess industrial property shall be disposed of;

"(3) establish general policies and provide for the transportation, handling, care, storage, protection, maintenance, repair, rebuilding, utilization, recording, leasing and security of such property;

"(4) direct the transfer without reimbursement of such property to other Government agencies with the consent of such agencies;

"(6) authorize the disposition in accordance with existing law of any of such property when in the opinion of the Secretary such property is no longer needed by the Department of Defense; and

"(7) authorize and regulate the lending of any such property to any nonprofit educational institution or training school whenever (A) the program proposed by such institution or school for the use of such property will contribute materially to national defense, and (B) such institution or school shall by agreement make such provision as the Secretary shall deem satisfactory for the proper maintenance and care of such property and for its return, without expense to the Government, upon request of the Secretary.

"REPORTS TO CONGRESS

"SEC. 5. The Secretary shall submit to the Congress on or before April 1 of each year a report detailing the action taken under this Act and containing such other pertinent information regarding the status of the defense industrial reserve as will enable the Congress to evaluate the administration of such reserve and the necessity or desirability for any legislative action regarding such reserve.

"AUTHORIZATION FOR APPROPRIATIONS

"SEC. 6. There are authorized to be appropriated such sums as the Congress may from time to time determine to be necessary to enable the Secretary to carry out the provisions of this Act."

Study and
investigation.

SEC. 810. (a) The Secretary of Defense is authorized and directed to carry out a comprehensive study and investigation to determine the relative status of the Air Force Reserve and the Air National Guard of the United States. In carrying out such study and investigation the Secretary shall quantitatively measure the effects on full costs and on combat capability and readiness, as well as enumerate the military and other advantages and disadvantages of at least the following alternatives: (1) merging the Air Force Reserve into the Air National Guard structure; (2) merging the Air National Guard into the Air Force Reserve structure; and (3) retaining both the Air Force Reserve and the Air National Guard. Such study shall also consider and give equal weight to the modernization needs of the Air National Guard and the Air Force Reserve, including: (1) aircraft; (2) ground equipment; (3) facilities; (4) communication, and (5) other pertinent needs. It shall also consider the related problems of recruiting, training and retaining sufficient manpower of needed quality to man the authorized units.

(b) The Secretary of Defense shall submit to the President and the Congress a detailed report of such study and investigation not later than January 31, 1975. The Secretary shall include in such report a complete evaluation of each of the alternatives specified in subsection

Report to
President and
Congress.

(a) above, and a detailed explanation of the facts and information which serve as the basis for any conclusions stated therein, and shall also include in such report such recommendations for legislative action as he deems appropriate.

SEC. 811. The Congress finds that the Department of Defense, which will use, at its present rate of consumption, an estimated twelve billion gallons of petroleum products in 1973, is one of the largest single consumers of petroleum products in the world, and that a reduction in consumption of such products by the Department of Defense would aid materially in meeting the energy shortages which the United States now faces. It is, therefore, declared to be the sense of the Congress that the Department of Defense should implement a 10 per centum reduction of its consumption of petroleum products except where such a reduction would adversely affect the national security or essential training exercises.

SEC. 812. (a) The Congress finds that in order to achieve a more equitable sharing of the costs and expenses arising from commitments and obligations under the North Atlantic Treaty, the President should seek, through appropriate bilateral and multilateral arrangements, payments sufficient in amount to offset fully any balance-of-payment deficit incurred by the United States during the fiscal year ending June 30, 1974, as the result of the deployment of forces in Europe in fulfillment of the treaty commitments and obligations of the United States. This balance-of-payment deficit shall be determined by the Secretary of Commerce in consultation with the Secretary of Defense and the Comptroller General of the United States.

Treaty Organiza-
tion.

Balance of pay-
ments deficit.

(b) In the event that the North Atlantic Treaty Organization members (other than the United States) fail to offset the net balance-of-payment deficit described in subsection (a) prior to the expiration of eighteen months after the date of enactment of this section, no funds may be expended after the expiration of twenty-four months following the date of enactment of this section for the purpose of maintaining or supporting United States forces in Europe in any number greater than a number equal to the average monthly number of United States forces assigned to duty in Europe during the fiscal year ending June 30, 1974, reduced by a percentage figure equal to the percentage figure by which such balance-of-payment deficit during such fiscal year was not offset.

(c) The Congress further finds (1) that the other members of the North Atlantic Treaty Organization should, in order to achieve a more equitable sharing of the cost burden under the treaty, substantially increase their contributions to assist the United States in meeting those added budgeting expenses incurred as the result of maintaining and supporting United States forces in Europe, including, but not limited to, wages paid to local personnel by the United States, recurring expenses incurred in connection with the maintenance and operation of real property, maintenance facilities, supply depots, cold storage facilities, communications systems, and standby operations, and nonrecurring expenses such as the construction and rehabilitation of plants and facilities; (2) that the amount paid by the United States in connection with the North Atlantic Treaty infrastructure program should be reduced to a more equitable amount; and (3) that the President should seek, through appropriate bilateral and multilateral arrangements, a substantial reduction of the amounts paid by the United States in connection with those matters described in (1) and (2) above.

Equitable cost
sharing.

Report to
Congress.

(d) The President shall submit to the Congress within ninety days after the date of enactment of this Act, and at the end of each ninety-day period thereafter, a written report informing the Congress of the progress that has been made in implementing the provisions of this section.

tions.

POWERS OF THE DISTRICT OF COLUMBIA COUNCIL

SEC. 3. (a) Within sixty calendar days after the date of enactment of this Act, and thereafter at such times as the Council deems necessary, the Council shall hold public hearings to determine whether a situation exists in the District of Columbia by reason of the shortage of leased or rental residences which is causing serious overcrowding or increasing rents which are contrary to the public health, safety, and general welfare of the tenants and the District of Columbia. If the Council makes such a determination then the Council is authorized to adopt such rules as it determines necessary and appropriate to regulate and stabilize rents in the District of Columbia, including rules regarding retaliatory action specifically prohibited under section 5 of this Act, except that any such rules so adopted to stabilize and regulate the amount of rent or benefits which a landlord is entitled to receive for the use or occupancy by any tenant of any residence shall provide means whereby increased costs incurred by such landlord and directly related to such residence shall be taken into consideration in determin-

and stabilization.

ing the amount of such rents or benefits which such landlord is entitled to receive in connection with such use or occupancy under such rules. Such rules may be modified or terminated at any time by a majority vote of the Council.

(b) With respect to any hearing held under this section, the Council shall afford interested persons an opportunity to participate in such a hearing through submission of written data, views, and arguments, with an opportunity to present oral testimony. The record and findings made in such hearings shall be the basis for the adoption of such rules by the Council.

THE COMMISSION

SEC. 4. (a) In the event the Council adopts rules under section 3 to stabilize and regulate rents, the Council is authorized to establish a temporary District of Columbia Housing Rent Commission (hereinafter referred to as the "Commission") for the District of Columbia to carry out and enforce such rules. Such Commission shall terminate on the forty-fifth day after the date of termination of the rules adopted by the Council under section 3. Such Commission shall be composed of nine members, appointed by the Commissioner of the District of Columbia with the advice and consent of the Council, of whom four members shall be representative of solely the interests of landlords in the District of Columbia and four shall be representatives of solely the interests of tenants in the District of Columbia. All members of the Commission shall be residents of the District of Columbia. Each member shall serve until the termination of the Commission. In addition, the Commission shall employ such personnel or consultants, including legal counsel, as are necessary, at such rates of compensation as may be fixed by the Commissioner of the District of Columbia. Upon the request of the Chairman of the Commission, each department of the District of Columbia is authorized to furnish such assistance or information as may be necessary for the Commission to effectively carry out this Act.

(d) In addition the Commission shall be authorized to—

(1) receive and review complaints by tenants in the District of Columbia with respect to any violation of the rules of the Council adopted under section 3, or of any rule or order of the Commission with respect to the enforcement and the administration of such rules; and

the enactment of this Act, such provisions, orders, and requirements shall terminate on the date of expiration of the one-year period following the date of the enactment of this Act, except that as to offenses committed, or rights or liabilities incurred, prior to such termination date, the provisions of this Act, and such rules, orders, and requirements, shall be treated as still remaining in force for the purpose of sustaining any proper suit, action, or prosecution with respect to any such right, liability, or offense.

[S. 1570]

To authorize and require the President of the United States to allocate crude oil, residual fuel oil, and refined petroleum products to deal with existing or imminent shortages and dislocations in the national distribution system which jeopardize the public health, safety, or welfare; to provide for the delegation of authority; and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled. That this Act may be cited as the "Emergency Petroleum Allocation Act of 1973".

Emergency
Petroleum Allo-
cation Act of
1973.

FINDINGS AND PURPOSE

SEC. 2. (a) The Congress hereby determines that—

(1) shortages of crude oil, residual fuel oil, and refined petroleum products caused by inadequate domestic production, environmental constraints, and the unavailability of imports sufficient to satisfy domestic demand, now exist or are imminent;

(2) such shortages have created or will create severe economic dislocations and hardships, including loss of jobs, closing of factories and businesses, reduction of crop plantings and harvesting, and curtailment of vital public services, including the transportation of food and other essential goods; and

(3) such hardships and dislocations jeopardize the normal flow of commerce and constitute a national energy crisis which is a threat to the public health, safety, and welfare and can be averted or minimized most efficiently and effectively through prompt action by the Executive branch of Government.

(b) The purpose of this Act is to grant to the President of the United States and direct him to exercise specific temporary authority to deal with shortages of crude oil, residual fuel oil, and refined petroleum products or dislocations in their national distribution system. The authority granted under this Act shall be exercised for the purpose of minimizing the adverse impacts of such shortages or dislocations on the American people and the domestic economy.

DEFINITIONS

SEC. 3. For purposes of this Act:

(1) The term “branded independent marketer” means a person who is engaged in the marketing or distributing of refined petroleum products pursuant to—

(A) an agreement or contract with a refiner (or a person who controls, is controlled by, or is under common control with such refiner) to use a trademark, trade name, service mark, or other identifying symbol or name owned by such refiner (or any such person), or

(B) an agreement or contract under which any such person engaged in the marketing or distributing of refined petroleum products is granted authority to occupy premises owned, leased, or in any way controlled by a refiner (or person who controls, is controlled by, or is under common control with such refiner),

but who is not affiliated with, controlled by, or under common control with any refiner (other than by means of a supply contract, or an agreement or contract described in subparagraph (A) or (B)), and who does not control such refiner.

(2) The term “nonbranded independent marketer” means a person who is engaged in the marketing or distributing of refined petroleum products, but who (A) is not a refiner, (B) is not a person who controls, is controlled by, is under common control with, or is affiliated with a refiner (other than by means of a supply contract), and (C) is not a branded independent marketer.

(3) The term “independent refiner” means a refiner who (A) obtained, directly or indirectly, in the calendar quarter which ended immediately prior to the date of enactment of this Act, more than 70 per centum of his refinery input of domestic crude oil (or 70 per centum of his refinery input of domestic and imported crude oil) from producers who do not control, are not controlled by, and are not under common control with, such refiner, and (B) marketed or distributed in such quarter and continues to market or distribute a substantial volume of gasoline refined by him through branded independent marketers or nonbranded independent marketers.

(4) The term “small refiner” means a refiner whose total refinery capacity (including the refinery capacity of any person who controls, is controlled by, or is under common control with such refiner) does not exceed 175,000 barrels per day.

(5) The term “refined petroleum product” means gasoline, kerosene, distillates (including Number 2 fuel oil), LPG, refined lubricating oils, or diesel fuel.

(6) The term “LPG” means propane and butane, but not ethane.

(7) The term “United States” when used in the geographic sense means the States, the District of Columbia, Puerto Rico, and the territories and possessions of the United States.

MANDATORY ALLOCATION

SEC. 4. (a) Not later than fifteen days after the date of enactment of this Act, the President shall promulgate a regulation providing for the mandatory allocation of crude oil, residual fuel oil, and each refined petroleum product, in amounts specified in (or determined in a manner prescribed by) and at prices specified in (or determined in a manner prescribed by) such regulation. Subject to subsection (f), such regulation shall take effect not later than fifteen days after its promulgation. Except as provided in subsection (e) such regulation shall apply to all crude oil, residual fuel oil, and refined petroleum products produced in or imported into the United States.

Regulation.

Effective date.

(b) (1) The regulation under subsection (a), to the maximum extent practicable, shall provide for—

(A) protection of public health, safety, and welfare (including maintenance of residential heating, such as individual homes, apartments, and similar occupied dwelling units), and the national defense;

(B) maintenance of all public services (including facilities and services provided by municipally, cooperatively, or investor owned utilities or by any State or local government or authority, and including transportation facilities and services which serve the public at large);

(C) maintenance of agricultural operations, including farming, ranching, dairy, and fishing activities, and services directly related thereto;

(D) preservation of an economically sound and competitive petroleum industry; including the priority needs to restore and foster competition in the producing, refining, distribution, mar-

keting, and petrochemical sectors of such industry, and to preserve the competitive viability of independent refiners, small refiners, nonbranded independent marketers, and branded independent marketers;

(E) the allocation of suitable types, grades, and quality of crude oil to refineries in the United States to permit such refineries to operate at full capacity;

(F) equitable distribution of crude oil, residual fuel oil, and refined petroleum products at equitable prices among all regions and areas of the United States and sectors of the petroleum industry, including independent refiners, small refiners, nonbranded independent marketers, branded independent marketers, and among all users;

(G) allocation of residual fuel oil and refined petroleum products in such amounts and in such manner as may be necessary for the maintenance of exploration for, and production or extraction of, fuels, and for required transportation related thereto;

(H) economic efficiency; and

(I) minimization of economic distortion, inflexibility, and unnecessary interference with market mechanisms.

Price regula-
tions.

(2) In specifying prices (or prescribing the manner for determining them), such regulation shall provide for—

(A) a dollar-for-dollar passthrough of net increases in the cost of crude oil, residual fuel oil, and refined petroleum products to all marketers or distributors at the retail level; and

(B) the use of the same date in the computation of markup, margin, and posted price for all marketers or distributors of crude oil, residual fuel oil and refined petroleum products at all levels of marketing and distribution.

Allocation, con-
sideration for cer-
tain persons.

(3) The President in promulgating the regulation under subsection (a) shall give consideration to allocating crude oil, residual fuel oil, and refined petroleum products in a manner which results in making available crude oil, residual fuel oil, or refined petroleum products to any person whose use of fuels other than crude oil, residual fuel oil, and refined petroleum products has been curtailed by, or pursuant to a plan filed in compliance with, a rule or order of a Federal or State agency, or where such person's supply of such other fuels is unobtainable by reason of an abandonment of service permitted or ordered by a Federal or State agency.

Refined petro-
leum and crude
oil products.

(c) (1) To the extent practicable and consistent with the objectives of subsections (b) and (d), the mandatory allocation program established under the regulation under subsection (a) shall be so structured as to result in the allocation, during each period during which the regulation applies, of each refined petroleum product to each branded independent marketer, each nonbranded independent marketer, each small refiner and each independent refiner, and of crude oil to each small refiner and each independent refiner, in an amount not less than the amount sold or otherwise supplied to such marketer or refiner during the corresponding period of 1972, adjusted to provide—

Pro rata reduc-
tions.

(A) in the case of refined petroleum products, a pro rata reduction in the amount allocated to each person engaged in the marketing or distribution of a refined petroleum product if the aggregate amount of such product produced in and imported into the United States is less than the aggregate amount produced and imported in calendar year 1972; and

(B) in the case of crude oil, a pro rata reduction in the amount of crude oil allocated to each refiner if the aggregate amount

produced in and imported into the United States is less than the aggregate amount produced and imported in calendar year 1972.

(2) (A) The President shall report to the Congress monthly, beginning not later than January 1, 1974, with respect to any change after calendar year 1972 in—

Presidential
report to Con-
gress.

(i) the aggregate share of nonbranded independent marketers,
(ii) the aggregate share of branded independent marketers, and
(iii) the aggregate share of other persons engaged in the marketing or distributing of refined petroleum products, of the national market or the regional market in any refined petroleum product (as such regional markets shall be determined by the President).

(B) If allocation of any increase of the amount of any refined petroleum product produced in or imported into the United States in excess of the amount produced or imported in calendar year 1972 contributes to a significant increase in any market share described in clause (i), (ii), or (iii) of subparagraph (A), the President shall by order require an equitable adjustment in allocations of such product under the regulation under subsection (a).

Allocation
adjustment.

(3) The President shall, by order, require such adjustments in the allocations of crude oil, residual fuel oil, and refined petroleum products established under the regulation under subsection (a) as may reasonably be necessary (A) to accomplish the objectives of subsection (b), or (B) to prevent any person from taking any action which would be inconsistent with such objectives.

(4) The President may, by order, require such adjustments in the allocations of refined petroleum products and crude oil established under the regulation under subsection (a) as he determines may reasonably be necessary—

(A) in the case of refined petroleum products (i) to take into consideration market entry by branded independent marketers and nonbranded independent marketers during or subsequent to calendar year 1972, or (ii) to take into consideration expansion or reduction of marketing or distribution facilities of such marketers during or subsequent to calendar year 1972, and

(B) in the case of crude oil (i) to take into consideration market entry by independent refiners and small refiners during or subsequent to calendar year 1972, or (ii) to take into consideration expansion or reduction of refining facilities of such refiners during or subsequent to calendar year 1972.

Any adjustments made under this paragraph may be made only upon a finding that, to the maximum extent practicable, the objectives of subsections (b) and (d) of this section are attained.

(5) To the extent practicable and consistent with the objectives of subsections (b) and (d), the mandatory allocation program established under the regulation under subsection (a) shall not provide for allocation of LPG in a manner which denies LPG to any industrial user if no substitute for LPG is available for use by such industrial user.

LPG allocation.

(d) The regulation under subsection (a) shall require that crude oil, residual fuel oil, and all refined petroleum products which are produced or refined within the United States shall be totally allocated for use by ultimate users within the United States, to the extent practicable and necessary to accomplish the objectives of subsection (b).

Oil produced or
refined in U.S.

(e) (1) The provisions of the regulation under subsection (a) shall specify (or prescribe a manner for determining) prices of crude oil at the producer level, but, upon a finding by the President that to require

Congress.

allocation at the producer level (on a national, regional, or case-by-case basis) is unnecessary to attain the objectives of subsection (b) (1) (E) or the other objectives of subsections (b), (c), and (d) of this section, such regulation need not require allocation of crude oil at such level. Any finding made pursuant to this subsection shall be transmitted to the Congress in the form of a report setting forth the basis for the President's finding that allocation at such level is not necessary to attain the objectives referred to in the preceding sentence.

(2) (A) The regulation promulgated under subsection (a) of this section shall not apply to the first sale of crude oil produced in the United States from any lease whose average daily production of crude oil for the preceding calendar year does not exceed ten barrels per well.

(B) To qualify for the exemption under this paragraph, a lease must be operating at the maximum feasible rate of production and in accord with recognized conservation practices.

(C) Any agency designated by the President under section 5(b) for such purpose is authorized to conduct inspections to insure compliance with this paragraph and shall promulgate and cause to be published regulations implementing the provisions of this paragraph.

Gasoline allo-
cation.

(f) (1) The provisions of the regulation under subsection (a) respecting allocation of gasoline need not take effect until thirty days after the promulgation of such regulation, except that the provisions of such regulation respecting price of gasoline shall take effect not later than fifteen days after its promulgation.

(2) If—

(A) an order or regulation under section 203(a)(3) of the Economic Stabilization Act of 1970 applies to crude oil, residual fuel oil, or a refined petroleum product and has taken effect on or before the fifteenth day after the date of enactment of this Act, and

(B) the President determines that delay in the effective date of provisions of the regulation under subsection (a) relating to such oil or product is in the public interest and is necessary to effectuate the transition from the program under such section 203

(a) (3) to the mandatory allocation program required under this Act,

he may in the regulation promulgated under subsection (a) of this section delay, until not later than thirty days after the date of the promulgation of the regulation, the effective date of the provisions of such regulation insofar as they relate to such oil or product. At the same time the President promulgates such regulation, he shall report to Congress setting forth his reasons for the action under this paragraph.

Exemption.

(g) (1) The regulation promulgated and made effective under subsection (a) shall remain in effect until midnight February 28, 1975, except that (A) the President or his delegate may amend such regulation so long as such regulation, as amended, meets the requirements of this section, and (B) the President may exempt crude oil, residual fuel oil, or any refined petroleum product from such regulation in accordance with paragraph (2) of this subsection. The authority to promulgate and amend the regulation and to issue any order under this section, and to enforce under section 5 such regulation and any such order, expires at midnight February 28, 1975, but such expiration shall not affect any action or pending proceedings, civil or criminal, not finally determined on such date, nor any action or proceeding based upon any act committed prior to midnight February 28, 1975.

(2) If at any time after the date of enactment of this Act the President finds that application of the regulation under subsection (a) to crude oil, residual fuel oil, or a refined petroleum product is not necessary to carry out this Act, that there is no shortage of such oil or product, and that exempting such oil or product from such regulation will not have an adverse impact on the supply of any other oil or refined petroleum products subject to this Act, he may prescribe an amendment to the regulation under subsection (a) exempting such oil or product from such regulation for a period of not more than ninety days. The President shall submit any such amendment and any such findings to the Congress. An amendment under this paragraph may not exempt more than one oil or one product. Such an amendment shall take effect on a date specified in the amendment, but in no case sooner than the close of the earliest period which begins after the submission of such amendment to the Congress and which includes at least five days during which the House was in session and at least five days during which the Senate was in session; except that such amendment shall not take effect if before the expiration of such period either House of Congress approves a resolution of that House stating in substance that such House disapproves such amendment.

Secretary of Defense determines that deferral of such construction for inclusion in the next Military Construction Authorization Act would be inconsistent with interests of national security, and in connection therewith to acquire, construct, convert, rehabilitate, or install permanent or temporary public works, including land acquisition, site preparation, appurtenances, utilities, and equipment, in the total amount of \$10,000,000: *Provided*, That the Secretary of the Navy, or his designee, shall notify the Committees on Armed Services of the Senate and House of Representatives, immediately upon reaching a decision to implement, of the cost of construction of any public work undertaken under this section, including those real estate actions pertaining thereto. This authorization will expire as of September 30, 1974, except for those public works projects concerning which the Committees on Armed Services of the Senate and House of Representatives have been notified pursuant to this section prior to that date.

SEC. 203. The Secretary of the Navy is authorized to acquire, under such terms as he deems appropriate, lands or interests in land (including easements) in approximately fourteen thousand acres of privately owned property contiguous to the airfield and approach corridors of the Marine Corps Air Station at Yuma, Arizona, as he considers necessary for the safe and efficient operations at such station. Acquisition of such land or interests in land shall be effected by the exchange of such excess land or interests in land of approximately equal value, as the Secretary of Defense may determine to be available for the purpose. If the fair market value of the land or interests in land to be acquired is less than the fair market value of the Government property to be exchanged, the amount of such deficiency shall be paid to the Government.

SEC. 204. (a) In order to facilitate the relocation of the ship-to-shore and other gun fire and bombing operations of the United States Navy from the island of Culebra, there is hereby authorized to be appropriated the sum of \$12,000,000 for the construction and equipage of substitute facilities in support of such relocation.

(b) The relocation of such operations from the northwest peninsula of the island of Culebra is expressly conditioned upon the conclusion of a satisfactory agreement to be negotiated by the Secretary of the Navy, or his designee, with the Commonwealth of Puerto Rico and reported to the Committees on Armed Services of the Senate and the House of Representatives prior to execution of such agreement. The agreement shall provide, among other things, that the Commonwealth of Puerto Rico shall insure that (1) Commonwealth lands suitable for carrying out operations of the type referred to in subsection (a) will be made available for the long term continued use of the Atlantic Fleet Weapons Range and Fleet Marine Forces training areas by the Navy, including, but not limited to, present areas and facilities on the island of Vieques, and (2) any proposed facility or activity which would interfere with the Navy training mission will not be undertaken, including the proposed deep water super-port on the island of Mona, in the event that such agreement includes the use by the Navy of such island or the area adjacent to such island.

(c) Notwithstanding any other provision of law, the present bombardment area on the island of Culebra shall not be utilized for any purpose that would require decontamination at the expense of the United States. Any lands sold, transferred, or otherwise disposed of by the United States as a result of the relocation of the operations referred to in subsection (a) may be sold, transferred, or otherwise disposed of only for public park or public recreational purposes.

(d) The funds authorized for appropriation by this section shall remain available until expended.

(a) Except as provided in subsection (b), any of the amounts specified in titles I, II, III, and IV of this Act, may, in the discretion of the Secretary concerned, be increased by 5 per centum when inside the United States (other than Hawaii and Alaska), and by 10 per centum when outside the United States or in Hawaii and Alaska, if he determines that such increase (1) is required for the sole purpose of meeting unusual variations in cost, and (2) could not have been reasonably anticipated at the time such estimate was submitted to the Congress. However, the total cost of all construction and acquisition in each such title may not exceed the total amount authorized to be appropriated in that title.

(b) When the amount named for any construction or acquisition in title I, II, III, or IV of this Act involves only one project at any military installation and the Secretary of Defense, or his designee, determines that the amount authorized must be increased by more than the applicable percentage prescribed in subsection (a), the Secretary concerned may proceed with such construction or acquisition if the amount of the increase does not exceed by more than 25 per centum the amount named for such project by the Congress.

(c) Subject to the limitations contained in subsection (a), no individual project authorized under title I, II, III, or IV of this Act for any specifically listed military installation may be placed under contract if—

The Secretary shall also include in such report each individual project with respect to which the scope was reduced in order to permit contract award within the available authorization for such project. Such report shall include all pertinent cost information for each individual project, including the amount in dollars and percentage by which the current working estimate based on the contract price for the project exceeded the amount authorized for such project by the Congress.

To provide for daylight saving time on a year-round basis for a two-year trial period, and to require the Federal Communications Commission to permit certain daytime broadcast stations to operate before local sunrise.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled. That this Act may be cited as the "Emergency Daylight Saving Time Energy Conservation Act of 1973".

Emergency Daylight Saving Time Energy Conservation Act of 1973.

SEC. 2. The Congress hereby finds and declares—

(1) that the United States faces severe energy shortages, especially in the winter of 1973-1974 and in the next several winters thereafter;

(2) that various studies of governmental and nongovernmental agencies indicate that year-round daylight saving time would produce an energy saving in electrical power consumption;

(3) that daylight saving time may yield energy savings in other areas besides electrical power consumption;

(4) that year-round daylight saving time could serve as an incentive for further energy conservation by individuals, companies, and the various governmental entities at all levels of government, and that such energy conservation efforts could lead

to greatly expanded energy savings and help meet the projected energy shortages, and that such energy conservation efforts could include but not be limited to such actions as—

- (A) lowering office, home, and store thermostats several degrees;
 - (B) limiting unnecessary automobile travel and holding down the speed of necessary automobile travel;
 - (C) using energy efficient automobiles;
 - (D) using public transportation whenever possible;
 - (E) turning off office air-conditioners and heating plants an hour earlier in the afternoon; and
 - (F) limiting unnecessary use of electric lights;
- (5) that the use of year-round daylight saving time could have other beneficial effects on the public interest, including the reduction of crime, improved traffic safety, more daylight outdoor playtime for the children and youth of our Nation, greater utilization of parks and recreation areas, expanded economic opportunity through extension of daylight hours to peak shopping hours and through extension of domestic office hours to periods of greater overlap with the European Economic Community; and
- (6) that the emergency nature of an energy shortage require the temporary enactment of daylight saving time.

(b) Notwithstanding any other provision of law, if a State, by proclamation of its Governor, makes a finding prior to the effective date of this Act, that an exemption from the operation of subsection (a) or a realignment of time zone limits is necessary to avoid undue hardship or to conserve fuel in such State or part thereof, the President or his designee may grant an exemption or realignment to such State.

(c) Any law in effect on October 27, 1973, adopted pursuant to section 3(a) (2) of the Uniform Time Act of 1966 by a State with parts thereof in more than one time zone, or adopted pursuant to section 3(a) (1) of such Act by a State that lies entirely within one time zone and is not contiguous to any other State, shall be held and considered to remain in effect as the exercise by that State of the exemption permitted by subsection (a) of this section unless that State, by law, provides that such exemption shall not apply during the effective period of this Act.

POLICY; DEVELOPMENT ASSISTANCE AUTHORIZATIONS

SEC. 2. Chapter 1 of part I of the Foreign Assistance Act of 1961 is amended as follows:

(1) In the chapter heading, immediately after "CHAPTER 1—POLICY", insert "; DEVELOPMENT ASSISTANCE AUTHORIZATIONS".

(2) In section 102—

(A) insert "(a)" immediately after "STATEMENT OF POLICY.—"; and

(B) add at the end thereof the following:

"(b) The Congress further finds and declares that, with the help of United States economic assistance, progress has been made in creating a base for the economic progress of the less developed countries. At the same time, the conditions which shaped the United States foreign assistance program in the past have changed. While the United States must continue to seek increased cooperation and mutually beneficial relations with other nations, our relations with the less developed countries must be revised to reflect the new realities. In restructuring our relationships with these countries, the President should place appropriate emphasis on the following criteria:

"(1) Bilateral development aid should concentrate increasingly on sharing American technical expertise, farm commodities, and industrial goods to meet critical development problems, and less on large-scale capital transfers, which when made should be in association with contributions from other industrialized countries working together in a multilateral framework.

"(2) Future United States bilateral support for development should focus on critical problems in those functional sectors which affect the lives of the majority of the people in the developing countries: food production; rural development and nutrition; population planning and health; and education, public administration, and human resource development.

"(3) United States cooperation in development should be carried out to the maximum extent possible through the private sector, including those institutions which already have ties in the developing areas, such as educational institutions, cooperatives, credit unions, and voluntary agencies.

"(4) Development planning must be the responsibility of each sovereign country. United States assistance should be administered in a collaborative style to support the development goals chosen by each country receiving assistance.

"(5) United States bilateral development assistance should give the highest priority to undertakings submitted by host governments which directly improve the lives of the poorest of their people and their capacity to participate in the development of their countries.

"(6) The economic and social development programs to which the United States lends support should reflect, to the maximum extent practicable, the role of United States private investment in such economic and social development programs.

81 Stat. 445.
22 USC 2151.

“(7) Under the policy guidance of the Secretary of State, the agency primarily responsible for administering this part should have the responsibility for coordinating all United States development-related activities.”

- (1) such base was constructed or is being maintained or operated with funds furnished by the United States; and

LIMITATION ON USE OF FUNDS

SEC. 31. No funds authorized or appropriated under any provision of law shall be made available for the purpose of financing directly or indirectly any military or paramilitary combat operations by foreign forces in Laos, Cambodia, North Vietnam, South Vietnam, or Thailand unless (1) such operations are conducted by the forces of that government receiving such funds within the borders of that country, or (2) specifically authorized by law enacted after the date of enactment of this Act.

PRISONERS OF WAR AND INDIVIDUALS MISSING IN ACTION

SEC. 34. (a) The Congress declares that—

(1) the families of those one thousand three hundred individuals missing in action during the Indochina conflict have suffered extraordinary torment in ascertaining the full and complete information about their loved ones who are formally classified as missing in action;

(2) United States involvement in the Indochina conflict has come to a negotiated end with the signing of the Vietnam Agreement in Paris on January 27, 1973, and section 307 of the Second Supplemental Appropriations Act, 1973, requires that "None of the funds herein appropriated under this Act may be expended to support directly or indirectly combat activities in or over Cambodia, Laos, North Vietnam, and South Vietnam or off the shores of Cambodia, Laos, North Vietnam and South Vietnam by United States forces, and after August 15, 1973, no other funds heretofore appropriated under any other Act may be expended for such purpose.";

(3) the question of the return of prisoners of war and accounting for individuals missing in action and dead in Laos is covered by article 18 of the Protocol signed by representatives of the Lao Patriotic Front (Pathet Lao) and the Royal Laotian Government in Vientiane on September 14, 1973 (which implements article 5 of the Agreement signed by the Pathet Lao and that government in Vientiane on February 21, 1973, requiring the release of all prisoners "regardless of nationality" captured and held in Laos), and paragraph C of such article 18 provides that, within "15 to 30 days" from the date of the signing of the Protocol, each side is to report the number of those prisoners and individuals still held, with an indication of their nationality and status, together with a list of names and any who died in captivity; and

(4) few of the United States men lost in Laos during the military engagements in Indochina have been returned, and with knowledge about many of these men not yet being fully disclosed, and the North Vietnam cease-fire provisions calling for inspection of crash and grave sites and for other forms of cooperation have not been fully complied with.

(b) It is, therefore, the sense of the Congress that—

(1) the provisions for the release of prisoners and an accounting of individuals missing and dead, as provided for in article 18 of the Protocol signed on September 14, 1973, by the Pathet Lao and the Royal Laotian Government, be adhered to in spirit and in deed; and

24 UST 1.

Ante, p. 129.

(2) the faithful compliance with the spirit of the Laotian Agreement and Protocol on the question of individuals missing in action will encourage all parties in Indochina to cooperate in providing complete information on all nationals of any nation who may be captured or missing at any place in Indochina.

RIGHTS IN CHILE

SEC. 35. It is the sense of the Congress that (1) the President should request the Government of Chile to protect the human rights of all individuals, Chilean and foreign, as provided in the Universal Declaration of Human Rights, the Convention and Protocol Relating to the Status of Refugees, and other relevant international legal instruments guaranteeing the granting of asylum, safe conduct, and the humane treatment or release of prisoners; (2) the President should support international humanitarian initiatives by the United Nations High Commissioner for Refugees and the International Committee of the Red Cross to insure the protection and safe conduct and resettlement of political refugees, the humane treatment of political prisoners, and the full inspection of detention facilities under international auspices; (3) the President should support and facilitate efforts by voluntary agencies to meet emergency relief needs; and (4) the President should request of the Inter-American Commission on Human Rights to undertake an immediate inquiry into recent events occurring in Chile.

83 Stat. 821;

AN ACT

December 18, 1973
[H. R. 3180]

To amend title 39, United States Code, to clarify the proper use of the franking privilege by Members of Congress, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) section 3210 of title 39, United States Code, is amended to read as follows:

“§ 3210. Franked mail transmitted by the Vice President, Members of Congress, and congressional officials

Members of Congress and congressional officials.
Franking privilege, clarification of use.
84 Stat. 754;
85 Stat. 132.

“(a) (1) It is the policy of the Congress that the privilege of sending mail as franked mail shall be established under this section in order to assist and expedite the conduct of the official business, activities, and duties of the Congress of the United States.

“(2) It is the intent of the Congress that such official business, activities, and duties cover all matters which directly or indirectly pertain to the legislative process or to any congressional representative functions generally, or to the functioning, working, or operating of the Congress and the performance of official duties in connection therewith, and shall include, but not be limited to, the conveying of information to the public, and the requesting of the views of the public, or the views and information of other authority of government, as a guide or a means of assistance in the performance of those functions.

“(3) It is the intent of the Congress that mail matter which is frankable specifically includes, but is not limited to—

“(A) mail matter to any person and to all agencies and officials of Federal, State, and local governments regarding programs, decisions, and other related matters of public concern or public service, including any matter relating to actions of a past or current Congress;

“(B) the usual and customary congressional newsletter or press release which may deal with such matters as the impact of laws and decisions on State and local governments and individual

citizens; reports on public and official actions taken by Members of Congress; and discussions of proposed or pending legislation or governmental actions and the positions of the Members of Congress on, and arguments for or against, such matters;

“(C) the usual and customary congressional questionnaire seeking public opinion on any law, pending or proposed legislation, public issue, or subject;

“(D) mail matter dispatched by a Member of Congress between his Washington office and any congressional district offices, or between his district offices;

“(E) mail matter directed by one Member of Congress to another Member of Congress or to representatives of the legislative bodies of State and local governments;

“(F) mail matter expressing condolences to a person who has suffered a loss or congratulations to a person who has achieved some personal or public distinction;

“(G) mail matter, including general mass mailings, which consists of Federal laws, Federal regulations, other Federal publications, publications purchased with Federal funds, or publications containing items of general information;

“(H) mail matter which consists of voter registration or election information or assistance prepared and mailed in a non-partisan manner;

“(I) mail matter which constitutes or includes a biography or autobiography of any Member of, or Member-elect to, Congress or any biographical or autobiographical material concerning such Member or Member-elect or the spouse or other members of the family of such Member or Member-elect, and which is so mailed as a part of a Federal publication or in response to a specific request therefor and is not included for publicity purposes in a newsletter or other general mass mailing of the Member or Member-elect under the franking privilege; or

“(J) mail matter which contains a picture, sketch, or other likeness of any Member or Member-elect and which is so mailed as a part of a Federal publication or in response to a specific request therefor and, when contained in a newsletter or other general mass mailing of any Member or Member-elect, is not of such size, or does not occur with such frequency in the mail matter concerned, as to lead to the conclusion that the purpose of such picture, sketch, or likeness is to advertise the Member or Member-elect rather than to illustrate accompanying text.

Restrictions.

“(4) It is the intent of the Congress that the franking privilege under this section shall not permit, and may not be used for, the transmission through the mails as franked mail, of matter which in its nature is purely personal to the sender or to any other person and is unrelated to the official business, activities, and duties of the public officials covered by subsection (b) (1) of this section.

“(5) It is the intent of the Congress that a Member of or Member-elect to Congress may not mail as franked mail—

“(A) mail matter which constitutes or includes any article, account, sketch, narration, or other text laudatory and complimentary of any Member of, or Member-elect to, Congress on a purely personal or political basis rather than on the basis of performance of official duties as a Member or on the basis of activities as a Member-elect;

“(B) mail matter which constitutes or includes—

“(i) greetings from the spouse or other members of the family of such Member or Member-elect;

“(ii) reports of how or when such Member or Member-elect, or the spouse or any other member of the family of such Member or Member-elect, spends time other than in the performance of, or in connection with, the legislative, representative, and other official functions of such Member or the activities of such Member-elect as a Member-elect; or

“(iii) any card expressing holiday greetings from such Member or Member-elect;

“(C) mail matter which specifically solicits political support for the sender or any other person or any political party, or a vote or financial assistance for any candidate for any public office; or

“(D) any mass mailing when the same is mailed at or delivered to any postal facility less than 28 days immediately before the date of any primary or general election (whether regular, special, or runoff) in which such Member or Member-elect is a candidate for public office. For the purpose of this clause (D), the term ‘mass mailing’ shall mean newsletters and similar mailings of more than 500 pieces in which the content of the matter mailed is substantially identical but shall not apply to mailings—

“Mass mailing.”

“(i) which are in direct response to inquiries or requests from the persons to whom the matter is mailed;

“(ii) to colleagues in Congress or to government officials (whether Federal, State, or local); or

“(c) Franked mail may be in any form appropriate for mail matter, including, but not limited to, correspondence, newsletters, questionnaires, recordings, facsimiles, reprints, and reproductions. Franked mail shall not include matter which is intended by Congress to be nonmailable as franked mail under subsection (a) (4) and (5) of this section.

“(d)(1) A Member of the House may mail franked mail with a simplified form of address for delivery—

“(A) within that area constituting the congressional district from which he was elected; and

“(B) on and after the date on which the proposed redistricting of congressional districts in his State by legislative or judicial proceedings is initially completed (whether or not the redistricting is actually in effect), within any additional area of each congressional district proposed or established in such redistricting and containing all or part of the area constituting the congressional district from which he was elected, unless and until the congressional district so proposed or established is changed by legislative or judicial proceedings.

Notwithstanding any other provision of law, the cost of preparing or printing mail matter which is frankable under this section may be paid from any funds, including, but not limited to, funds collected by a candidate or a political committee required to file reports of receipts and expenditures under the Federal Election Campaign Act of 1971 (Public Law 92-225), or from voluntary newsletter funds, or from similar funds administered and controlled by a Member or by a committee organized to administer such funds.

Speaker of the
House and Presi-

(c) (1) Except acts of the Council which are submitted to the President in accordance with the Budget and Accounting Act, 1921, any act which the Council determines according to section 412(a), should take effect immediately because of emergency circumstances, and acts proposing amendments to title IV of this Act, the Chairman of the Council shall transmit to the Speaker of the House of Representatives, and the President of the Senate a copy of each act passed by the Council and signed by the Mayor, or vetoed by the Mayor and repassed by two-thirds of the Council present and voting (and with respect to which the President has not sustained the Mayor's veto), and every act passed by the Council and allowed to become effective by the Mayor without his signature. BUDGET PROCESS; LIMITATIONS ON BORROWING AND SPENDING

SEC. 603. (a) Nothing in this Act shall be construed as making any change in existing law, regulation, or basic procedure and practice relating to the respective roles of the Congress, the President, the Federal Office of Management and Budget, and the Comptroller General of the United States in the preparation, review, submission, examination, authorization, and appropriation of the total budget of the District of Columbia government.

(b) (1) No general obligation bonds (other than bonds to refund outstanding indebtedness) or Treasury capital project loans shall be issued during any fiscal year in an amount which would cause the amount of principal and interest required to be paid both serially and into a sinking fund in any fiscal year on the aggregate amounts of all outstanding general obligation bonds and such Treasury loans, to exceed 14 per centum of the District revenues (less court fees, any

fees or revenues directed to servicing revenue bonds, retirement contributions, revenues from retirement systems, and revenues derived from such Treasury loans and the sale of general obligation or revenue bonds) which the Mayor estimates, and the District of Columbia Auditor certifies, will be credited to the District during the fiscal year in which the bonds will be issued. Treasury capital project loans include all borrowings from the United States Treasury, except those funds advanced to the District by the Secretary of the Treasury under the provisions of section 2501, title 47 of the District of Columbia Code, as amended.

50 Stat. 692;

(2) Obligations incurred pursuant to the authority contained in the District of Columbia Stadium Act of 1957 (71 Stat. 619; D.C. Code title 2, chapter 17, subchapter II), and obligations incurred by the agencies transferred or established by sections 201 and 202, whether incurred before or after such transfer or establishment, shall not be included in determining the aggregate amount of all outstanding obligations subject to the limitation specified in the preceding subsection.

D.C. Code 2-
1720.
Ante, p. 778.

(3) The 14 per centum limitation specified in paragraph (1) shall be calculated in the following manner:

(A) Determine the dollar amount equivalent to 14 percent of the District revenues (less court fees, any fees or revenues directed to servicing revenue bonds, retirement contributions, revenues from retirement systems, and revenues derived from such Treasury loans and the sale of general obligation or revenue bonds) which the Mayor estimates, and the District of Columbia Auditor certifies, will be credited to the District during the fiscal year for which the bonds will be issued.

(B) Determine the actual total amount of principal and interest to be paid in each fiscal year for all outstanding general obligation bonds and such Treasury loans.

(C) Determine the amount of principal and interest to be paid during each fiscal year over the term of the proposed general obligation bond or such Treasury loan to be issued.

(D) If in any one fiscal year the sum arrived at by adding subparagraphs (B) and (C) exceeds the amount determined under subparagraph (A), then the proposed general obligation bond or such Treasury loan in subparagraph (C) cannot be issued.

(c) The Council shall not approve any budget which would result in expenditures being made by the District Government, during any fiscal year, in excess of all resources which the Mayor estimates will be available from all funds available to the District for such fiscal year. The budget shall identify any tax increases which shall be required in order to balance the budget as submitted. The Council shall be required to adopt such tax increases to the extent its budget is approved. For the purposes of this section, the Council shall use a Federal payment amount not to exceed the amount authorized by Congress. In determining whether any such budget would result in expenditures so being made in excess of such resources, amounts included in the budget estimates of the District of Columbia courts in excess of the recommendations of the Council shall not be applicable.

(d) The Mayor shall not forward to the President for submission to Congress a budget which is not balanced according to the provision of subsection 603(c).

(e) Nothing in this Act shall be construed as affecting the applicability to the District government of the provisions of section 3679 of the Revised Statutes of the United States (31 U.S.C. 665), the so-called Anti-Deficiency Act.

CONGRESSIONAL ACTION ON CERTAIN DISTRICT MATTERS

SEC. 604. (a) This section is enacted by Congress—

(1) as an exercise of the rulemaking power of the Senate and the House of Representatives, respectively, and as such these provisions are deemed a part of the rule of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of resolutions described by this section; and they supersede other rules only to the extent that they are inconsistent therewith; and

(2) with full recognition of the constitutional right of either House to change the rule (so far as relating to the procedure of that House) at any time, in the same manner and to the same extent as in the case of any other rule of that House.

“Resolution.”

(b) For the purpose of this section, “resolution” means only a concurrent resolution, the matter after the resolving clause of which is as follows: “That the _____ approves/disapproves of the action of the District of Columbia Council described as follows: _____.”, the blank spaces therein being appropriately filled, and either approval or disapproval being appropriately indicated; but does not include a resolution which specifies more than one action.

Referral to
congressional
committees.

(c) A resolution with respect to Council action shall be referred to the Committee on the District of Columbia of the House of Representatives, or the Committee on the District of Columbia of the Senate, by the President of the Senate or the Speaker of the House of Representatives, as the case may be.

(d) If the committee to which a resolution has been referred has not reported it at the end of twenty calendar days after its introduction, it is in order to move to discharge the committee from further consideration of any other resolution with respect to the same Council action which has been referred to the committee.

(e) A motion to discharge may be made only by an individual favoring the resolution, is highly privileged (except that it may not be made after the committee has reported a resolution with respect to the same action), and debate thereon shall be limited to not more than one hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(f) If the motion to discharge is agreed to or disagreed to, the motion may not be renewed, nor may another motion to discharge the committee be made with respect to any other resolution with respect to the same action.

(g) When the committee has reported, or has been discharged from further consideration of, a resolution, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(h) Debate on the resolution shall be limited to not more than ten hours, which shall be divided equally between those favoring and those opposing the resolution. A motion further to limit debate is not debatable. An amendment to, or motion to recommit, the resolution is not in order, and it is not in order to move to reconsider the vote by which the resolution is agreed to or disagreed to.

(i) Motions to postpone made with respect to the discharge from committee or the consideration of a resolution, and motions to proceed to the consideration of other business, shall be decided without debate.

(j) Appeals from the decisions of the Chair relating to the application of the rules of the Senate or the House of Representatives, as the case may be, to the procedure relating to a resolution shall be decided without debate.

REVIEW OF PLANS

SEC. 108. (a) The Secretary shall not approve a comprehensive manpower plan or any amendment thereto until he determines that it meets the requirements of section 105, and in the case of a State plan section 106, and that the plan was submitted to, and an opportunity to comment thereon provided, the Governor of the State and appropriate officials in units of general local government of the area to be served.

(b) (1) The Secretary shall not finally disapprove any comprehensive manpower plan submitted under this title, or any modifications thereof, without first affording the prime sponsor submitting the plan reasonable notice and opportunity for a hearing.

Hearing, notice.

(2) If the Secretary receives a formal allegation from an affected unit of general local government that a prime sponsor has changed its comprehensive manpower plan so that it no longer complies with section 105 or that in the administration of the plan there is a failure to comply substantially with any such provision, with any provision of the plan, or with any requirements of section 603 or 604, he shall, and, if he receives such an allegation from any other interested person, he may, or, if such allegation is supported by substantial evidence, he shall, after due notice and opportunity for a hearing to the prime sponsor, determine whether the allegation is true. If he determines such an allegation to be true, the Secretary shall notify the prime sponsor that no further payments will be made to the prime sponsor under the plan (or, in his discretion, that further payments will be limited to programs under or portions of the plan not affected by such failure), until he is satisfied that there will no longer be any failure to comply. Until he is so satisfied, the Secretary shall make no further payments to such sponsor under the plan (or shall limit payments to programs under the plan not affected by the failure).

Post, p. 878.

(c) The Secretary shall not disapprove any plan solely because of the percentage of funds devoted to a particular program or activity authorized under section 101 of this Act.

(d) Whenever the Secretary determines, after notice and oppor-

tunity for a public hearing, that any prime sponsor designated to serve under this Act is—

(1) maintaining a pattern or practice of discrimination in violation of section 603(1) or section 612(a) of this Act or otherwise failing to serve equitably the economically disadvantaged, unemployed, or underemployed persons in the area it serves;

(2) incurring unreasonable administrative costs in the conduct of activities and programs, as determined pursuant to regulation;

(3) failing to give due consideration to continued funding of programs of demonstrated effectiveness including those previously conducted under provisions of law repealed by section 614 of this Act; or

the Secretary shall revoke the prime sponsor's plan for the area, in whole or in part, and to the extent necessary and appropriate shall not make any further payments to such prime sponsor under this Act, and he shall notify such sponsor to return to him all or part of the unexpended sums paid under this Act during that fiscal year.

JUDICIAL REVIEW

SEC. 109. (a) If any prime sponsor is dissatisfied with the Secretary's final action with respect to the approval of its comprehensive manpower plan submitted under section 105 or section 106 or with his final action under section 108, such prime sponsor may, within sixty days after notice of such action, file with the United States court of appeals for the circuit in which the prime sponsor is located a petition for review of that action. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Secretary. Thereupon the Secretary shall file in the court the record of the proceedings on which he based his action, as provided in section 2112 of title 28, United States Code.

(b) The findings of fact by the Secretary, if supported by substantial evidence, shall be conclusive; but the court, for good cause shown, may remand the case to the Secretary to take further evidence, and the Secretary may thereupon make new or modified findings of fact and may modify his previous action, and shall certify to the court the record of the further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

(c) The court shall have jurisdiction to affirm the action of the Secretary or to set it aside, in whole or in part. The judgment of the court shall be subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28, United States Code.

AUTHORITY OF SECRETARY TO PROVIDE SERVICES

SEC. 110. (a) In any area of a State which has not qualified as a prime sponsor and for which no other prime sponsor has qualified under paragraph (2), (3), (4), or (5) of section 102(a) or where the Secretary has taken an action under subsection (b) (2) or (d) of section 108 which results in such services not being provided in such area, the Secretary is authorized and directed out of funds allotted to such State or local area under section 103(a) to provide for continuing programs by making payments directly to public and private nonprofit agencies and organizations conducting activities which he determines are not in violation of the requirements of this section. To the extent necessary to assure the delivery of services in the areas served by any prime sponsor subject to the provisions of this section, the Secretary is author-

ized (if no other eligible prime sponsor is designated under section 102 of this Act to serve such area) to make grants to and enter into contracts with public and private nonprofit agencies and organizations in the same manner and to the same extent as if the Secretary were the prime sponsor for that area.

(b) The Secretary shall, prior to making any payments under this Act for any fiscal year, enter into an agreement with any prime sponsor receiving payments under this Act which contains provisions adequate to assure that the provisions of this section are carried out effectively.

ALLOWANCES

SEC. 111. (a) Basic weekly allowances for individuals receiving training or education under this title for which no wages are payable shall be at a rate prescribed by the Secretary which when added to amounts received by the trainee in the form of unemployment compensation payments shall equal the minimum wage for a work week of forty hours under section 6(a)(1) of the Fair Labor Standards Act of 1938 or, if higher, under the applicable State or local minimum wage law, and such basic allowances shall, in the case of an individual with dependents, be increased by \$5 a week for each dependent over two up to a maximum of four additional dependents. The prime sponsor may waive the payment of all or part of the allowances when it determines, under regulations prescribed by the Secretary, that such waiver will promote the purposes of this Act. Trainees receiving public assistance or whose needs or income are taken into account in determining such public assistance payments to others, shall receive an incentive allowance of \$30 per week. Such allowance shall be disregarded in determining the amount of public assistance payments under Federal or Federally assisted public assistance programs. In prescribing allowances, the prime sponsor shall, in accordance with regulations prescribed by the Secretary, allow additional sums for special circumstances such as exceptional expenses incurred by trainees, including but not limited to meal and travel allowances, or he may reduce such allowances by an amount reflecting the fair value of meals, lodging, or other necessities furnished to the trainee. The prime sponsor shall take such action as may be necessary to insure that such persons receive no allowances with respect to periods during which they are failing to participate in such programs, training, or instruction as prescribed herein without good cause. Notwithstanding the preceding provisions of this subsection, the prime sponsor shall, in accordance with such regulations as the Secretary shall prescribe, make such adjustments as he deems appropriate in allowances which would otherwise be payable under this title, including but not limited to adjustments which take into account the amount of time per week spent by the individual participating in such programs and adjustments to reflect the special economic circumstances which exist in the area in which the program is to be carried on. Allowances shall not be paid for any course of training having a duration in excess of one hundred and four weeks.

(b) Individuals receiving training on the job shall be compensated by the employer at such rates, including periodic increases, as may be deemed reasonable under regulations prescribed by the Secretary, considering such factors as industry, geographical region, and trainee proficiency, but in no event at a rate less than that specified in section 6(a)(1) of the Fair Labor Standards Act of 1938 or, if higher, under the applicable State or local minimum wage law.

TITLE III—SPECIAL FEDERAL RESPONSIBILITIES

PART A—SPECIAL TARGET GROUPS

SPECIAL MANPOWER TARGET GROUPS

SEC. 301. (a) The Secretary shall use funds available under this title to provide additional manpower services as authorized under titles I and II to segments of the population that are in particular need of such services, including youth, offenders, persons of limited English-speaking ability, older workers, and other persons which the Secretary determines have particular disadvantages in the labor market. The Secretary shall take into account the need for continued funding of programs of demonstrated effectiveness.

(b) With respect to programs for persons of limited English-speaking ability under this Act, the Secretary shall establish appropriate procedures to ensure that participants are provided with manpower training and related assistance and supportive services (where feasible, at times designed to meet the needs of individuals unable to attend during normal working hours) designed to increase the employment and training opportunities for unemployed and underemployed persons of limited English-speaking ability, including (A) the teaching of occupational skills in the primary language of such persons for occupations which do not require a high proficiency in English, and (B) developing new employment opportunities for limited English-speaking persons and opportunities for promotion within existing employment situations for such persons, including programs for the dissemination of appropriate information, and job placement, and counseling assistance, and the conduct of training and employment programs, in the primary language of such persons, as well as programs designed to increase the English-speaking ability of such persons.

To ensure the objectives of this subsection, the Secretary may, wherever feasible, provide for appropriate arrangements with employers and labor organizations, appropriate parole, probationary and judicial authorities, and for the utilization of training equipment comparable to that currently used for the job in which training is furnished. To support such programs, the Secretary shall develop information concerning the special needs of offenders for such services, including special studies regarding the incidence of unemployment

among offenders and the means of increasing employment opportunity for offenders.

(d) The Secretary shall carry out fully and effectively his responsibilities for the assignment of assistant veterans employment representatives under section 2003 of title 38, United States Code, and his other responsibilities under chapter 41 of such title and for the listing of all suitable employment openings with local offices of the State employment service by Federal contractors and subcontractors and providing for the special emphasis as required by section 2012(a) of such title.

INDIAN MANPOWER PROGRAMS

SEC. 302. (a) The Congress finds that (1) serious unemployment and economic disadvantage exist among members of Indian and Alaskan native communities; (2) there is a compelling need for the establishment of comprehensive manpower training and employment programs for members of those communities; (3) such programs are essential to the reduction of economic disadvantage among individual members of those communities and to the advancement of economic and social development in these communities consistent with their goals and life styles.

(b) The Congress therefore declares that, because of the special relationship between the Federal Government and most of those to be served by the provisions of this section, (1) such programs can best be administered at the national level; (2) such programs shall be available to federally recognized Indian tribes, bands, and individuals and to other groups and individuals of native American descent such as, but not limited to, the Lummi in Washington, the Menominees in Wisconsin, the Klamaths in Oregon, the Oklahoma Indians, the Passamaquoddy and Penobscots in Maine, and Eskimos and Aleuts in Alaska; (3) such programs shall be administered in such a manner as to maximize the Federal commitment to support growth and development as determined by representatives of the communities and groups served by this part.

(c) (1) In carrying out his responsibilities under this section, the Secretary shall, wherever possible, utilize Indian tribes, bands or groups (including Alaska Native villages or groups as defined in the Alaska Native Claims Settlement Act of December 18, 1971 (85 Stat. 688)) having a governing body, for the provision of manpower services under this title. When the Secretary determines that such tribe, band, or group has demonstrated the capability to effectively administer a comprehensive manpower program, he shall require such tribe, band, or group to submit to him a comprehensive plan meeting the requirements of section 105.

43 USC 1601
note.

(2) In carrying out his responsibilities under this section the Secretary shall make arrangements with prime sponsors and organizations (meeting requirements prescribed by the Secretary) serving non-reservation Indians for programs and projects designed to meet the needs of such Indians for employment and training and related services.

(d) Whenever the Secretary determines not to utilize Indian tribes, bands, or groups for the provisions of manpower services under this section, he shall, to the maximum extent feasible, enter into arrangements for the provision of such services with public or private non-profit agencies which meet with the approval of the tribes, bands, or groups to be served.

(e) The Secretary is directed to take appropriate action to establish administrative procedures and machinery (including personnel having particular competence in this field) for the administration of Indian manpower programs authorized under this Act.

(f) Funds available for this section shall be expended for programs and activities consistent with the purposes of this part, including but not limited to such programs and activities carried out by eligible applicants under other provisions of this Act.

(g) For the purpose of carrying out this section, the Secretary shall reserve from funds available for this title an amount equal to not less than 4 percent of the amount allocated pursuant to section 103(a)(1).

(h) No provision of this section shall abrogate in any way the trust responsibilities of the Federal Government to Indian bands or tribes.

MIGRANT AND SEASONAL FARMWORKER MANPOWER PROGRAMS

SEC. 303. (a) The Congress finds and declares that—

(1) chronic seasonal unemployment and underemployment in the agricultural industry, substantially affected by recent advances in technology and mechanization, constitute a substantial portion of the Nation's rural manpower problem and substantially affects the entire national economy;

(2) because of the special nature of certain farmworker manpower problems such programs can best be administered at the national level.

(b)(1) Funds available for this section shall be expended for programs and activities consistent with the purposes of this section, including but not limited to programs and activities carried out by eligible applicants under other provisions of this Act.

(2) For the purpose of carrying out this section, the Secretary shall reserve from funds available for this title an amount equal to not less than 5 percent of the amount allocated pursuant to section 103(a)(1).

SEC. 304. (a) The Secretary may provide financial assistance in urban and rural areas, including areas having large concentrations or proportions of low-income, unemployed persons, and rural areas having substantial outmigration to urban areas, for comprehensive work and training programs, and necessary supportive and follow-up services, including the following:

(1) programs to provide part-time employment, on-the-job training, and useful work experience for students from low-income families who are in the ninth through twelfth grades of school (or are of an age equivalent to that of students in such grades) and who are in need of the earnings to permit them to resume or maintain attendance in school;

(2) programs to provide unemployed, underemployed, or low-income persons (aged sixteen and over) with useful work and training (which must include sufficient basic education and institutional or on-the-job training) designed to assist those persons to develop their maximum occupational potential and to obtain regular competitive employment;

(3) jobs, including those in recreation and related programs, for economically disadvantaged youths during the summer months;

(4) special programs which involve work activities directed to the needs of those chronically unemployed poor who have poor employment prospects and are unable, because of age, lack of employment opportunity, or otherwise, to secure appropriate employment or training assistance under other programs, and which, in addition to other services provided, will enable such persons to participate in projects for the betterment, physical

improvement, or beautification of the community or areas served by the program;

(5) special programs which provide unemployed or low-income persons with jobs leading to career opportunities, including new types of careers, in programs designed to improve the physical, social, economic, or cultural condition of the community or area served;

(6) special services, when required, for middle-aged and older men and women, including recruitment, placement, and counseling for such persons who are unemployed as a result of the closing of a plant or factory or a permanent large-scale reduction in the work force of a locality, and provide grants to or contracts with prime sponsors to assist such sponsors in securing part-time or temporary employment for middle-aged and older persons; and

(7) other manpower programs conducted by community-based organizations.

(b) To the maximum extent feasible, programs or components of programs conducted under this section shall be linked to comprehensive work and training programs conducted by prime sponsors under title I of this Act, but the Secretary may provide financial assistance to a public agency or private organization other than a prime sponsor to carry out one or more component programs described in subsection (a) when he determines, after soliciting and considering comments of the appropriate prime sponsor, if any, that such assistance would enhance program effectiveness. In the case of programs under subsection (a)(1) of this section, financial assistance may be provided directly to local or State education agencies, after consultation with the Secretary of Health, Education, and Welfare, for the operation of such programs.

CONSULTATION WITH SECRETARY OF HEALTH, EDUCATION, AND WELFARE

TITLE IV—JOB CORPS

STATEMENT OF PURPOSE

SEC. 401. This title establishes a Job Corps for low-income disadvantaged young men and women, sets forth standards and procedures for selecting individuals as enrollees in the Job Corps, authorizes the establishment of residential and nonresidential centers in which enrollees will participate in intensive programs of education, vocational training, work experience, counseling and other activities, and prescribes various other powers, duties, and responsibilities incident to the operation and continuing development of the Job Corps. The purpose of this title is to assist young persons who need and can benefit from an unusually intensive program, operated in a group setting, to become more responsive, employable, and productive citizens; and to do so in a way that contributes, where feasible, to the development of National, State, and community resources, and to the development and dissemination of techniques for working with the disadvantaged that can be widely utilized by public and private institutions and agencies.

ESTABLISHMENT OF THE JOB CORPS

SEC. 402. There is established within the Department of Labor a "Job Corps".

INDIVIDUALS ELIGIBLE FOR THE JOB CORPS

SEC. 403. To become an enrollee in the Job Corps, a young man or woman must be a person who—

(1) is a permanent resident of the United States who has attained age fourteen but not attained age twenty-two at the time of enrollment;

(2) is a low-income individual or member of a low-income family who requires additional education, training, or intensive counseling and related assistance in order to secure and hold meaningful employment, participate successfully in regular schoolwork, qualify for other training programs suitable to his needs, or satisfy Armed Forces requirements;

(3) is currently living in an environment so characterized by cultural deprivation, a disruptive homelife, or other disorienting conditions as to substantially impair his prospects for successful participation in any other program providing needed training, education, or assistance;

(4) is determined, after careful screening as provided for in sections 404 and 405, to have the present capabilities and aspirations needed to complete and secure the full benefit of the program authorized in this title, and to be free of medical and behavioral problems so serious that he could not or would not be able to adjust to the standards of conduct and discipline or pattern of work and training which that program involves; and

(5) meets such other standards for enrollment as the Secretary may prescribe (including special standards for the enrollment on a residential basis of 14 and 15 year olds) and agrees to comply with all applicable Job Corps rules and regulations.

SCREENING AND SELECTION OF APPLICANTS—GENERAL PROVISIONS

Rules.

SEC. 404. (a) The Secretary shall prescribe necessary rules for the screening and selection of applicants for enrollment in the Job Corps. To the extent practicable, rules established under this section shall be implemented through arrangements which make use of agencies and organizations such as community action agencies, public employment offices, professional groups, and labor organizations. The rules shall establish specific standards and procedures for conducting screening and selection activities; shall encourage recruitment through agencies and individuals having contact with youths over substantial periods of time and able, accordingly, to offer reliable information as to their needs and problems; and shall provide for necessary consultation with other individuals and organizations, including court, probation, parole, law enforcement, education, welfare, and medical authorities and advisers. The rules shall also provide for—

(1) the interviewing of each applicant for the purpose of—

(A) determining whether his educational and vocational needs can best be met through the Job Corps or any alternative program in his home community;

(B) obtaining from the applicant pertinent data relating to his background, needs, and interests for evaluation in determining his eligibility and potential assignment; and

(C) giving the applicant a full understanding of the Job

Corps program and making clear what will be expected of him as an enrollee in the event of his acceptance; and

(2) the conduct of a careful and systematic inquiry concerning the applicant's background for the effective development and, as appropriate, clarification of information concerning his age, citizenship, school and draft status, health, employability, past behavior, family income, environment, and other matters related to a determination of his eligibility.

(b) The Secretary shall make no payments to any individual or organization solely as compensation for the service of referring the names of candidates for enrollment in the Jobs Corps.

(c) The Secretary shall take all necessary steps to assure that the enrollment of the Job Corps includes an appropriate number of candidates selected from rural areas, taking into account the proportion of eligible youth who reside in rural areas and the need to provide residential facilities for such youth in order to meet problems of wide geographic dispersion.

Rural area
candidates.

SCREENING AND SELECTION—SPECIAL LIMITATIONS

SEC. 405. (a) No individual shall be selected as an enrollee unless it is determined that there is reasonable expectation that he can participate successfully in group situations and activities with other enrollees, that he is not likely to engage in actions or behavior that would prevent other enrollees from receiving the benefit of the program or be incompatible with the maintenance of sound discipline and satisfactory relationships between any center to which he might be assigned and surrounding communities, and that he manifests a basic understanding of both the rules to which he will be subject and of the consequences of failure to observe those rules. Before selecting an individual who has a history of serious and violent behavior against persons or property, repetitive delinquent acts, narcotics addiction, or other major behavioral aberrations, the Secretary of Labor shall obtain a finding from a professionally qualified person who knows such potential enrollee's individual situation that there is reasonable expectation that his conduct will not be inimical to the goals and success of the Job Corps and that the opportunity provided by the Job Corps will help him to overcome his problem.

(b) An individual who otherwise qualifies for enrollment may be selected even though he is on probation or parole, but only if his release from the immediate supervision of the cognizant probation or parole officials is mutually satisfactory to those officials and the Secretary, does not violate applicable laws or regulations, and if the Secretary has arranged to provide all supervision of the individual and all reports to State or other authorities that may be necessary to comply with applicable probation or parole requirements.

Parolees.

(c) Each enrollee (other than a native and citizen of Cuba described in section 609(3) of the Economic Opportunity Act of 1964 or a permanent resident of the Trust Territory of the Pacific Islands) must take and subscribe to an oath or affirmation in the following form: "I do solemnly swear (or affirm) that I bear true faith and allegiance

Assignment to
contiguous areas.

Assignment to
remote areas.

(d) After the Secretary has determined whether an enrollee is to be assigned to a men's training center, a conservation center, or a women's training center, the enrollee, shall be assigned to the center of the appropriate type in which a vacancy exists which is closest to the enrollee's home, except that the Secretary, on an individual basis, may waive this requirement when overriding considerations justify such action. Assignments to centers in areas more remote from the enrollee's home shall be carefully limited to situations in which such action is necessary in order to insure an equitable opportunity for disadvantaged youth from various sections of the country to participate in the program, to prevent undue delays in the assignment of individual enrollees, to provide an assignment which adequately meets the educational or other needs of the enrollee or is necessary for efficiency and economy in the operation of the program.

Male enrollees.

(e) Assignments of male enrollees shall be made so that, at any one time, at least 40 per centum of those enrollees are assigned to conservation centers as described in section 407, or to other centers or projects where their work activity is primarily directed to the conservation, development, or management of public natural resources or recreational areas and is performed under the direction of personnel of agencies regularly responsible for the functions relating to such resources or areas.

SEC. 407. (a) The Secretary may make agreements with Federal, State, or local agencies, or private organizations for the establishment and operation of Job Corps centers. Job Corps centers may be residential or nonresidential in character, or both, and shall be designed and operated so as to provide enrollees, in a well-supervised setting, with education, vocational training, work experience (either in direct program activities or through arrangements with employers), counseling, and other services appropriate to their needs. The centers shall include conservation centers, to be known as Civilian Conservation Centers, to be located primarily in rural areas and to provide, in addition to other training and assistance, programs of work experience focused upon activities to conserve, develop, or manage public natural resources or public recreational areas or to assist in developing community projects in the public interest. The centers shall also include men's and women's training centers to be located in either urban or rural areas and to provide activities which shall include training and other services appropriate for enrollees who can be expected to participate successfully in training for specific types of skilled or semiskilled employment.

(b) To the extent feasible, men's and women's training centers shall offer education and vocational training opportunities, together with supportive services, on a nonresidential basis to participants in programs described in title I of this Act. Such opportunities may be offered on a reimbursable basis or through such other arrangements as the Secretary may specify.

Center programs shall include required participation in center maintenance support and related work activity as appropriate to assist enrollees in increasing their sense of contribution, responsibility, and discipline.

(b) To the extent practicable, the Secretary may arrange for enrollee education and vocational training through local public or private educational agencies, vocational educational institutions, or technical institutes where such institutions or institutes can provide training comparable in cost and substantially equivalent in quality to that which he could provide through other means.

Personal allowances shall be established at a rate not to exceed \$35 per month during the first six months of an enrollee's participation in the program and not to exceed \$50 per month thereafter, except that allowances in excess of \$35 per month, but not exceeding \$50 per month, may be provided from the beginning of an enrollee's participation if it is expected to be of less than six months' duration and the Secretary is authorized to pay personal allowances in excess of the rates specified herein in unusual circumstances as determined by him. Such allowances shall be graduated up to the maximum so as to encourage continued participation in the program, achievement and the best use by the enrollee of the funds so provided and shall be subject to reduction in appropriate cases as a disciplinary measure. To the degree reasonable, enrollees shall be required to meet or contribute to costs associated with their individual comfort and enjoyment from their personal allowances.

SEC. 410. (a) Within Job Corps centers standards of conduct and deportment shall be provided and stringently enforced. In the case of violations committed by enrollees, dismissals from the Corps or transfers to other locations shall be made in every instance where it is determined that retention in the Corps, or in the particular Job Corps center, will jeopardize the enforcement of such standards of conduct and deportment or diminish the opportunity of other enrollees.

(b) In order to promote the proper moral and disciplinary conditions in the Job Corps, the individual directors of Job Corps centers shall be given full authority to take appropriate disciplinary measures against enrollees including, but not limited to, dismissal from the Job Corps, subject to expeditious appeal procedures to higher authority, as provided under regulations established by the Secretary.

SEC. 411. The Secretary shall encourage and shall cooperate in activities designed to establish a mutually beneficial relationship between Job Corps centers and surrounding or nearby communities. These activities shall include the establishment of community advisory councils to provide a mechanism for joint discussion of common problems and for planning programs of mutual interest. Whenever possible, such advisory councils shall be formed by and coordinated under the local community action agency. Youth participation in advisory council affairs shall be encouraged and where feasible separate youth councils may be established, to be composed of representative enrollees and representative young people from the communities. The Secretary shall establish necessary rules and take necessary action to assure that each center is operated in a manner consistent with this section with a view to achieving, so far as possible, objectives which shall include—

Rules.

EVALUATION: EXPERIMENTAL AND DEVELOPMENTAL PROJECTS

Sec. 413. (a) The Secretary shall provide for the careful and systematic evaluation of the Job Corps program, directly or by contracting for independent evaluations, with a view to measuring specific benefits, so far as practicable, and providing information needed to assess the effectiveness of program procedures, policies, and methods of operation. In particular, this evaluation shall seek to determine the costs and benefits resulting from the use of residential as opposed to nonresidential facilities, from the use of facilities combining residential and nonresidential components, from the use of centers with large as opposed to small enrollments, and from the use of different types of program sponsors, including public agencies, institutions of higher education, boards of education, and private corporations. The evaluation shall also include comparisons with proper control groups composed of persons who have not participated in the program. In carrying out such evaluations, the Secretary shall arrange for obtaining the opinions of participants about the strengths and weaknesses of the program and shall consult with other agencies and officials in order to compare the relative effectiveness of Job Corps techniques with those used in other programs, and shall endeavor to secure, through employers, schools, or other Government and private agencies specific information concerning the residence of former enrollees, their employment status, compensation, and success in adjusting to community life. These projects shall include one or more projects providing youths with education, training, and other supportive services on a combined residential and nonresidential basis. The Secretary may, if he deems it advisable, undertake one or more pilot projects designed to involve youth who have a history of serious and violent behavior against persons or property, repetitive delinquent acts, narcotics addiction, or other behavioral aberrations. Such facilities shall be centrally located in an urban area having a high dropout rate, a large number of unemployed youths, and a need in the area for a combination vocational school and skill center. ADVISORY BOARDS AND COMMITTEES

SEC. 414. The Secretary shall make use of advisory committees or boards in connection with the operation of the Job Corps, and the operation of Job Corps centers, whenever he determines that the availability of outside advice and counsel on a regular basis would be of substantial benefit in identifying and overcoming problems, in planning program or center development, or in strengthening relationships between the Job Corps and agencies, institutions, or groups engaged in related activities. Nothing in this section shall be considered as limiting the functions of the National Advisory Council, established pursuant to section 605 of the Economic Opportunity Act of 1964, with respect to any matter or question involving the Job Corps; but this shall not prevent the establishment through or in cooperation with the National Advisory Council of one or more boards or committees under this section.

TITLE V—NATIONAL COMMISSION FOR MANPOWER POLICY

FINDINGS AND DECLARATION OF PURPOSE

SEC. 501. (a) The Congress finds and declares that the responsibility for the development, administration, and coordination of programs of training and manpower development generally is so diffused and fragmented at all levels of government that it has been impossible to develop rational priorities in these fields, with the result that even good programs have proved to be far less effective than could reasonably be expected. The Congress further finds that the lack of a coherent, flexible, national manpower policy reduces our prospects of solving economic and social problems which threaten fundamental national interests and objectives.

(b) Accordingly, the purpose of this title is to establish a National Commission for Manpower Policy which will have the responsibility for examining these issues, for suggesting ways and means of dealing with them, and for advising the Secretary on national manpower issues.

The Director may appoint, with the concurrence of the Chairman and the Secretary of Labor, such clerical staff as are necessary. The Commission may utilize such staff from the Department of Labor, the Department of Health, Education, and Welfare, and such other Federal agencies as may be available to assist the Commission in carrying out its responsibilities.

Gifts and be-
quests, accept-
ance.

(d) The Commission may accept in the name of the Department of Labor and employ or dispose of gifts or bequests, to carry out its responsibilities under this title.

(e) Members of the Commission who are not officers or employees of the Federal Government shall be paid compensation at a rate of up to the per diem equivalent of the rate for GS-18 when engaged in the work of the Commission, including traveltime, and shall be allowed

travel expenses and per diem in lieu of subsistence as authorized by law (5 U.S.C. 5703) for persons in the Government service employed intermittently and receiving compensation on a per diem, when actually employed, basis.

83 Stat. 190.

SEC. 503. The Commission shall—

(1) identify the manpower goals and needs of the Nation and assess the extent to which employment and training, vocational education, institutional training, vocational rehabilitation, economic opportunity, and other programs under this and related Acts represent a consistent, integrated, and coordinated approach to meeting such needs and achieving such goals;

(2) conduct such studies, hearings, research, or other activities as it deems necessary to enable it to formulate appropriate recommendations;

(5) evaluate and make recommendations to the Congress with respect to the report of the Secretary required under section 506, and continue to make studies of the impact of energy shortages upon manpower needs and include these findings and recommendations with respect thereto in the reports required by section 505.

COORDINATION STUDY

SEC. 504. The Commission shall conduct a study of the utilization and interrelation of programs of manpower training with closely associated programs such as those conducted under the Wagner-Peyser Act, the work incentives program under part C of title IV of the Social Security Act, and others of similar nature, with a view to determining how they could be better coordinated and more effectively combined to serve individuals, particularly at the State and local levels, and shall make a report of their findings and recommendations to the President and the Congress not later than January 31, 1975.

70A Stat. 269.

CONDITIONS APPLICABLE TO ALL PROGRAMS

SEC. 603. The Secretary shall not provide financial assistance for any program under this Act unless—

Nondiscrimination.

(2) such program does not involve political activities;

(3) participants in the program will not be employed on the construction, operation, or maintenance of so much of any facility as is used or to be used for sectarian instruction or as a place for religious worship;

Workmen's compensation.

(6) appropriate workmen's compensation protection will be provided to all participants;

Training.

(8) persons shall not be referred for training in an occupation which requires less than two weeks of preemployment training unless there are immediate employment opportunities available in that occupation;

(9) training and related services under any such program are designed, to the maximum extent practicable, consistent with every individual's fullest capabilities, to lead to employment opportunities enabling participants to become economically self-sufficient;

(11) funds will be used to supplement, to the extent practicable,

the level of funds that would otherwise be made available from non-Federal sources for the purpose of planning and administration of programs within the scope of this Act and not to supplant such other funds;

(12) the applicant will make such reports, in such form and containing such information as the Secretary may from time to time require, and will keep such records and afford such access thereto as the Secretary may find necessary to assure that funds are being expended in accordance with the provisions of this Act;

(13) the program will, to the maximum extent feasible, contribute to the occupational development or upward mobility of individual participants;

Such limitations on relocation shall not prohibit assistance to a business entity in the establishment of a new branch, affiliate, or subsidiary of such entity if the Secretary of Labor finds that assistance will not result in an increase in unemployment in the area of original location or in any other area where such entity conducts business operations, unless he has reason to believe that such branch, affiliate, or subsidiary is being established with the intention of closing down the operations of the existing business entity in the area of its original location or in any other area where it conducts such operations.

Non-skilled jobs,
exclusion.

(b) Acceptance of family planning services provided to trainees shall be voluntary on the part of the individual to whom such services are offered and shall not be a prerequisite to eligibility for or receipt of any benefit under the program.

DETERMINATION OF ENDANGERED SPECIES AND THREATENED SPECIES

SEC. 4. (a) GENERAL.—(1) The Secretary shall by regulation determine whether any species is an endangered species or a threatened species because of any of the following factors:

- (1) the present or threatened destruction, modification, or curtailment of its habitat or range;
- (2) overutilization for commercial, sporting, scientific, or educational purposes;
- (3) disease or predation;
- (4) the inadequacy of existing regulatory mechanisms; or
- (5) other natural or manmade factors affecting its continued existence.

(2) With respect to any species over which program responsibilities have been vested in the Secretary of Commerce pursuant to Reorganization Plan Numbered 4 of 1970—

(A) in any case in which the Secretary of Commerce determines that such species should—

- (i) be listed as an endangered species or a threatened species, or

(ii) be changed in status from a threatened species to an endangered species,
he shall so inform the Secretary of the Interior, who shall list such species in accordance with this section;

(B) in any case in which the Secretary of Commerce determines that such species should—

(i) be removed from any list published pursuant to subsection (c) of this section, or

(ii) be changed in status from an endangered species to a threatened species,

he shall recommend such action to the Secretary of the Interior, and the Secretary of the Interior, if he concurs in the recommendation, shall implement such action; and

(C) the Secretary of the Interior may not list or remove from any list any such species, and may not change the status of any such species which are listed, without a prior favorable determination made pursuant to this section by the Secretary of Commerce.

(b) BASIS FOR DETERMINATIONS.—(1) The Secretary shall make determinations required by subsection (a) of this section on the basis of the best scientific and commercial data available to him and after consultation, as appropriate, with the affected States, interested persons and organizations, other interested Federal agencies, and, in cooperation with the Secretary of State, with the country or countries in which the species concerned is normally found or whose citizens harvest such species on the high seas; except that in any case in which such determinations involve resident species of fish or wildlife, the Secretary of the Interior may not add such species to, or remove such species from, any list published pursuant to subsection (c) of this section, unless the Secretary has first—

(A) published notice in the Federal Register and notified the Governor of each State within which such species is then known to occur that such action is contemplated;

(B) allowed each such State 90 days after notification to submit its comments and recommendations, except to the extent that such period may be shortened by agreement between the Secretary and the Governor or Governors concerned; and

(C) published in the Federal Register a summary of all comments and recommendations received by him which relate to such proposed action.

(2) In determining whether or not any species is an endangered species or a threatened species, the Secretary shall take into consideration those efforts, if any, being made by any nation or any political subdivision of any nation to protect such species, whether by predator control, protection of habitat and food supply, or other conservation practices, within any area under the jurisdiction of any such nation or political subdivision, or on the high seas.

(3) Species which have been designated as requiring protection from unrestricted commerce by any foreign country, or pursuant to any international agreement, shall receive full consideration by the Secretary to determine whether each is an endangered species or a threatened species.

(c) LISTS.—(1) The Secretary of the Interior shall publish in the Federal Register, and from time to time he may by regulation revise, a list of all species determined by him or the Secretary of Commerce to be endangered species and a list of all species determined by him or the Secretary of Commerce to be threatened species. Each list shall refer to the species contained therein by scientific and common name or names, if any, and shall specify with respect to each such species over what portion of its range it is endangered or threatened.

Review.
80 Stat. 383.

(2) The Secretary shall, upon the petition of an interested person under subsection 553(e) of title 5, United States Code, conduct a review of any listed or unlisted species proposed to be removed from or added to either of the lists published pursuant to paragraph (1) of this subsection, but only if he makes and publishes a finding that such person has presented substantial evidence which in his judgment warrants such a review.

(3) Any list in effect on the day before the date of the enactment of this Act of species of fish or wildlife determined by the Secretary of the Interior, pursuant to the Endangered Species Conservation Act of 1969, to be threatened with extinction shall be republished to conform to the classification for endangered species or threatened species, as the case may be, provided for in this Act, but until such republication, any such species so listed shall be deemed an endangered species within the meaning of this Act. The republication of any species pursuant to this paragraph shall not require public hearing or comment under section 553 of title 5, United States Code.

(d) PROTECTIVE REGULATIONS.—Whenever any species is listed as a threatened species pursuant to subsection (c) of this section, the Secretary shall issue such regulations as he deems necessary and advisable to provide for the conservation of such species. The Secretary may by regulation prohibit with respect to any threatened species any act prohibited under section 9(a)(1), in the case of fish or wildlife, or section 9(a)(2), in the case of plants, with respect to endangered species; except that with respect to the taking of resident species of fish or wildlife, such regulations shall apply in any State which has entered into a cooperative agreement pursuant to section 6(a) of this Act only to the extent that such regulations have also been adopted by such State.

(e) SIMILARITY OF APPEARANCE CASES.—The Secretary may, by regulation, and to the extent he deems advisable, treat any species as an endangered species or threatened species even though it is not listed pursuant to section 4 of this Act if he finds that—

(A) such species so closely resembles in appearance, at the point in question, a species which has been listed pursuant to such section that enforcement personnel would have substantial difficulty in attempting to differentiate between the listed and unlisted species;

(B) the effect of this substantial difficulty is an additional threat to an endangered or threatened species; and

(C) such treatment of an unlisted species will substantially facilitate the enforcement and further the policy of this Act.

(f) REGULATIONS.—(1) Except as provided in paragraphs (2) and (3) of this subsection and subsection (b) of this section, the provisions of section 553 of title 5, United States Code (relating to rule-making procedures), shall apply to any regulation promulgated to carry out the purposes of this Act.

COOPERATION WITH THE STATES

SEC. 6. (a) GENERAL.—In carrying out the program authorized by this Act, the Secretary shall cooperate to the maximum extent practicable with the States. Such cooperation shall include consultation with the States concerned before acquiring any land or water, or interest therein, for the purpose of conserving any endangered species or threatened species.

(b) MANAGEMENT AGREEMENTS.—The Secretary may enter into agreements with any State for the administration and management of any area established for the conservation of endangered species or

threatened species. Any revenues derived from the administration of such areas under these agreements shall be subject to the provisions of section 401 of the Act of June 15, 1935 (49 Stat. 383; 16 U.S.C. 715s).

78 Stat. 701.

(c) COOPERATIVE AGREEMENTS.—In furtherance of the purposes of this Act, the Secretary is authorized to enter into a cooperative agreement in accordance with this section with any State which establishes and maintains an adequate and active program for the conservation of endangered species and threatened species. Within one hundred and twenty days after the Secretary receives a certified copy of such a proposed State program, he shall make a determination whether such program is in accordance with this Act. Unless he determines, pursuant to this subsection, that the State program is not in accordance with this Act, he shall enter into a cooperative agreement with the State for the purpose of assisting in implementation of the State program. In order for a State program to be deemed an adequate and active program for the conservation of endangered species and threatened species, the Secretary must find, and annually thereafter reconfirm such finding, that under the State program—

(1) authority resides in the State agency to conserve resident species of fish or wildlife determined by the State agency or the Secretary to be endangered or threatened;

(2) the State agency has established acceptable conservation programs, consistent with the purposes and policies of this Act, for all resident species of fish or wildlife in the State which are deemed by the Secretary to be endangered or threatened, and has furnished a copy of such plan and program together with all pertinent details, information, and data requested to the Secretary;

(3) the State agency is authorized to conduct investigations to determine the status and requirements for survival of resident species of fish and wildlife;

(4) the State agency is authorized to establish programs, including the acquisition of land or aquatic habitat or interests therein, for the conservation of resident endangered species or threatened species; and

(5) provision is made for public participation in designating resident species of fish or wildlife as endangered or threatened.

(d) ALLOCATION OF FUNDS.—(1) The Secretary is authorized to provide financial assistance to any State, through its respective State agency, which has entered into a cooperative agreement pursuant to subsection (c) of this section to assist in development of programs for the conservation of endangered and threatened species. The Secretary shall make an allocation of appropriated funds to such States based on consideration of—

(A) the international commitments of the United States to protect endangered species or threatened species;

(B) the readiness of a State to proceed with a conservation program consistent with the objectives and purposes of this Act;

(C) the number of endangered species and threatened species within a State;

(D) the potential for restoring endangered species and threatened species within a State; and

(E) the relative urgency to initiate a program to restore and protect an endangered species or threatened species in terms of survival of the species.

So much of any appropriated funds allocated for obligation to any State for any fiscal year as remains unobligated at the close thereof is

authorized to be made available to that State until the close of the succeeding fiscal year. Any amount allocated to any State which is unobligated at the end of the period during which it is available for expenditure is authorized to be made available for expenditure by the Secretary in conducting programs under this section.

(2) Such cooperative agreements shall provide for (A) the actions to be taken by the Secretary and the States; (B) the benefits that are expected to be derived in connection with the conservation of endangered or threatened species; (C) the estimated cost of these actions; and (D) the share of such costs to be borne by the Federal Government and by the States; except that—

(i) the Federal share of such program costs shall not exceed 66⅔ per centum of the estimated program cost stated in the agreement; and

(ii) the Federal share may be increased to 75 per centum whenever two or more States having a common interest in one or more endangered or threatened species, the conservation of which may be enhanced by cooperation of such States, enter jointly into an agreement with the Secretary.

The Secretary may, in his discretion, and under such rules and regulations as he may prescribe, advance funds to the State for financing the United States pro rata share agreed upon in the cooperative agreement. For the purposes of this section, the non-Federal share may, in the discretion of the Secretary, be in the form of money or real property, the value of which will be determined by the Secretary, whose decision shall be final.

(e) REVIEW OF STATE PROGRAMS.—Any action taken by the Secretary under this section shall be subject to his periodic review at no greater than annual intervals.

(f) CONFLICTS BETWEEN FEDERAL AND STATE LAWS.—Any State law or regulation which applies with respect to the importation or exportation of, or interstate or foreign commerce in, endangered species or threatened species is void to the extent that it may effectively (1) permit what is prohibited by this Act or by any regulation which implements this Act, or (2) prohibit what is authorized pursuant to an exemption or permit provided for in this Act or in any regulation which implements this Act. This Act shall not otherwise be construed to void any State law or regulation which is intended to conserve migratory, resident, or introduced fish or wildlife, or to permit or prohibit sale of such fish or wildlife. Any State law or regulation respecting the taking of an endangered species or threatened species may be more restrictive than the exemptions or permits provided for in this Act or in any regulation which implements this Act but not less restrictive than the prohibitions so defined.

(g) TRANSITION.—(1) For purposes of this subsection, the term “establishment period” means, with respect to any State, the period beginning on the date of enactment of this Act and ending on whichever of the following dates first occurs: (A) the date of the close of the 120-day period following the adjournment of the first regular session of the legislature of such State which commences after such date of enactment, or (B) the date of the close of the 15-month period following such date of enactment.

“Establishment period.”

(2) The prohibitions set forth in or authorized pursuant to sections 4(d) and 9(a)(1)(B) of this Act shall not apply with respect to the taking of any resident endangered species or threatened species (other than species listed in Appendix I to the Convention or otherwise specifically covered by any other treaty or Federal law) within any State—

(A) which is then a party to a cooperative agreement with the Secretary pursuant to section 6(c) of this Act (except to the extent that the taking of any such species is contrary to the law of such State); or

(B) except for any time within the establishment period when—

(i) the Secretary applies such prohibition to such species at the request of the State, or

(ii) the Secretary applies such prohibition after he finds, and publishes his finding, that an emergency exists posing a significant risk to the well-being of such species and that the prohibition must be applied to protect such species. The Secretary's finding and publication may be made without regard to the public hearing or comment provisions of section 553 of title 5, United States Code, or any other provision of this Act; but such prohibition shall expire 90 days after the date of its imposition unless the Secretary further extends such prohibition by publishing notice and a statement of justification of such extension.

80 Stat. 383.

(h) REGULATIONS.—The Secretary is authorized to promulgate such regulations as may be appropriate to carry out the provisions of this section relating to financial assistance to States.

(i) APPROPRIATIONS.—For the purposes of this section, there is authorized to be appropriated through the fiscal year ending June 30, 1977, not to exceed \$10,000,000.

INTERAGENCY COOPERATION

SEC. 7. The Secretary shall review other programs administered by him and utilize such programs in furtherance of the purposes of this Act. All other Federal departments and agencies shall, in consultation with and with the assistance of the Secretary, utilize their authorities in furtherance of the purposes of this Act by carrying out programs for the conservation of endangered species and threatened species listed pursuant to section 4 of this Act and by taking such action necessary to insure that actions authorized, funded, or carried out by them do not jeopardize the continued existence of such endangered species and threatened species or result in the destruction or modification of habitat of such species which is determined by the Secretary, after consultation as appropriate with the affected States, to be critical.

INTERNATIONAL COOPERATION

SEC. 8. (a) FINANCIAL ASSISTANCE.—As a demonstration of the commitment of the United States to the worldwide protection of endangered species and threatened species, the President may, subject to the provisions of section 1415 of the Supplemental Appropriation Act, 1953 (31 U.S.C. 724), use foreign currencies accruing to the United States Government under the Agricultural Trade Development and Assistance Act of 1954 or any other law to provide to any foreign country (with its consent) assistance in the development and management of programs in that country which the Secretary determines to be necessary or useful for the conservation of any endangered species or threatened species listed by the Secretary pursuant to section 4 of this Act. The President shall provide assistance (which includes, but is not limited to, the acquisition, by lease or otherwise, of lands, waters, or interests therein) to foreign countries under this section under such terms and conditions as he deems appropriate. Whenever foreign currencies are available for the provision of assistance

under this section, such currencies shall be used in preference to funds appropriated under the authority of section 15 of this Act.

(b) **ENCOURAGEMENT OF FOREIGN PROGRAMS.**—In order to carry out further the provisions of this Act, the Secretary, through the Secretary of State, shall encourage—

(1) foreign countries to provide for the conservation of fish or wildlife including endangered species and threatened species listed pursuant to section 4 of this Act;

(2) the entering into of bilateral or multilateral agreements with foreign countries to provide for such conservation; and

(3) foreign persons who directly or indirectly take fish or wildlife in foreign countries or on the high seas for importation into the United States for commercial or other purposes to develop and carry out with such assistance as he may provide, conservation practices designed to enhance such fish or wildlife and their habitat.

(c) **PERSONNEL.**—After consultation with the Secretary of State, the Secretary may—

(1) assign or otherwise make available any officer or employee of his department for the purpose of cooperating with foreign countries and international organizations in developing personnel resources and programs which promote the conservation of fish or wildlife; and

(2) conduct or provide financial assistance for the educational training of foreign personnel, in this country or abroad, in fish, wildlife, or plant management, research and law enforcement and to render professional assistance abroad in such matters.

(d) **INVESTIGATIONS.**—After consultation with the Secretary of State and the Secretary of the Treasury, as appropriate, the Secretary may conduct or cause to be conducted such law enforcement investigations and research abroad as he deems necessary to carry out the purposes of this Act.

(e) **CONVENTION IMPLEMENTATION.**—The President is authorized and directed to designate appropriate agencies to act as the Management Authority or Authorities and the Scientific Authority or Authorities pursuant to the Convention. The agencies so designated shall thereafter be authorized to do all things assigned to them under the Convention, including the issuance of permits and certificates. The agency designated by the President to communicate with other parties to the Convention and with the Secretariat shall also be empowered, where appropriate, in consultation with the State Department, to act on behalf of and represent the United States in all regards as required by the Convention. The President shall also designate those agencies which shall act on behalf of and represent the United States in all regards as required by the Convention on Nature Protection and Wildlife Preservation in the Western Hemisphere.

56 Stat. 1354.

(D) violate any regulation pertaining to such species or to any threatened species of plants listed pursuant to section 4 of this Act and promulgated by the Secretary pursuant to authority provided by this Act.

(b) **SPECIES HELD IN CAPTIVITY OR CONTROLLED ENVIRONMENT.**—The provisions of this section shall not apply to any fish or wildlife held in captivity or in a controlled environment on the effective date of this Act if the purposes of such holding are not contrary to the purposes of this Act; except that this subsection shall not apply in the case of any fish or wildlife held in the course of a commercial activity. With respect to any act prohibited by this section which occurs after a period of 180 days from the effective date of this Act, there shall be a rebuttable presumption that the fish or wildlife involved in such act was not held in captivity or in a controlled environment on such effective date.

(c) **VIOLATION OF CONVENTION.**—(1) It is unlawful for any person subject to the jurisdiction of the United States to engage in any trade in any specimens contrary to the provisions of the Convention, or to possess any specimens traded contrary to the provisions of the Convention, including the definitions of terms in article I thereof.

be presumed to be an importation not in violation of any provision of this Act or any regulation issued pursuant to this Act.

(d) **IMPORTS AND EXPORTS.**—(1) It is unlawful for any person to engage in business as an importer or exporter of fish or wildlife (other than shellfish and fishery products which (A) are not listed pursuant to section 4 of this Act as endangered species or threatened species, and (B) are imported for purposes of human or animal consumption or taken in waters under the jurisdiction of the United States or on the high seas for recreational purposes) or plants without first having obtained permission from the Secretary.

(2) Any person required to obtain permission under paragraph (1) of this subsection shall—

(C) file such reports as the Secretary may require.

Reports.

(3) The Secretary shall prescribe such regulations as are necessary and appropriate to carry out the purposes of this subsection.

(e) **REPORTS.**—It is unlawful for any person importing or exporting fish or wildlife (other than shellfish and fishery products which (1) are not listed pursuant to section 4 of this Act as endangered or threatened species, and (2) are imported for purposes of human or animal consumption or taken in waters under the jurisdiction of the United States or on the high seas for recreational purposes) or plants to fail to file any declaration or report as the Secretary deems necessary to facilitate enforcement of this Act or to meet the obligations of the Convention.

(f) **DESIGNATION OF PORTS.**—(1) It is unlawful for any person subject to the jurisdiction of the United States to import into or export from the United States any fish or wildlife (other than shellfish and fishery products which (A) are not listed pursuant to section 4 of this Act as endangered species or threatened species, and (B) are imported for purposes of human or animal consumption or taken in waters under the jurisdiction of the United States or on the high seas for recreational purposes) or plants, except at a port or ports designated by the Secretary of the Interior. For the purpose of facilitating enforcement of this Act and reducing the costs thereof, the Secretary of the Interior, with approval of the Secretary of the Treasury and after notice and opportunity for public hearing, may, by regulation, designate ports and change such designations. The Secretary of the Interior, under such terms and conditions as he may prescribe, may permit the importation or exportation at nondesignated ports in the interest of the health or safety of the fish or wildlife or plants, or for other reasons if, in his discretion, he deems it appropriate and consistent with the purpose of this subsection.

(2) Any port designated by the Secretary of the Interior under the authority of section 4(d) of the Act of December 5, 1969 (16 U.S.C. 666cc-4(d)), shall, if such designation is in effect on the day before the date of the enactment of this Act, be deemed to be a port designated by the Secretary under paragraph (1) of this subsection until such time as the Secretary otherwise provides.

83 Stat. 277.
16 USC 668cc-4.

(g) **VIOLATIONS.**—It is unlawful for any person subject to the jurisdiction of the United States to attempt to commit, solicit another to commit, or cause to be committed, any offense defined in this section.

EXCEPTIONS

SEC. 10. (a) PERMITS.—The Secretary may permit, under such terms and conditions as he may prescribe, any act otherwise prohibited by section 9 of this Act for scientific purposes or to enhance the propagation or survival of the affected species.

(b) HARDSHIP EXEMPTIONS.—(1) If any person enters into a contract with respect to a species of fish or wildlife or plant before the date of the publication in the Federal Register of notice of consideration of that species as an endangered species and the subsequent listing of that species as an endangered species pursuant to section 4 of this Act will cause undue economic hardship to such person under the contract, the Secretary, in order to minimize such hardship, may exempt such person from the application of section 9(a) of this Act to the extent the Secretary deems appropriate if such person applies to him for such exemption and includes with such application such information as the Secretary may require to prove such hardship; except that (A) no such exemption shall be for a duration of more than one year from the date of publication in the Federal Register of notice of consideration of the species concerned, or shall apply to a quantity of fish or wildlife or plants in excess of that specified by the Secretary; (B) the one-year period for those species of fish or wildlife listed by the Secretary as endangered prior to the effective date of this Act shall expire in accordance with the terms of section 3 of the Act of December 5, 1969 (83 Stat. 275); and (C) no such exemption may be granted for the importation or exportation of a specimen listed in Appendix I of the Convention which is to be used in a commercial activity.

16 USC 668cc-3.

“Undue economic hardship.”

(2) As used in this subsection, the term “undue economic hardship” shall include, but not be limited to:

(A) substantial economic loss resulting from inability caused by this Act to perform contracts with respect to species of fish and wildlife entered into prior to the date of publication in the Federal Register of a notice of consideration of such species as an endangered species;

(B) substantial economic loss to persons who, for the year prior to the notice of consideration of such species as an endangered species, derived a substantial portion of their income from the lawful taking of any listed species, which taking would be made unlawful under this Act; or

(C) curtailment of subsistence taking made unlawful under this Act by persons (i) not reasonably able to secure other sources of subsistence; and (ii) dependent to a substantial extent upon hunting and fishing for subsistence; and (iii) who must engage in such curtailed taking for subsistence purposes.

(3) The Secretary may make further requirements for a showing of undue economic hardship as he deems fit. Exceptions granted under this section may be limited by the Secretary in his discretion as to time, area, or other factor of applicability.

Publication in Federal Register.

(c) NOTICE AND REVIEW.—The Secretary shall publish notice in the Federal Register of each application for an exemption or permit which is made under this subsection. Each notice shall invite the submission from interested parties, within thirty days after the date of the notice, written data, views, or arguments with respect to the application. Information received by the Secretary as a part of any application shall be available to the public as a matter of public record at every stage of the proceeding.

(d) PERMIT AND EXEMPTION POLICY.—The Secretary may grant exceptions under subsections (a) and (b) of this section only if he finds

and publishes his finding in the Federal Register that (1) such exceptions were applied for in good faith, (2) if granted and exercised will not operate to the disadvantage of such endangered species, and (3) will be consistent with the purposes and policy set forth in section 2 of this Act.

(e) ALASKA NATIVES.—(1) Except as provided in paragraph (4) of this subsection the provisions of this Act shall not apply with respect to the taking of any endangered species or threatened species, or the importation of any such species taken pursuant to this section, by—

(A) any Indian, Aleut, or Eskimo who is an Alaskan Native who resides in Alaska; or

(B) any non-native permanent resident of an Alaskan native village;

if such taking is primarily for subsistence purposes. Non-edible byproducts of species taken pursuant to this section may be sold in interstate commerce when made into authentic native articles of handicrafts and clothing; except that the provisions of this subsection shall not apply to any non-native resident of an Alaskan native village found by the Secretary to be not primarily dependent upon the taking of fish and wildlife for consumption or for the creation and sale of authentic native articles of handicrafts and clothing.

(2) Any taking under this subsection may not be accomplished in a wasteful manner.

(3) As used in this subsection—

Definitions.

(i) The term “subsistence” includes selling any edible portion of fish or wildlife in native villages and towns in Alaska for native consumption within native villages or towns; and

(ii) The term “authentic native articles of handicrafts and clothing” means items composed wholly or in some significant respect of natural materials, and which are produced, decorated, or fashioned in the exercise of traditional native handicrafts without the use of pantographs, multiple carvers, or other mass copying devices. Traditional native handicrafts include, but are not limited to, weaving, carving, stitching, sewing, lacking, beading, drawing, and painting.

(4) Notwithstanding the provisions of paragraph (1) of this subsection, whenever the Secretary determines that any species of fish or wildlife which is subject to taking under the provisions of this subsection is an endangered species or threatened species, and that such taking materially and negatively affects the threatened or endangered species, he may prescribe regulations upon the taking of such species by any such Indian, Aleut, Eskimo, or non-Native Alaskan resident of an Alaskan native village. Such regulations may be established with reference to species, geographical description of the area included, the season for taking, or any other factors related to the reason for establishing such regulations and consistent with the policy of this Act. Such regulations shall be prescribed after a notice and hearings in the affected judicial districts of Alaska and as otherwise required by section 103 of the Marine Mammal Protection Act of 1972, and shall be removed as soon as the Secretary determines that the need for their impositions has disappeared.

Any person who otherwise violates any provision of this Act, or any regulation, permit, or certificate issued hereunder, may be assessed a civil penalty by the Secretary of not more than \$1,000 for each such violation. No penalty may be assessed under this subsection unless such person is given notice and opportunity for a hearing with respect to such violation. Each violation shall be a separate offense. Any such civil penalty may be remitted or mitigated by the Secretary. Upon any failure to pay a penalty assessed under this subsection, the Secretary may request the Attorney General to institute a civil action in a district court of the United States for any district in which such person is found, resides, or transacts business to collect the penalty and such court shall have jurisdiction to hear and decide any such action. The court shall hear such action on the record made before the Secretary and shall sustain his action if it is supported by substantial evidence on the record considered as a whole.

(2) Hearings held during proceedings for the assessment of civil penalties authorized by paragraph (1) of this subsection shall be conducted in accordance with section 554 of title 5, United States Code. The Secretary may issue subpoenas for the attendance and testimony of witnesses and the production of relevant papers, books, and documents, and administer oaths. Witnesses summoned shall be paid the same fees and mileage that are paid to witnesses in the courts of the United States. In case of contumacy or refusal to obey a subpoena served upon any person pursuant to this paragraph, the district court of the United States for any district in which such person is found or resides or transacts business, upon application by the United States and after notice to such person, shall have jurisdiction to issue an order requiring such person to appear and give testimony before the Secretary or to appear and produce documents before the Secretary, or both, and any failure to obey such order of the court may be punished by such court as a contempt thereof.

(b) CRIMINAL VIOLATIONS.—(1) Any person who willfully commits an act which violates any provision of this Act, of any permit or certificate issued hereunder, or of any regulation issued in order to implement subsection (a) (1) (A), (B), (C), (D), (E), or (F); (a) (2) (A), (B), or (C), (c), (d) (other than a regulation relating to recordkeeping, or filing of reports), (f), or (g) of section 9 of this Act shall, upon conviction, be fined not more than \$20,000 or imprisoned for not more than one year, or both. Any person who willfully commits an act which violates any provision of any other regulation issued under this Act shall, upon conviction, be fined not more than \$10,000 or imprisoned for not more than six months, or both.

(2) The head of any Federal agency which has issued a lease, license, permit, or other agreement authorizing the use of Federal lands, including grazing of domestic livestock, to any person who is convicted of a criminal violation of this Act or any regulation, permit, or certificate issued hereunder may immediately modify, suspend, or revoke each lease, license, permit, or other agreement. The Secretary shall also suspend for a period of up to one year, or cancel, any Federal hunting or fishing permits or stamps issued to any person who is convicted of a criminal violation of any provision of this Act or any

(d) **REWARDS.**—Upon the recommendation of the Secretary, the Secretary of the Treasury is authorized to pay an amount equal to one-half of the civil penalty or fine paid, but not to exceed \$2,500, to any person who furnishes information which leads to a finding of civil violation or a conviction of a criminal violation of any provision of this Act or any regulation or permit issued thereunder. Any officer or employee of the United States or of any State or local government who furnishes information or renders service in the performance of his official duties shall not be eligible for payment under this section.

To authorize the Secretary of the Interior to enter into agreements with non-Federal agencies for the replacement of the existing American Falls Dam, Minidoka project, Idaho, and for other purposes.

American Falls
Dam, Minidoka
project, Idaho.
Replacement.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Interior (hereinafter called the Secretary) is authorized to negotiate and enter into agreements with the American Falls Reservoir District or other appropriate agency representing the present spaceholders (hereinafter called the constructing agency), which agreements shall authorize the constructing agency to finance and provide for the construction of a dam and related facilities to replace the existing American Falls Dam of the Minidoka project, Idaho-Wyoming. The United States shall take title to the dam upon a determination by the Secretary that construction of the dam is substantially completed, and the dam shall be a feature of the Minidoka reclamation project and shall be considered to be a "Government dam" as defined by the Federal Power Act (Act of June 10, 1920, 41 Stat. 1063, as amended). The Secretary shall operate and maintain the replacement dam as a feature of the Minidoka project. The construction and operation of the replacement dam shall not result in an increase in the elevation of the reservoir water surface above that maintained for the original dam, and provision shall be made for the correction and prevention of erosion related to the reservoir or for the full and adequate compensation of adjacent landowners (including owners of land subject to a flowage easement for the reservoir) if such erosion cannot be corrected or prevented.

Storage and
contract rights,
protection.

SEC. 2. (a) Replacement of the existing dam as authorized in section 1 hereof shall in no way alter or change the present proportionate storage rights of present spaceholders in the American Falls Reservoir and shall constitute a reaffirmation of existing contract rights between the Secretary and the spaceholders except as otherwise provided in this Act.

River crossing
construction.

(b) The constructing agency shall: (i) include as a part of the project, a river crossing meeting the then current Department of Transportation standards for Federal-aid secondary highway two-lane traffic, which crossing shall be located on top of the replacement dam or immediately downstream from the dam, and which crossing shall be financed by State, Federal, and constructing agency funds, or any combination thereof as the parties deem appropriate; and (ii) design and construct an additional two lanes on top of the replacement dam, which additional two lanes may be funded with State, Federal, or constructing agency funds, or any combination thereof. For the purposes of subpart (ii) of this subsection, the constructing agency shall be considered an "agency" within the meaning of section 320(a) of title 23, United States Code.

72 Stat. 917.

(c) The plans and specifications for the construction of the dam shall require that an adequate two-lane, two-way crossing shall be maintained at or near the site of the dam during construction.

SEC. 3. The constructing agency may enter into repayment contracts with the spaceholders in the existing American Falls Reservoir providing for the repayment by the spaceholders of proportionate shares of the total project costs incurred by the constructing agency for engineering, financing, designing, and constructing the replacement dam, and the Secretary shall be a party to said contracts and the delivery of water to the spaceholders shall be contingent upon the execution of such contracts and the fulfillment of the obligations thereunder: *Provided*, That said contracts shall be consistent with the terms of existing contracts between the Secretary and the spaceholders for repayment of the costs of the existing American Falls Dam.

Repayment contracts with spaceholders.

SEC. 4. The constructing agency may contract with an appropriate non-Federal entity for the use of the falling water leaving the dam for power generation, which contract shall provide for a monetary return to the constructing agency to defray the costs of construction of the replacement dam. The constructing agency may enter into agreements with an appropriate non-Federal entity to coordinate the construction of hydroelectric power facilities with the construction of the replacement dam. The contract and agreements for use of the falling water shall not be subject to the limitations of section 9(c) of the Reclamation Project Act of 1939 (53 Stat. 1194), or any similar limitations in any other applicable Acts of Congress: *Provided*, That said contract for falling water shall be approved by the Secretary and shall not impair the efficiency of the project to serve the other purposes of the Minidoka project.

Leasing contract for hydroelectric power production.

43 USC 485h.

SEC. 5. Construction of the replacement dam shall not be initiated until the Secretary has approved the designs and specifications of the dam and the plan of construction of the dam and of the proposed operation of the dam and reservoir. Construction of each related facility shall not be initiated until the Secretary has approved the designs and specifications thereof. Costs incurred by the Secretary in reviewing such designs, specifications, plans, and construction shall be included as project costs allocated to beneficiaries of the replacement dam and shall be reimbursable to the Secretary.

Designs and specifications, approval.

Costs, reimbursement to Secretary of Interior.

SEC. 6. The Secretary is authorized to provide specific facilities for public recreation and fish and wildlife enhancement in connection with the replacement dam, and the costs of such facilities shall be repaid in accordance with the provisions of the Federal Water Project Recreation Act (79 Stat. 213). In addition, specific facilities for public recreation may also be provided in accordance with the Land and Water Conservation Fund Act of 1965 (78 Stat. 897), as amended (16 U.S.C. 460, et seq.).

SEC. 7. There is hereby authorized to be appropriated for construction of specific facilities for public recreation and fish and wildlife enhancement the sum of \$400,000 (July 1972 prices) plus or minus such amounts, if any, as may be required by reason of the changes in the cost of construction work of the type involved therein as shown by engineering cost indices. There are also authorized to be appropriated such funds as may be necessary to meet the prorated construction cost apportionable to the irrigation storage rights of the Michaud Division of the Fort Hall Indian Reservation for space in the reservoir behind the American Falls Replacement Dam and such cost shall be subject to the Act of July 1, 1932 (47 Stat. 564; 25 U.S.C. 368a). SEC. 2. The Public Health Service Act is amended by adding after title XII the following new title:

"TITLE XIII—HEALTH MAINTENANCE ORGANIZATIONS

"REQUIREMENTS FOR HEALTH MAINTENANCE ORGANIZATIONS

Definition.

"SEC. 1301. (a) For purposes of this title, the term 'health maintenance organization' means a legal entity which (1) provides basic and supplemental health services to its members in the manner prescribed by subsection (b), and (2) is organized and operated in the manner prescribed by subsection (c).

“(b) A health maintenance organization shall provide, without limitations as to time or cost other than those prescribed by or under this title, basic and supplemental health services to its members in the following manner:

Basic health services.

“(1) Each member is to be provided basic health services for a basic health services payment which (A) is to be paid on a periodic basis without regard to the dates health services (within the basic health services) are provided; (B) is fixed without regard to the frequency, extent, or kind of health service (within the basic health services) actually furnished; (C) is fixed under a community rating system; and (D) may be supplemented by additional nominal payments which may be required for the provision of specific services (within the basic health services), except that such payments may not be required where or in such a manner that they serve (as determined under regulations of the Secretary) as a barrier to the delivery of health services. Such additional nominal payments shall be fixed in accordance with the regulations of the Secretary.

“(2) For such payment or payments (hereinafter in this title referred to as ‘supplemental health services payments’) as the health maintenance organization may require in addition to the basic health services payment, the organization shall provide to each of its members each health service (A) which is included in supplemental health services (as defined in section 1302(2)), (B) for which the required health manpower are available in the area served by the organization, and (C) for the provision of which the member has contracted with the organization. Supplemental health services payments which are fixed on a prepayment basis shall be fixed under a community rating system.

“(3) The services of health professionals which are provided as basic health services shall be provided through health professionals who are members of the staff of the health maintenance organization or through a medical group (or groups) or individual practice association (or associations), except that this paragraph shall not apply in the case of (A) health professionals’ services which the organization determines, in conformity with regulations of the Secretary, are unusual or infrequently used, or (B) any basic health service provided a member of the health maintenance organization other than by such a health professional because it was medically necessary that the service be provided to the member before he could have it provided by such a health professional. For purposes of this paragraph, the term ‘health professionals’ means physicians, dentists, nurses, podiatrists, optometrists, and such other individuals engaged in the delivery of health services as the Secretary may by regulation designate.

“Health professionals.”

“(4) Basic health services (and supplemental health services in the case of the members who have contracted therefor) shall within the area served by the health maintenance organization be available and accessible to each of its members promptly as appropriate and in a manner which assures continuity, and when medically necessary be available and accessible twenty-four hours a day and seven days a week. A member of a health maintenance organization shall be reimbursed by the organization for his expenses in securing basic or supplemental health services other than through the organization if it was medically necessary that the services be provided before he could secure them through the organization.

Functions.

“(c) Each health maintenance organization shall—

“(1) have a fiscally sound operation and adequate provision against the risk of insolvency which is satisfactory to the Secretary;

“(2) assume full financial risk on a prospective basis for the provision of basic health services, except that a health maintenance organization may obtain insurance or make other arrangements (A) for the cost of providing to any member basic health services the aggregate value of which exceeds \$5,000 in any year, (B) for the cost of basic health services provided to its members other than through the organization because medical necessity required their provision before they could be secured through the organization, and (C) for not more than 90 per centum of the amount by which its costs for any of its fiscal years exceed 115 per centum of its income for such fiscal year;

“(3) enroll persons who are broadly representative of the various age, social, and income groups within the area it serves, except that in the case of a health maintenance organization which has a medically underserved population located (in whole or in part) in the area it serves, not more than 75 per centum of the members of that organization may be enrolled from the medically underserved population unless the area in which such population resides is also a rural area (as designated by the Secretary);

“(4) have an open enrollment period of not less than thirty days at least once during each consecutive twelve-month period during which enrollment period it accepts, up to its capacity, individuals in the order in which they apply for enrollment, except that if the organization demonstrates to the satisfaction of the Secretary that—

“(A) it has enrolled, or will be compelled to enroll, a disproportionate number of individuals who are likely to utilize its services more often than an actuarially determined average (as determined under regulations of the Secretary) and enrollment during an open enrollment period of an additional number of such individuals will jeopardize its economic viability, or

“(B) if it maintained an open enrollment period it would not be able to comply with the requirements of paragraph (3).

Waiver.

the Secretary may waive compliance by the organization with the open enrollment requirement of this paragraph for not more than three consecutive twelve-month periods and may provide additional waivers to that organization if it makes the demonstration required by subparagraph (A) or (B);

“(5) not expel or refuse to re-enroll any member because of his health status or his requirements for health services;

“(6) be organized in such a manner that assures that (A) at least one-third of the membership of the policymaking body of the health maintenance organization will be members of the organization, and (B) there will be equitable representation on such body of members from medically underserved populations served by the organization;

“(7) be organized in such a manner that provides meaningful procedures for hearing and resolving grievances between the health maintenance organization (including the medical group or groups and other health delivery entities providing health services for the organization) and the members of the organization;

“(8) have organizational arrangements, established in accordance with regulations of the Secretary, for an ongoing quality assurance program for its health services which program (A) stresses health outcomes, and (B) provides review by physicians

and other health professionals of the process followed in the provision of health services;

“(9) provide medical social services for its members and encourage and actively provide for its members health education services, education in the appropriate use of health services, and education in the contribution each member can make to the maintenance of his own health;

“(10) provide, or make arrangements for, continuing education for its health professional staff; and

“(11) provide, in accordance with regulations of the Secretary (including safeguards concerning the confidentiality of the doctor-patient relationship), an effective procedure for developing, compiling, evaluating, and reporting to the Secretary, statistics and other information (which the Secretary shall publish and disseminate on an annual basis and which the health maintenance organization shall disclose, in a manner acceptable to the Secretary, to its members and the general public) relating to (A) the cost of its operations, (B) the patterns of utilization of its services, (C) the availability, accessibility, and acceptability of its services, (D) to the extent practical, developments in the health status of its members, and (E) such other matters as the Secretary may require.

If a service of a physician described in the preceding sentence may also be provided under applicable State law by a dentist, optometrist, or podiatrist, a health maintenance organization may provide such service through an optometrist, dentist, or podiatrist (as the case may be) licensed to provide such service. A health maintenance organization is authorized, in connection with the prescription or provision of prescription drugs, to maintain, review, and evaluate (in accordance with regulations of the Secretary) a drug use profile of its members receiving such services, evaluate patterns of drug utilization to assure optimum drug therapy, and provide for instruction of its members and of health professionals in the use of prescription and non-prescription drugs.

“(3) The term ‘member’ when used in connection with a health maintenance organization means an individual who has entered into a contractual arrangement, or on whose behalf a contractual arrangement has been entered into, with the organization under which the organization assumes the responsibility for the provision to such individual of basic health services and of such supplemental health services as may be contracted for.

“(5) The term ‘individual practice association’ means a partnership, corporation, association, or other legal entity which has entered into a services arrangement (or arrangements) with persons who are licensed to practice medicine, osteopathy, dentistry, podiatry, optome-

try, or other health profession in a State and a majority of whom are licensed to practice medicine or osteopathy. Such an arrangement shall provide—

“(A) that such persons shall provide their professional services in accordance with a compensation arrangement established by the entity; and

“(B) to the extent feasible (i) that such persons shall utilize such additional professional personnel, allied health professions personnel, and other health personnel (as specified in regulations of the Secretary) as are available and appropriate for the effective and efficient delivery of the services of the persons who are parties to the arrangement, (ii) for the sharing by such persons of medical and other records, equipment, and professional, technical, and administrative staff, and (iii) for the arrangement and encouragement of the continuing education of such persons in the field of clinical medicine and related areas.

“(6) The term ‘section 314(a) State health planning agency’ means the agency of a State which administers or supervises the administration of a State’s health planning functions under a State plan approved under section 314(a) (hereinafter in this title referred to as a ‘section 314(a) plan’); and the term ‘section 314(b) areawide health planning agency’ means a public or nonprofit private agency or organization which has developed a comprehensive regional, metropolitan, or other local area plan or plans referred to in section 314(b) (hereinafter in this title referred to as a ‘section 314(b) plan’).

Such a designation may be made by the Secretary only after consideration of the comments (if any) of (A) each section 314(a) State health planning agency whose section 314(a) plan covers (in whole or in part) such urban or rural area or the area in which such population group resides, and (B) each section 314(b) areawide health planning agency whose section 314(b) plan covers (in whole or in part) such urban or rural area or the area in which such population group resides.

“(8) The term ‘community rating system’ means a system of fixing rates of payments for health services. Under such a system rates of payments may be determined on a per-person or per-family basis and may vary with the number of persons in a family, but except as otherwise authorized in the next sentence, such rates must be equivalent for all individuals and for all families of similar composition. The following differentials in rates of payments may be established under such system:

“(A) Nominal differentials in such rates may be established to reflect the different administrative costs of collecting payments from the following categories of members:

“(i) Individual members (including their families).

“(ii) Small groups of members (as determined under regulations of the Secretary).

“(iii) Large groups of members (as determined under regulations of the Secretary).

“(B) Differentials in such rates may be established for members enrolled in a health maintenance organization pursuant to a contract with a governmental authority under section 1079 or 1086 of title 10, United States Code, or under any other governmental program (other than the health benefits program authorized by chapter 89 of title 5, United States Code) or any health

cial interests of the United States and are otherwise reasonable, including a determination that the rate of interest does not exceed such per centum per annum on the principal obligation outstanding as the Secretary determines to be reasonable, taking into account the range of interest rates prevailing in the private market for similar loans and the risks assumed by the United States, and (B) the loan would not be available on reasonable terms and conditions without the guarantee under this title.

“(2) (A) The United States shall be entitled to recover from the applicant for a loan guarantee under this title the amount of any payment made pursuant to such guarantee, unless the Secretary for good cause waives such right of recovery; and, upon making any such payment, the United States shall be subrogated to all of the rights of the recipient of the payments with respect to which the guarantee was made.

“(B) To the extent permitted by subparagraph (C), any terms and conditions applicable to a loan guarantee under this title (including terms and conditions imposed under subparagraph (D)) may be modified by the Secretary to the extent he determines it to be consistent with the financial interest of the United States.

“(C) Any loan guarantee made by the Secretary under this title shall be incontestable (i) in the hands of an applicant on whose behalf such guarantee is made unless the applicant engaged in fraud or misrepresentation in securing such guarantee, and (ii) as to any person (or his successor in interest) who makes or contracts to make a loan to such applicant in reliance thereon unless such person (or his successor in interest) engaged in fraud or misrepresentation in making or contracting to make such loan.

“(D) Guarantees of loans under this title shall be subject to such further terms and conditions as the Secretary determines to be necessary to assure that the purposes of this title will be achieved.

“(b) (1) The Secretary may not approve an application for a loan under this title unless—

“(A) the Secretary is reasonably satisfied that the applicant therefor will be able to make payments of principal and interest thereon when due, and

“(B) the applicant provides the Secretary with reasonable assurances that there will be available to it such additional funds as may be necessary to complete the project or undertaking with respect to which such loan is requested.

“(2) Any loan made under this title shall (A) have such security, (B) have such maturity date, (C) be repayable in such installments, (D) bear interest at a rate comparable to the current rate of interest prevailing, on the date the loan is made, with respect to loans guaranteed under this title, and (E) be subject to such other terms and conditions (including provisions for recovery in case of default), as the Secretary determines to be necessary to carry out the purposes of this title while adequately protecting the financial interests of the United States.

Recovery rights,
waiver.

“(3) The Secretary may, for good cause but with due regard to the financial interests of the United States, waive any right of recovery which he has by reason of the failure of a borrower to make payments of principal of and interest on a loan made under this title, except that if such loan is sold and guaranteed, any such waiver shall have no effect upon the Secretary's guarantee of timely payment of principal and interest.

Loans, sale.

“(c) (1) The Secretary may from time to time, but with due regard to the financial interests of the United States, sell loans made by him under this title.

"(2) The Secretary may agree, prior to his sale of any such loan, to guarantee to the purchaser (and any successor in interest of the purchaser) compliance by the borrower with the terms and conditions of such loan. Any such agreement shall contain such terms and conditions as the Secretary considers necessary to protect the financial interests of the United States or as otherwise appropriate. Any such agreement may (A) provide that the Secretary shall act as agent of any such purchaser for the purpose of collecting from the borrower to which such loan was made and paying over to such purchaser, any payments of principal and interest payable by such organization under such loan; and (B) provide for the repurchase by the Secretary of any such loan on such terms and conditions as may be specified in the agreement. The full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under any guarantee under this paragraph.

"(3) After any loan under this title to a public health maintenance organization has been sold and guaranteed under this subsection, interest paid on such loan which is received by the purchaser thereof (or his successor in interest) shall be included in the gross income of the purchaser of the loan (or his successor in interest) for the purpose of chapter 1 of the Internal Revenue Code of 1954.

"(4) Amounts received by the Secretary as proceeds from the sale of loans under this subsection shall be deposited in the loan fund established under subsection (e).

"(d) (1) There is established in the Treasury a loan guarantee fund (hereinafter in this subsection referred to as the 'fund') which shall be available to the Secretary without fiscal year limitation, in such amounts as may be specified from time to time in appropriation Acts, to enable him to discharge his responsibilities under loan guarantees issued by him under this title. To the extent authorized in appropriation Acts, there shall also be deposited in the fund amounts received by the Secretary in connection with loan guarantees under this title and other property or assets derived by him from his operations respecting such loan guarantees, including any money derived from the sale of assets.

"(2) If at any time the sums in the funds are insufficient to enable the Secretary to discharge his responsibilities under guarantees issued by him under this title, he is authorized to issue to the Secretary of the Treasury notes or other obligations in such forms and denominations, bearing such maturities, and subject to such terms and conditions, as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Such notes or other obligations shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities during the month preceding the issuance of the notes or other obligations. The Secretary of the Treasury shall purchase any notes and other obligations issued under this paragraph and for that purpose he may use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, and the purposes for which the securities may be issued under that Act are extended to include any purchase of such notes and obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired by him under this paragraph. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States. To establish a Federal Financing Bank, to provide for coordinated and more efficient financing of Federal and federally assisted borrowings from the public, and for other purposes.

Federal Financing Bank Act of 1973.

FINDINGS AND DECLARATION OF PURPOSE

SEC. 2. The Congress finds that demands for funds through Federal and federally assisted borrowing programs are increasing faster than the total supply of credit and that such borrowings are not adequately coordinated with overall Federal fiscal and debt management policies. The purpose of this Act is to assure coordination of these programs with the overall economic and fiscal policies of the Government, to reduce the costs of Federal and federally assisted borrowings from the public, and to assure that such borrowings are financed in a manner least disruptive of private financial markets and institutions.

AN ACT

December 31, 1973
[H. R. 8449]

To expand the national flood insurance program by substantially increasing limits of coverage and total amount of insurance authorized to be outstanding and by requiring known flood-prone communities to participate in the program, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Flood Disaster Protection Act of 1973".

Flood Disaster
Protection Act of
1973.

FINDINGS AND DECLARATION OF PURPOSE

SEC. 2. (a) The Congress finds that—

(1) annual losses throughout the Nation from floods and mudslides are increasing at an alarming rate, largely as a result of the accelerating development of, and concentration of population in, areas of flood and mudslide hazards;

(2) the availability of Federal loans, grants, guaranties, insurance, and other forms of financial assistance are often determining factors in the utilization of land and the location and construction of public and of private industrial, commercial, and residential facilities;

(3) property acquired or constructed with grants or other Federal assistance may be exposed to risk of loss through floods, thus frustrating the purpose for which such assistance was extended;

(4) Federal instrumentalities insure or otherwise provide financial protection to banking and credit institutions whose assets include a substantial number of mortgage loans and other indebtedness secured by property exposed to loss and damage from floods and mudslides;

(5) the Nation cannot afford the tragic losses of life caused annually by flood occurrences, nor the increasing losses of property suffered by flood victims, most of whom are still inadequately compensated despite the provision of costly disaster relief benefits; and

(6) it is in the public interest for persons already living in flood-prone areas to have both an opportunity to purchase flood insurance and access to more adequate limits of coverage, so that they will be indemnified for their losses in the event of future flood disasters.

(b) The purpose of this Act, therefore, is to—

(1) substantially increase the limits of coverage authorized under the national flood insurance program;

(2) provide for the expeditious identification of, and the dissemination of information concerning, flood-prone areas;

(3) require States or local communities, as a condition of future Federal financial assistance, to participate in the flood insurance program and to adopt adequate flood plain ordinances with effective enforcement provisions consistent with Federal standards to reduce or avoid future flood losses; and

(4) require the purchase of flood insurance by property owners who are being assisted by Federal programs or by federally supervised, regulated, or insured agencies or institutions in the acquisition or improvement of land or facilities located or to be located in identified areas having special flood hazards.

DEFINITIONS

SEC. 3. (a) As used in this Act, unless the context otherwise requires, the term—

(1) “community” means a State or a political subdivision thereof which has zoning and building code jurisdiction over a particular area having special flood hazards;

(2) “Federal agency” means any department, agency, corporation, or other entity or instrumentality of the executive branch of the Federal Government, and includes the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation;

(3) “financial assistance” means any form of loan, grant, guaranty, insurance, payment, rebate, subsidy, disaster assistance loan or grant, or any other form of direct or indirect Federal assistance, other than general or special revenue sharing or formula grants made to States;

(4) "financial assistance for acquisition or construction purposes" means any form of financial assistance which is intended in whole or in part for the acquisition, construction, reconstruction, repair, or improvement of any publicly or privately owned building or mobile home, and for any machinery, equipment, fixtures, and furnishings contained or to be contained therein, and shall include the purchase or subsidization of mortgages or mortgage loans but shall exclude assistance for emergency work essential for the protection and preservation of life and property performed pursuant to the Disaster Relief Act of 1970 or any subsequent Act of Congress which supersedes or modifies the Disaster Relief Act of 1970;

84 Stat. 1744.
42 USC 4401
note.

(5) "Federal instrumentality responsible for the supervision, approval, regulation, or insuring of banks, savings and loan associations, or similar institutions" means the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation, the Comptroller of the Currency, the Federal Home Loan Bank Board, the Federal Savings and Loan Insurance Corporation, and the National Credit Union Administration; and

(6) "Secretary" means the Secretary of Housing and Urban Development.

(b) The Secretary is authorized to define or redefine, by rules and regulations, any scientific or technical term used in this Act, insofar as such definition is not inconsistent with the purposes of this Act.

EXTENSION OF FLOOD INSURANCE PROGRAM TO COVER LOSSES FROM EROSION AND UNDERMINING OF SHORELINES

SEC. 108. (a) Section 1302 of the National Flood Insurance Act of 1968 is amended by adding at the end thereof the following new subsection:

42 USC 4001.

“(g) The Congress also finds that (1) the damage and loss which may result from the erosion and undermining of shorelines by waves or currents in lakes and other bodies of water exceeding anticipated cyclical levels is related in cause and similar in effect to that which results directly from storms, deluges, overflowing waters, and other forms of flooding, and (2) the problems involved in providing protection against this damage and loss, and the possibilities for making such protection available through a Federal or federally sponsored program, are similar to those which exist in connection with efforts to provide protection against damage and loss caused by such other forms of flooding. It is therefore the further purpose of this title to make available, by means of the methods, procedures, and instrumentalities which are otherwise established or available under this title for purposes of the flood insurance program, protection against damage and loss resulting from the erosion and undermining of shorelines by waves

or currents in lakes and other bodies of water exceeding anticipated cyclical levels.”.

SEC. 110. Chapter III of the National Flood Insurance Act of 1968 is amended by adding at the end thereof the following new section:

“APPEALS

Publication in
Federal Register.

“SEC. 1363. (a) In establishing projected flood elevations for land use purposes with respect to any community pursuant to section 1361, the Secretary shall first propose such determinations by publication for comment in the Federal Register, by direct notification to the chief executive officer of the community, and by publication in a prominent local newspaper.

Flood elevation
determinations,
publication.

“(b) The Secretary shall publish notification of flood elevation determinations in a prominent local newspaper at least twice during the ten-day period following notification to the local government. During the ninety-day period following the second publication, any owner or lessee of real property within the community who believes his property rights to be adversely affected by the Secretary's proposed determination may appeal such determination to the local government. The sole basis for such appeal shall be the possession of knowledge or information indicating that the elevations being proposed by the Secretary with respect to an identified area having special flood hazards are scientifically or technically incorrect, and the sole relief which shall be granted under the authority of this section in the event that such appeal is sustained in accordance with subsection (e) or (f) is a modification of the Secretary's proposed determination accordingly.

“(c) Appeals by private persons shall be made to the chief executive officer of the community, or to such agency as he shall publicly designate, and shall set forth the data that tend to negate or contradict the Secretary’s finding in such form as the chief executive officer may specify. The community shall review and consolidate all such appeals and issue a written opinion stating whether the evidence presented is sufficient to justify an appeal on behalf of such persons by the community in its own name. Whether or not the community decides to appeal the Secretary’s determination, copies of individual appeals shall be sent to the Secretary as they are received by the community, and the community’s appeal or a copy of its decision not to appeal shall be filed with the Secretary not later than ninety days after the date of the second newspaper publication of the Secretary’s notification.

Appeals by
private persons.

“(d) In the event the Secretary does not receive an appeal from the community within the ninety days provided, he shall consolidate and review on their own merits, in accordance with the procedures set forth in subsection (e), the appeals filed within the community by private persons and shall make such modifications of his proposed determinations as may be appropriate, taking into account the written opinion, if any, issued by the community in not supporting such appeals. The Secretary’s decision shall be in written form, and copies thereof shall be sent both to the chief executive officer of the community and to each individual appellant.

Review.

“(e) Upon appeal by any community, as provided by this section, the Secretary shall review and take fully into account any technical or scientific data submitted by the community that tend to negate or contradict the information upon which his proposed determination is based. The Secretary shall resolve such appeal by consultation with officials of the local government involved, by administrative hearing, or by submission of the conflicting data to an independent scientific body or appropriate Federal agency for advice. Until the conflict in data is resolved, and the Secretary makes a final determination on the basis of his findings in the Federal Register, and so notifies the governing body of the community, flood insurance previously available within the community shall continue to be available, and no person shall be denied the right to purchase such insurance at chargeable rates. The Secretary shall make his determination within a reasonable time. The community shall be given a reasonable time after the Secretary’s final determination in which to adopt local land use and control measures consistent with the Secretary’s determination. The reports and other information used by the Secretary in making his final determination shall be made available for public inspection and shall be admissible in a court of law in the event the community seeks judicial review as provided by this section.

Information,
availability.

“(f) Any appellant aggrieved by any final determination of the Secretary upon administrative appeal, as provided by this section, may appeal such determination to the United States district court for the district within which the community is located not more than sixty days after receipt of notice of such determination. The scope of review by the court shall be as provided by chapter 7 of title 5, United States Code. During the pendency of any such litigation, all final determinations of the Secretary shall be effective for the purposes of this title unless stayed by the court for good cause shown.”

Public hearing.

(b) After such notification, each tentatively identified community shall either (1) promptly make proper application to participate in the national flood insurance program or (2) within six months submit technical data sufficient to establish to the satisfaction of the Secretary that the community either is not seriously flood prone or that such flood hazards as may have existed have been corrected by floodworks or other flood control methods. The Secretary may, in his discretion, grant a public hearing to any community with respect to which conflicting data exist as to the nature and extent of a flood hazard. If the Secretary decides not to hold a hearing, the community shall be given an opportunity to submit written and documentary evidence. Whether or not such hearing is granted, the Secretary's final determination as to the existence or extent of a flood hazard area in a particular community shall be deemed conclusive for the purposes of this Act if supported by substantial evidence in the record considered as a whole.

Notifications

(c) As information becomes available to the Secretary concerning the existence of flood hazards in communities not known to be flood prone at the time of the initial notification provided for by subsection (a) of this section he shall provide similar notifications to the chief executive officers of such additional communities, which shall then be subject to the requirements of subsection (b) of this section.

(d) Formally identified flood-prone communities that do not qualify for the national flood insurance program within one year after such notification or by the date specified in section 202, whichever is later, shall thereafter be subject to the provisions of that section relating to flood-prone communities which are not participating in the program.

DECLARATION OF POLICY

SEC. 101. (a) FINDINGS.—The Congress finds and declares that—

(1) Essential rail service in the midwest and northeast region of the United States is provided by railroads which are today insolvent and attempting to undergo reorganization under the Bankruptcy Act.

(2) This essential rail service is threatened with cessation or significant curtailment because of the inability of the trustees of such railroads to formulate acceptable plans of reorganization. This rail service is operated over rail properties which were acquired for a public use, but which have been permitted to deteriorate and now require extensive rehabilitation and modernization.

(3) The public convenience and necessity require adequate and efficient rail service in this region and throughout the Nation to meet the needs of commerce, the national defense, the environment, and the service requirements of passengers, United States mail, shippers, States and their political subdivisions, and consumers.

(4) Continuation and improvement of essential rail service in this region is also necessary to preserve and maintain adequate national rail services and an efficient national rail transportation system.

(5) Rail service and rail transportation offer economic and environmental advantages with respect to land use, air pollution, noise levels, energy efficiency and conservation, resource allocation, safety, and cost per ton-mile of movement to such extent that the preservation and maintenance of adequate and efficient rail service is in the national interest.

(6) These needs cannot be met without substantial action by the Federal Government.

(b) PURPOSES.—It is therefore declared to be the purpose of Congress in this Act to provide for—

(1) the identification of a rail service system in the midwest and northeast region which is adequate to meet the needs and service requirements of this region and of the national rail transportation system;

(2) the reorganization of railroads in this region into an economically viable system capable of providing adequate and efficient rail service to the region;

(3) the establishment of the United States Railway Association, with enumerated powers and responsibilities;

(4) the establishment of the Consolidated Rail Corporation, with enumerated powers and responsibilities;

(5) assistance to States and local and regional transportation authorities for continuation of local rail services threatened with cessation; and

(6) necessary Federal financial assistance at the lowest possible cost to the general taxpayer.

The Chairman may designate himself as that member. Such Director is authorized, with the concurrence of such member or (in case of disagreement) the Chairman of the Commission, to—

(1) appoint, fix the compensation, and assign the duties of employees of the Office without regard to the provisions of title 5, United States Code, governing appointments in the competitive service, and to procure temporary and intermittent services to the same extent as is authorized under section 3109 of title 5, United States Code, but at rates not to exceed \$250 a day for qualified experts. Each department, agency, and instrumentality of the executive branch of the Federal Government and each independent regulatory agency of the United States is authorized and shall give careful consideration to a request to furnish to the Director of the Office, upon written request, on a reimbursable basis or otherwise, such assistance as the Director deems necessary to carry out the functions and duties of the Office. Such assistance includes transfer of personnel with their consent and without prejudice to their position and rating; and

Contract
authority.

(2) enter into, without regard to section 3709 of the Revised Statutes of the United States (41 U.S.C. 5), such contracts, leases, cooperative agreements, or other transactions as may be necessary in the conduct of the functions and duties of the Office, with any person (including a government entity).

(d) DUTIES.—In addition to its duties, and responsibilities under other provisions of this Act, the Office shall—

Public hearings.

(1) study and evaluate the Secretary's report on rail services in the region required under section 204(a) of this Act and submit its report thereon to the Association within 120 days after the date of enactment of this Act. The Office shall also solicit, study, and evaluate the views with respect to present and future rail service needs of the region from Governors of States within the region; mayors and chief executives of political subdivisions within such States; shippers; the Secretary of Defense; manufacturers, wholesalers, and retailers within the region; consumers of goods and products shipped by rail; and all other interested persons. The Office shall conduct public hearings to solicit comments on such report and to receive such views;

Standards,

(2) employ and utilize the services of attorneys and such other personnel as may be required in order properly to protect the interests of those communities and users of rail service which, for whatever reason, such as their size or location, might not otherwise be adequately represented in the course of the hearings and evaluations which the Office is required to conduct and perform under other provisions of this Act;

80 Stat. 383.

(3) within 180 days after the date of enactment of this Act, determine and publish standards for determining the "revenue attributable to the rail properties", the "avoidable costs of providing service", and "a reasonable return on the value", as those phrases are used in section 304 of this Act, after a proceeding in accordance with the provisions of section 553 of title 5, United States Code; and

(4) assist States and local and regional transportation agencies in making determinations whether to provide rail service continuation subsidies to maintain in operation particular rail properties by establishing criteria for determining whether particular rail properties are suitable for rail service continuation subsidies. Such criteria should include the following considerations: Rail properties are suitable if the cost of the required subsidy for such properties per year to the taxpayers is less than the cost of termination of rail service over such properties measured by increased fuel consumption and operational costs for alternative modes of transportation; the cost to the gross national product in terms of reduced output of goods and services; the cost of relocating or assisting through unemployment, retraining, and welfare benefits to individuals and firms adversely affected thereby; and the cost to the environment measured by damage caused by increased pollution.

FINAL SYSTEM PLAN

SEC. 206. (a) GOALS.—The final system plan shall be formulated in such a way as to effectuate the following goals:

(1) the creation, through a process of reorganization, of a financially self-sustaining rail service system in the region;

(2) the establishment and maintenance of a rail service system adequate to meet the rail transportation needs and service requirements of the region;

(3) the establishment of improved high-speed rail passenger service, consonant with the recommendations of the Secretary in his report of September 1971, entitled "Recommendations for Northeast Corridor Transportation";

(4) the preservation, to the extent consistent with other goals, of existing patterns of service by railroads (including short-line and terminal railroads), and of existing railroad trackage in areas in which fossil fuel natural resources are located, and the utilization of those modes of transportation in the region which require the smallest amount of scarce energy resources and which can most efficiently transport energy resources;

(5) the retention and promotion of competition in the provision of rail and other transportation services in the region;

(6) the attainment and maintenance of any environmental standards, particularly the applicable national ambient air quality standards and plans established under the Clean Air Act Amendments of 1970, taking into consideration the environmental impact of alternative choices of action;

84 Stat. 1676.
42 USC 1857b
note.

(7) the movement of passengers and freight in rail transportation in the region in the most efficient manner consistent with safe operation, including the requirements of commuter and intercity rail passenger service; the extent to which there should be coordination with the National Railroad Passenger Corporation and similar entities; and the identification of all short-to-medium distance corridors in densely populated areas in which the major upgrading of rail lines for high-speed passenger operation would return substantial public benefits; and

(8) the minimization of job losses and associated increases in unemployment and community benefit costs in areas in the region presently served by rail service.

(b) **FACTORS.**—The final system plan shall be based upon due consideration of all factors relevant to the realization of the goals set forth in subsection (a) of this section. Such factors include the need for and the cost of rehabilitation and modernization of track, equipment, and other facilities; methods of achieving economies in the cost of rail operations in the region; means of achieving rationalization of rail services and the rail service system in the region; marketing studies; the impact on railroad employees; consumer needs; traffic analyses; financial studies; and any other factors identified by the Association under section 202(b) of this title or in the report of the Secretary required under section 204(a) of this title.

(c) **DESIGNATIONS.**—The final system plan shall designate—

(1) which rail properties of railroads in reorganization in the region or of railroads leased, operated, or controlled by any railroad in reorganization in the region—

(A) shall be transferred to the Corporation;

(B) shall be offered for sale to a profitable railroad operating in the region and, if such offer is accepted, operated by such railroad; the plan shall designate what additions shall be made to the designation under subparagraph (A) of this paragraph in the event such profitable railroad fails to accept such offer;

(C) shall be purchased, leased, or otherwise acquired from the Corporation by the National Railroad Passenger Corporation in accordance with the exercise of its option under section 601(d) of this Act for improvement to achieve the goal set forth in subsection (a) (3) of this section;

Post, p. 1021.

(D) may be purchased or leased from the Corporation by a State or a local or regional transportation authority to meet the needs of commuter and intercity rail passenger service; and

(E) if not otherwise required to be operated by the Corporation, a government entity, or a responsible person, are suitable for use for other public purposes, including highways, other forms of transportation, conservation, energy transmission, education or health care facilities, or recreation. In carrying out this subparagraph, the Association shall solicit the views and recommendations of the Secretary, the Secretary of the Interior, the Administrator of the Environmental Protection Agency, and other agencies of the Federal Government and of the States and political subdivisions thereof within the region, and the general public; and

(2) which rail properties of profitable railroads operating in the region may be offered for sale to the Corporation or to other profitable railroads operating in the region subject to paragraphs (3) and (4) of subsection (d) of this section.

(d) TRANSFERS.—All transfers or conveyances pursuant to the final system plan shall be made in accordance with, and subject to, the following principles:

(1) All rail properties to be transferred to the Corporation by a profitable railroad, by trustees of a railroad in reorganization, or by any railroad leased, operated, or controlled by a railroad in reorganization in the region, shall be transferred in exchange for stock and other securities of the Corporation (including obligations of the Association) and the other benefits accruing to such railroad by reason of such transfer.

(2) All rail properties to be conveyed to a profitable railroad operating in the region by trustees of a railroad in reorganization, or by any railroad leased, operated, or controlled by a railroad in reorganization in the region, shall be conveyed in exchange for compensation from the profitable railroad.

(3) Notwithstanding any other provision of this Act, no acquisition under this Act shall be made by any profitable railroad operating in the region without a determination with respect to each such transaction and all such transactions cumulatively (A) by the Association, upon adoption and release of the preliminary system plan, that such acquisition or acquisitions will not materially impair the profitability of any other profitable railroad operating in the region or of the Corporation, and (B) by the Commission, which shall be made within 90 days after adoption and release by the Association of the preliminary system plan, that such acquisition or acquisitions will be in full accord and comply with the provisions and standards of section 5 of part I of the Interstate Commerce Act (49 U.S.C. 5). The determination by the Association shall not be reviewable in any court. The determination by the Commission shall not be reviewable in any court.

(4) Where the final system plan designates specified rail properties of a railroad in reorganization in the region, or of a railroad leased, operated, or controlled by a railroad in reorganization in the region, to be offered for sale to and operated by a profitable railroad operating in the region, such designation shall terminate 30 days after the effective date of the final system plan unless, prior to such date, such profitable railroad has notified the Association in writing of its acceptance of such offer. Where the final

system plan designates specified rail properties of a profitable railroad operating in the region as authorized to be offered for sale or lease to the Corporation or to other profitable railroads operating in the region, such designation and authorization shall terminate 60 days after the effective date of the final system plan unless, prior to such date, a binding agreement with respect to such properties has been entered into and concluded.

(5) All properties sold by the Corporation pursuant to sections 206(c)(1)(C) and 601(d) of this Act shall be transferred at a value related to the value received for the transfer to the Corporation of such properties.

Post, p. 1021.

(e) CORPORATION FEATURES.—The final system plan shall set forth—

(1) pro forma earnings for the Corporation, as reasonably projected and considering the additions or changes in the designation of rail properties to be operated by the Corporation which may be made under subsection (d)(4) of this section;

(2) the capital structure of the Corporation, based on the pro forma earnings of the Corporation as set forth, including such debt capitalization as shall be reasonably deemed to conform to the requirements of the public interest with respect to railroad debt securities, including the adequacy of coverage of fixed charges; and

(3) the manner in which employee stock ownership plans may, to the extent practicable, be utilized for meeting the capitalization requirements of the Corporation, taking into account (A) the relative cost savings compared to conventional methods of corporate finance; (B) the labor cost savings; (C) the potential for minimizing strikes and producing more harmonious relations between labor organizations and railway management; (D) the projected employee dividend incomes; (E) the impact on quality of service and prices to railway users; and (F) the promotion of the objectives of this Act of creating a financially self-sustaining railway system in the region which also meets the service needs of the region and the Nation.

(f) VALUE.—The final system plan shall designate the value of all rail properties to be transferred under the final system plan and the value of the securities and other benefits to be received for transferring those rail properties to the Corporation in accordance with the final system plan.

(g) OTHER PROVISIONS.—The final system plan may recommend arrangements among various railroads for joint use or operation of rail properties on a shared ownership, cooperative, pooled, or condominium-type basis, subject to such terms and conditions as may be specified in the final system plan. The final system plan shall also make such designations as are determined to be necessary in accordance with the provisions of section 402 or 403 of this Act.

(h) OBLIGATIONAL AUTHORITY.—The final system plan shall recommend the amount of obligations of the Association which are necessary to enable it to implement the final system plan.

(i) TERMS AND CONDITIONS FOR SECURITIES.—The final system plan may include terms and conditions for any securities to be issued by the Corporation in exchange for the conveyance of rail properties under the final system plan which in the judgement of the Association will minimize any actual or potential debt burden on the Corporation. Any such terms and conditions for securities of the Corporation which purport to directly obligate the Association shall not become effective without affirmative approval, with or without modification by a joint resolution of the Congress.

Congressional
approval.

ADOPTION OF FINAL SYSTEM PLAN

SEC. 207. (a) PRELIMINARY SYSTEM PLAN.—(1) Within 300 days after the date of enactment of this Act, the Association shall adopt and release a preliminary system plan prepared by it on the basis of reports and other information submitted to it by the Secretary, the Office, and interested persons in accordance with this Act and on the basis of its own investigations, consultations, research, evaluation, and analysis pursuant to this Act. Copies of the preliminary system plan shall be transmitted by the Association to the Secretary, the Office, the Governor and public utility commission of each State in the region, the Congress, each court having jurisdiction over a railroad in reorganization in the region, the special court, and interested persons, and a copy shall be published in the Federal Register. The Association shall invite and afford interested persons an opportunity to submit comments on the preliminary system plan to the Association within 60 days after the date of its release.

Copies, trans-
mittal to Con-
gress.

Federal Register.

Public hearings.

(2) The Office is authorized and directed to hold public hearings on the preliminary system plan and to make available to the Association a summary and analysis of the evidence received in the course of such proceedings, together with its critique and evaluation of the preliminary system plan, not later than 60 days after the date of release of such plan.

(b) APPROVAL.—Within 120 days after the date of enactment of this Act each United States district court or other court having jurisdiction over a railroad in reorganization shall decide whether the railroad is reorganizable on an income basis within a reasonable time under section 77 of the Bankruptcy Act (11 U.S.C. 205) and that the public interest would be better served by continuing the present reorganization proceedings than by a reorganization under this Act. Within 60 days after the submission of the report by the Office, under section 205(d) (1) of this title, on the Secretary's report on rail services in the region, each United States district court or other court having jurisdiction over a railroad in reorganization shall decide whether or not such railroad shall be reorganized by means of transferring some of its rail properties to the Corporation pursuant to the provisions of this Act. Because of the strong public interest in the continuance of rail transportation in the region pursuant to a system plan devised under the provisions of this Act, each such court shall order that the reorganization be proceeded with pursuant to this Act unless it (1) has found that the railroad is reorganizable on an income basis within a reasonable time under section 77 of the Bankruptcy Act (11 U.S.C. 205) and that the public interest would be better served by such a reorganization than by a reorganization under this Act, or (2) finds that this Act does not provide a process which would be fair and equitable to the estate of the railroad in reorganization in which case it shall dismiss the reorganization proceeding. If a court does not enter an order or make a finding as required by this subsection, the reorganization shall be proceeded with pursuant to this Act. An appeal from an order made under this section may be made only to the special court. Appeal to the special court shall be taken within 10 days following entry of an order pursuant to this subsection, and the special court shall complete its review and render its decision within 80 days after such appeal is taken. There shall be no review of the decision of the special court.

49 Stat. 911;
76 Stat. 572.

(c) ADOPTION.—Within 420 days after the date of enactment of this Act, the executive committee of the Association shall prepare and submit a final system plan for the approval of the Board of Directors of the Association. A copy of such submission shall be simultaneously

presented to the Commission. The submission shall reflect evaluation of all responses and summaries of responses received, testimony at any public hearings, and the results of additional study and review. Within 30 days thereafter, the Board of Directors of the Association shall by a majority vote of all its members approve a final system plan which meets all of the requirements of section 206 of this title.

(d) REVIEW OF COMMISSION.—Within 30 days following the adoption of the final system plan by the Association under subsection (c) of this section and the submission of such plan to Congress under section 208(a) of this title, the Commission shall submit to the Congress an evaluation of the final system plan delivered to both Houses of Congress.

gress.

REVIEW BY CONGRESS

SEC. 208. (a) GENERAL.—The Board of Directors of the Association shall deliver the final system plan adopted by the Association to both Houses of Congress and to the Committee on Interstate and Foreign Commerce of the House of Representatives and the Committee on Commerce of the Senate. The final system plan shall be deemed approved at the end of the first period of 60 calendar days of continuous session of Congress after such date of transmittal unless either the House of Representatives or the Senate passes a resolution during such period stating that it does not favor the final system plan.

(b) REVISED PLAN.—If either the House or the Senate passes a resolution of disapproval under subsection (a) of this section, the Association, with the cooperation and assistance of the Secretary and the Office, shall prepare, determine, and adopt a revised final system plan. Each such revised plan shall be submitted to Congress for review pursuant to subsection (a) of this section.

(c) COMPUTATION.—For purposes of this section—

(1) continuity of session of Congress is broken only by an adjournment sine die; and

(2) the days on which either House is not in session because of an adjournment of more than 3 days to a day certain are excluded in the computation of the 60-day period.

JUDICIAL REVIEW

SEC. 209. (a) GENERAL.—Notwithstanding any other provision of law, the final system plan which is adopted by the Association and which becomes effective after review by the Congress is not subject to review by any court except in accordance with this section. After the final system plan becomes effective under section 208 of this title, it may be reviewed with respect to matters concerning the value of the rail properties to be conveyed under the plan and the value of the consideration to be received for such properties.

(b) SPECIAL COURT.—Within 30 days after the date of enactment of this Act, the Association shall make application to the judicial panel on multi-district litigation authorized by section 1407 of title 28, United States Code, for the consolidation in a single, three-judge district court of the United States of all judicial proceedings with respect to the final system plan. Within 30 days after such application is received, the panel shall make the consolidation in a district court (cited herein as the "special court") which the panel determines to be convenient to the parties and the one most likely to be able to conduct any proceedings under this section with the least delay and the greatest possible fairness and ability. Such proceedings shall be conducted by the special court which shall be composed of three Federal judges who shall be selected by the panel, except that none of the judges selected

The special court is authorized to exercise the powers of a district judge in any judicial district with respect to such proceedings and such powers shall include those of a reorganization court. The special court shall have the power to order the conveyance of rail properties of railroads leased, operated, or controlled by a railroad in reorganization in the region. The panel may issue rules for the conduct of its functions under this subsection. No determination by the panel under this subsection may be reviewed in any court.

(c) **DELIVERY OF PLAN TO SPECIAL COURT.**—Within 90 days after its effective date, the Association shall deliver a certified copy of the final system plan to the special court and shall certify to the special court—

(1) which rail properties of the respective railroads in reorganization in the region and of any railroad leased, operated, or controlled by such railroads in reorganization are to be transferred to the Corporation, in accordance with the final system plan;

(2) which rail properties of the respective railroads in reorganization in the region or railroads leased, operated, or controlled by such railroads in reorganization are to be conveyed to profitable railroads, in accordance with the final system plan;

(3) the amount, terms, and value of the securities of the Corporation (including any obligations of the Association) to be exchanged for those rail properties to be transferred to the Corporation pursuant to the final system plan, and as indicated in paragraph (1) of this subsection; and

(4) that the transfer of rail properties in exchange for securities of the Corporation (including any obligations of the Association) and other benefits is fair and equitable and in the public interest.

(d) **BANKRUPTCY COURTS.**—Within 90 days after its effective date, the Association shall deliver a certified copy of the final system plan to each district court of the United States or any other court having jurisdiction over a railroad in reorganization in the region and shall certify to each such court—

(1) which rail properties of that railroad in reorganization are to be transferred to the Corporation under the final system plan; and

(2) which rail properties of that railroad in reorganization, if any, are to be conveyed to profitable railroads operating in the region, under the final system plan.

OBLIGATIONS OF THE ASSOCIATION

SEC. 210. (a) GENERAL.—To carry out the purposes of this Act, the Association is authorized to issue bonds, debentures, trust certificates, securities, or other obligations (herein cited as “obligations”) in accordance with this section. Such obligations shall have such maturities and bear such rate or rates of interest as are determined by the Association with the approval of the Secretary of the Treasury. Such obligations shall be redeemable at the option of the Association prior to maturity in the manner stipulated in each such obligation, and may be purchased by the Association in the open market at a price which is reasonable.

(b) **MAXIMUM OBLIGATIONAL AUTHORITY.**—Except as otherwise provided in the last sentence of this subsection, the aggregate amount of obligations of the Association issued under this section which may be outstanding at any one time shall not exceed \$1,500,000,000 of which the aggregate amount issued to the Corporation shall not exceed

\$1,000,000,000. Of the aggregate amount of obligations issued to the Corporation by the Association, not less than \$500,000,000 shall be available solely for the rehabilitation and modernization of rail properties acquired by the Corporation under this Act and not disposed of by the Corporation pursuant to section 206(c)(1)(C) of this Act. Any modification to the limitations set forth in this subsection shall be made by joint resolution adopted by the Congress.

(c) **GUARANTEES.**—The Secretary shall guarantee the payment of principal and interest on all obligations issued by the Association in accordance with this Act and which the Association requests be guaranteed.

(d) **VALIDITY.**—No obligation issued by the Association under this section shall be terminated, canceled, or otherwise revoked, except in accordance with lawful terms and conditions prescribed by the Association. Such an obligation shall be conclusive evidence that it is in compliance with this section, has been approved, and is legal as to principal, interest, and other terms. An obligation of the Association shall be valid and incontestable in the hands of a holder, except as to fraud, duress, mutual mistake of fact, or material misrepresentation by or involving such holder.

(e) **THE SECRETARY OF THE TREASURY.**—If at any time the moneys available to the Secretary are insufficient to enable him to discharge his responsibilities under subsection (c) of this section, he shall issue notes or other obligations to the Secretary of the Treasury in such forms and denominations, bearing such maturities, and subject to such terms and conditions as may be prescribed by the Secretary of the Treasury. Such obligations shall bear interest at a rate to be determined by the Secretary of the Treasury taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities during the month preceding the issuance of such obligations. The Secretary of the Treasury is authorized and directed to purchase any such obligations and for such purpose is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended. The purposes for which securities may be issued under such Act are extended to include any purchase of notes or other obligations issued under this subsection. At any time, the Secretary of the Treasury may sell any such obligations, and all sales, purchases, and redemptions of such obligations by the Secretary of the Treasury shall be treated as public debt transactions of the United States.

40 Stat. 288.
31 USC 774.

(f) **AUTHORIZATION FOR APPROPRIATIONS.**—There are hereby authorized to be appropriated to the Secretary such amounts as are necessary to discharge the obligations of the United States arising under this section.

(g) **LAWFUL INVESTMENTS.**—All obligations issued by the Association shall be lawful investments and may be accepted as security for all fiduciary, trust, and public funds, the investment or deposit of which shall be under the authority and control of the United States or any officer or officers thereof. All such obligations issued pursuant to this section shall be exempt securities within the meaning of laws administered by the Securities and Exchange Commission.

LOANS

No such loan shall be made by the Association to a railroad unless such loans shall, where applicable, be treated as an expense of administration. The rights referred to in the last sentence of section 77(j) of the Bankruptcy Act (11 U.S.C. 205(j)) shall in no way be affected by this Act.

(b) APPLICATIONS.—Each application for such a loan shall be made in writing to the Association in such form and with such content and other submissions as the Association shall prescribe to protect reasonably the interests of the United States. The Association shall publish a notice of the receipt of each such application in the Federal Register and shall afford interested persons an opportunity to comment thereon.

(c) TERMS AND CONDITIONS.—Each loan shall be extended in such form, under such terms and conditions, and pursuant to such regulations as the Association deems appropriate. Such loan shall bear interest at a rate not less than the greater of a rate determined by the Secretary of the Treasury taking into consideration (1) the rate prevailing in the private market for similar loans as determined by the Secretary of the Treasury, or (2) the current average yield on outstanding marketable obligations of the Association with remaining periods of maturity comparable to the average maturities of such loans, plus such additional charge, if any, toward covering costs of the Association as the Association may determine to be consistent with the purposes of this Act.

(d) MODIFICATIONS.—The Association is authorized to approve any modification of any provision of a loan under this section, including the rate of interest, time of payment of interest or principal, security, or any other term or condition, upon agreement of the recipient of the loan and upon a finding by the Association that such modification is equitable and necessary or appropriate to achieve the policy declared in subsection (f) of this section.

(e) PREREQUISITES.—The Association shall make a finding in writing, before making a loan to any applicant under this section, that—

(3) the applicant has offered such security as the Association deems necessary to protect reasonably the interests of the United States.

RECORDS, AUDIT, AND EXAMINATION

SEC. 212. (a) RECORDS.—Each recipient of financial assistance under this title, whether in the form of loans, obligations, or other arrangements, shall keep such records as the Association or the Secretary shall prescribe, including records which fully disclose the amount and dis-

position by such recipient of the proceeds of such assistance and such other records as will facilitate an effective audit.

(b) **AUDIT AND EXAMINATION.**—The Association, the Secretary, and the Comptroller General of the United States, or any of their duly authorized representatives shall, until the expiration of 3 years after the implementation of the final system plan, have access for the purpose of audit and examination to any books, documents, papers, and records of such recipients which in the opinion of the Association, the Secretary, or the Comptroller General may be related or pertinent to the loans, obligations or other arrangements referred to in subsection (a) of this section. The Association or any of its duly authorized representatives shall, until any financial assistance received under this title has been repaid to the Association, have access to any such materials which concern any matter that may bear upon—

(1) the ability of the recipient of such financial assistance to make repayment within the time fixed therefor;

(2) the effectiveness with which the proceeds of such assistance is used; and

(3) the implementation of the final system plan and the realization of the declaration of policy of this Act.

EMERGENCY ASSISTANCE PENDING IMPLEMENTATION

SEC. 213. (a) **EMERGENCY ASSISTANCE.**—The Secretary is authorized, pending the implementation of the final system plan, to pay to the trustees of railroads in reorganization such sums as are necessary for the continued provision of essential transportation services by such railroads. Such payments shall be made by the Secretary upon such reasonable terms and conditions as the Secretary establishes, except that recipients must agree to maintain and provide service at a level no less than that in effect on the date of enactment of this Act.

The budget for the Office shall be submitted by the Commission directly to the Congress and shall not be subject to review of any kind by any other agency or official of the United States. Moneys appropriated for the Office shall not be withheld by any agency or official of the United States or used by the Commission for any purpose other than the use of the Office. Agreements entered into pursuant to this section shall specifically identify the type and quality of improvements to be made pursuant to such agreements. Notwithstanding section 210(b) of this title, the Association shall issue obligations under section 210(a) of this title in an amount sufficient to finance such agreements and shall require the Corporation to assume any such obligations. However, the Association may not issue obligations under this section in an aggregate amount in excess of \$150,000,000. The Secretary may not enter into any agreements under this section until he issues regulations setting forth procedures and guidelines for the administration of this section. The Corporation shall be deemed a common carrier by railroad under section 1(3) of the Interstate Commerce Act (49 U.S.C. 1(3)), shall be subject to the provisions of this Act and, to the extent not inconsistent with such Acts, shall be subject to applicable State law. The principal office of the Corporation shall be located in Philadelphia in the Commonwealth of Pennsylvania.

(c) INCORPORATORS.—The members of the executive committee of the Association shall be the incorporators of the Corporation and shall take whatever steps are necessary to establish the Corporation, including the filing of articles of incorporation. The incorporators shall also serve as the Board of Directors of the Corporation until the stock and other securities of the Corporation are distributed to the estates of the railroads in accordance with section 303(c) of this title and shall adopt the initial bylaws of the Corporation.

(d) BOARD OF DIRECTORS.—The Board of Directors of the Corporation shall consist of 15 individuals selected in accordance with the articles and bylaws of the Corporation: *Provided*, That so long as 50 per centum or more, as determined by the Secretary of the Treasury, of the outstanding indebtedness of the Corporation consists of obligations of the Association or other debts owing to or guaranteed by the United States, three of the members of such board shall be the Secretary, the Chairman and the President of the Association and five of the members of such board shall be individuals appointed as such by the President, by and with the advice and consent of the Senate.

(e) **INITIAL CAPITALIZATION.**—In order to carry out the final system plan the Corporation is authorized to issue stock and other securities. Common stock shall be issued initially to the estates of railroads in reorganization in the region in exchange for rail properties conveyed to the Corporation pursuant to the final system plan. Nothing in this subsection shall preclude the Corporation from repurchasing the common stock initially issued through payments out of profits in order to establish an employee stock ownership plan; and nothing in this subsection shall preclude the recipients of common stock initially issued from establishing an employee stock ownership plan.

(f) **AUDIT AND EXPENDITURES.**—So long as 50 per centum or more, as determined by the Secretary of the Treasury, of the outstanding indebtedness of the Corporation consists of obligations of the Association or other debts owing to or guaranteed by the United States, the Corporation shall be subject to the provisions of the Government Corporation Control Act for the purposes of a Federal Government audit. Section 201 of the Government Corporation Control Act (31 U.S.C. 856) is amended by inserting at the end thereof the following: “, and (9) the Consolidated Rail Corporation to the extent provided in the Regional Rail Reorganization Act of 1973.”

(g) **ANNUAL REPORT.**—The Corporation shall transmit to the Congress and the President, not later than 90 days after the end of each fiscal year, a comprehensive and detailed report on all activities and accomplishments of the Corporation during the preceding fiscal year.

POWERS AND DUTIES OF THE CORPORATION

SEC. 302. The Corporation shall have all of the powers and is subject to all of the duties vested in it under this Act, in addition to the powers conferred upon it under the laws of the State or States in which it is incorporated and the powers of a railroad in any State in which it operates. The Corporation is authorized and directed to—

- (a) acquire rail properties designated in the final system plan to be transferred or conveyed to it;
- (b) operate rail service over such rail properties except as provided under sections 304(e) and 601(d)(3) of this Act;
- (c) rehabilitate, improve, and modernize such rail properties; and
- (d) maintain adequate and efficient rail services.

So long as 50 per centum or more, as determined by the Secretary of the Treasury, of the outstanding indebtedness of the Corporation consists of obligations of the Association or other debts owing to or guaranteed by the United States, the Corporation shall not engage in activities which are not related to transportation.

VALUATION AND CONVEYANCE OF RAIL PROPERTIES

SEC. 303. (a) **DEPOSIT WITH COURT.**—Within 10 days after delivery of a certified copy of a final system plan pursuant to section 209(c) of this Act—

- (1) the Corporation, in exchange for the rail properties of the railroads in reorganization in the region and of railroads leased, operated, or controlled by railroads in reorganization in the region to be transferred to the Corporation, shall deposit with the special court all of the stock and other securities of the Corporation and obligations of the Association designated in the final system plan to be exchanged for such rail properties;

- (2) each profitable railroad operating in the region purchasing rail properties from a railroad in reorganization in the region, or from a railroad leased, operated, or controlled by a railroad in

reorganization in the region, as provided in the final system plan shall deposit with the special court the compensation to be paid for such rail properties.

(b) CONVEYANCE OF RAIL PROPERTIES.—(1) The special court shall, within 10 days after deposit under subsection (a) of this section of the securities of the Corporation, obligations of the Association, and compensation from the profitable railroads operating in the region, order the trustee or trustees of each railroad in reorganization in the region to convey forthwith to the Corporation and the respective profitable railroads operating in the region, all right, title, and interest in the rail properties of such railroad in reorganization and shall itself order the conveyance of all right, title, and interest in the rail properties of any railroad leased, operated, or controlled by such railroad in reorganization that are to be conveyed to them under the final system plan as certified to such court under section 209(d) of this Act.

(2) All rail properties conveyed to the Corporation and the respective profitable railroads operating in the region under this section shall be conveyed free and clear of any liens or encumbrances, but subject to such leases and agreements as shall have previously burdened such properties or bound the owner or operator thereof in pursuance of an arrangement with any State, or local or regional transportation authority under which financial support from such State, or local or regional transportation authority was being provided at the time of enactment of this Act for the continuance of rail passenger service or any lien or encumbrance of no greater than 5 years' duration which is necessary for the contractual performance by any person of duties related to public health or sanitation. Such conveyances shall not be restrained or enjoined by any court.

(3) Notwithstanding anything to the contrary contained in this Act, if railroad rolling stock is included in the rail properties to be conveyed, such conveyance may only be effected if the profitable railroad operating in the region or the Corporation to whom the conveyance is made assumes all of the obligations under any conditional sale agreement, equipment trust agreement, or lease in respect to such rolling stock and such conveyance is made subject thereto; and the provisions of this Act shall not affect the title and interests of any lessor, equipment trust trustee, or conditional sale vendee or assignee under such conditional sale agreement, equipment trust agreement or lease under section 77(j) of the Bankruptcy Act (11 U.S.C. 205(j)).

(4) Notwithstanding anything to the contrary contained in this Act, if a railroad in reorganization has leased rail properties from a lessor that is neither a railroad nor controlled by or affiliated with a railroad, and such lease has been approved by the lessee railroad's reorganization court prior to the date of enactment of this Act, conveyance of such lease may only be effected if the Corporation or the profitable railroad to whom the conveyance is made assumes all of the terms and conditions specified in the lease, including the obligation to pay the specified rent to the non-railroad lessor.

(c) FINDINGS AND DISTRIBUTION.—(1) After the rail properties have been conveyed to the Corporation and profitable railroads operating in the region under subsection (b) of this section, the special court, giving due consideration to the findings contained in the final system plan, shall decide—

(A) whether the transfers or conveyances—

(i) of rail properties of each railroad in reorganization, or of each railroad leased, operated, or controlled by a railroad in reorganization, to the Corporation in exchange for the securities and the other benefits accruing to such rail-

road as a result of such exchange, as provided in the final system plan and this Act, and

(ii) of rail properties of each railroad in reorganization, or of each railroad leased, operated, or controlled by a railroad in reorganization, to a profitable railroad operating in the region, in accordance with the final system plan.

are in the public interest and are fair and equitable to the estate of each railroad in reorganization in accordance with the standard of fairness and equity applicable to the approval of a plan of reorganization or a step in such a plan under section 77 of the Bankruptcy Act (11 U.S.C. 205), or fair and equitable to a railroad that is not itself in reorganization but which is leased, operated, or controlled by a railroad in reorganization; and

49 Stat. 911;
76 Stat. 572.

(B) whether the transfers or conveyances are more fair and equitable than is required as a constitutional minimum.

(2) If the special court finds that the terms of one or more exchanges for securities and other benefits are not fair and equitable to an estate of a railroad in reorganization, or to a railroad leased, operated, or controlled by a railroad in reorganization, which has transferred rail properties pursuant to the final system plan, it shall—

(A) enter a judgment reallocating the securities of the Corporation in a fair and equitable manner if it has not been fairly allocated among the railroads transferring rail properties to the Corporation; and

(B) if the lack of fairness and equity cannot be completely cured by a reallocation of the Corporation's securities, order the Corporation to provide for the transfer to the railroad of other securities of the Corporation or obligations of the Association as designated in the final system plan in such nature and amount as would make the exchange or exchanges fair and equitable; and

(C) if the lack of fairness and equity cannot be completely cured by reallocation of the Corporation's securities or by providing for the transfer of other securities of the Corporation or obligations of the Association as designated in the final system plan, enter a judgment against the Corporation.

(3) If the special court finds that the terms of one or more conveyances of rail properties to a profitable railroad operating in the region in accordance with the final system plan are not fair and equitable, it shall enter a judgment against such profitable railroad. If the special court finds that the terms of one or more conveyances or exchanges for securities or other benefits are fairer and more equitable than is required as a constitutional minimum, then it shall order the return of any excess securities, obligations, or compensation to the Corporation or a profitable railroad so as not to exceed the constitutional minimum standard of fairness and equity.

(4) Upon making the findings referred to in this subsection, the special court shall order distribution of the securities, obligations, and compensation deposited with it under subsection (b) of this section to the trustee or trustees of each railroad in reorganization in the region who conveyed right, title, and interest in rail properties to the Corporation and the respective profitable railroads under such subsection.

(d) APPEAL.—A finding or determination entered pursuant to subsection (c) of this section may be appealed directly to the Supreme Court of the United States in the same manner that an injunction order may be appealed under section 1253 of title 28, United States Code: *Provided*, That such appeal is exclusive and shall be filed in the Supreme Court not more than 5 days after such finding or determination is entered by the special court. The Supreme Court shall dismiss

62 Stat. 928.

any such appeal within 7 days after the entry of such an appeal if it determines that such an appeal would not be in the interest of an expeditious conclusion of the proceedings and shall grant the highest priority to the determination of any such appeals which it determines not to dismiss.

TERMINATION OF RAIL SERVICE

SEC. 304. (a) **DISCONTINUANCE.**—Except as provided in subsections (c) and (f) of this section, (1) rail service on rail properties of a railroad in the region which transfers to the Corporation or to profitable railroads operating in the region all or substantially all of its rail properties designated for such conveyance in the final system plan, and (2) rail service on rail properties of a profitable railroad operating in the region which transfers substantially all of its rail properties to the Corporation or to other railroads pursuant to the final system plan may be discontinued to the extent such discontinuance is not precluded by the terms of the leases and agreements referred to in section 303(b) (2) of this title if—

(A) the final system plan does not designate rail service to be operated over such rail properties; and

(B) not sooner than 30 days following the effective date of the final system plan the trustee or trustees of the applicable railroad in reorganization or a profitable railroad give notice in writing of intent to discontinue such rail service on a date certain which is not less than 60 days after the date of such notice; and

(C) the notice required by paragraph (B) of this subsection is sent by certified mail to the Governor and State transportation agencies of each State and to the government of each political subdivision of each State in which such rail properties are located and to each shipper who has used such rail service during the previous 12 months.

(b) **ABANDONMENT.**—(1) Rail properties over which rail service has been discontinued under subsection (a) of this section may not be abandoned sooner than 120 days after the effective date of such discontinuance except as provided in subsections (c) and (f) of this section. Thereafter, except as provided in subsection (c) of this section, such rail properties may be abandoned upon 30 days' notice in writing to all those required to receive notice under paragraph (2)(C) of subsection (a) of this section.

(2) In any case in which rail properties proposed to be abandoned under this section are designated by the final system plan as rail properties which are suitable for use for other public purposes (including roads or highways, other forms of mass transportation, conservation, and recreation), such rail properties shall not be sold, leased, exchanged, or otherwise disposed of during the 180-day period beginning on the date of notice of proposed abandonment under this section unless such rail properties have first been offered, upon reasonable terms, for acquisition for public purposes.

(c) **LIMITATIONS.**—Rail service may be discontinued and rail properties may be abandoned under subsections (a) and (b) of this section notwithstanding any provision of the Interstate Commerce Act (49 U.S.C. 1 et seq.) or the constitution or law of any State or the decision of any court or administrative agency of the United States or of any State. No rail service may be discontinued and no rail properties may be abandoned pursuant to this section—

(1) after 2 years from the effective date of the final system plan or more than 2 years after the final payment of any rail service continuation subsidy is received, whichever is later; or

(2) if a shipper, a State, the United States, a local or regional transportation authority, or any responsible person offers—

(A) a rail service continuation subsidy which covers the difference between the revenue attributable to such rail properties and the avoidable costs of providing service on such rail properties plus a reasonable return on the value of such rail properties;

(B) a rail service continuation subsidy which is payable pursuant to a lease or agreement with a State, or a local or regional transportation authority, under which financial support was being provided at the time of the enactment of this Act for the continuance of rail passenger service; or

(C) to purchase, pursuant to subsection (d) of this section, such rail properties in order to operate rail service over such properties.

If a rail service continuation subsidy is offered, the government or person offering the subsidy shall enter into an operating agreement with the Corporation or any responsible person (including a government entity) under which the Corporation or such person (including a government entity) will operate rail service over such rail properties and receive the difference between the revenue attributable to such properties and the avoidable costs of providing service on such rail properties and the trustee of any railroad in reorganization shall receive a reasonable rate of return on the value of any rail properties for which a rail service is operated under such subsidy.

(d) **PURCHASE.**—If an offer to purchase is made under subsection (c) (2) (C) of this section, such offer shall be accompanied by an offer of a rail service continuation subsidy. Such subsidy shall continue until the purchase transaction is completed, unless a railroad assumes operations over such rail properties on its own account pursuant to an order or authorization of the Commission. Whenever a railroad in reorganization in the region or a profitable railroad gives notice of intent to discontinue service pursuant to subsection (a) of this section, such railroad shall, upon the request of anyone apparently qualified to make a purchase offer promptly make available its most recent reports on the physical condition of such property together with such traffic and revenue data as would be required under subpart B of part 1121 of chapter X of title 49 of the Code of Federal Regulations and such other data necessary to ascertain the avoidable costs of providing service over such rail properties.

49 CFR 1121.

(e) **ABANDONMENT BY CORPORATION.**—After the rail system to be operated by the Corporation under the final system plan has been in operation for 2 years, the Commission may authorize the Corporation to abandon any rail properties as to which it determines that rail service over such properties is not required by the public convenience and necessity. The Commission may, at any time after the effective date of the final system plan, authorize additional rail service in the region or authorize the abandonment of rail properties which are not being operated by the Corporation or by any other person. Determinations by the Commission under this subsection shall be made pursuant to applicable provisions of the Interstate Commerce Act (49 U.S.C. 1).

24 Stat. 379.

(f) **INTERIM ABANDONMENT.**—After the date of enactment of this Act, no railroad in reorganization may discontinue service or abandon any line of railroad other than in accordance with the provisions of this Act, unless it is authorized to do so by the Association and unless no affected State or local or regional transportation authority reasonably opposes such action, notwithstanding any provision of any other Federal law, the constitution or law of any State, or decision or order of, or the pendency of any proceeding before any Federal or State court, agency, or authority.

TITLE IV—LOCAL RAIL SERVICES

FINDINGS AND PURPOSE

SEC. 401. (a) FINDINGS.—The Congress finds and declares that—

(1) The Nation is facing an energy shortage of acute proportions in the next decade.

(2) Railroads are one of the most energy-efficient modes of transportation for the movement of passengers and freight and cause the least amount of pollution.

(3) Abandonment, termination, or substantial reduction of rail service in any locality will adversely affect the Nation's long-term and immediate goals with respect to energy conservation and environmental protection.

(4) Under certain circumstances the cost to the taxpayers of rail service continuation subsidies would be less than the cost of abandonment of rail service in terms of lost jobs, energy shortages, and degradation of the environment.

(b) PURPOSE.—Therefore, it is declared to be the purpose of the Congress to authorize the Secretary to maintain a program of rail service continuation subsidies.

RAIL SERVICE CONTINUATION SUBSIDIES

SEC. 402. (a) GENERAL.—The Secretary shall provide financial assistance in accordance with this section for the purpose of rail service continuation subsidies. For purposes of subsection (b) (1) of this section the Federal share of a rail service continuation subsidy shall be 70 per centum and the State share shall be 30 per centum. For purposes of subsection (b) (2) of this section a State receiving discretionary assistance shall be required to contribute at least 30 per centum of the cost of the program for which the Federal assistance is provided.

(b) ENTITLEMENT.—(1) Each State in the region is entitled to an amount for rail service continuation subsidies from 50 per centum of the sums appropriated each fiscal year for such purpose in the ratio which the total rail mileage in such State, as determined by the Secretary and measured in point-to-point length (excluding yard tracks and sidings), bears to the total rail mileage in all the States in the region, measured in the same manner, except that the entitlement of each State shall be no less than 3 per centum, and the entitlement of no State shall be more than 10 per centum, of 50 per centum of the funds appropriated. In the event that the total amount allocated under this formula, due to the application of the maximum and minimum limitations which it establishes, is greater or less than 50 per centum of the funds appropriated, the excess or deficiency, as the case may be, shall be added to or deducted from the Secretary's discretionary fund provided for in paragraph (2) of this subsection. The entitlement of any State which is withheld in accordance with this section and any sums not used or committed by a State during the preceding fiscal year shall be paid into the discretionary fund provided for in paragraph (2) of this subsection.

(2) The Secretary is authorized to provide discretionary financial assistance to a State or a local or regional transportation authority in the region for the purpose of continuing local rail services, including assistance for the purposes enumerated in section 403 of this title.

(c) ELIGIBILITY.—A State in the region is eligible to receive rail service continuation subsidies pursuant to subsection (b) of this section in any fiscal year if—

(1) the State has established a State plan for rail transportation and local rail services which is administered or coordinated by a designated State agency and such plan provides for the equitable distribution of such subsidies among State, local, and regional transportation authorities;

(2) the State agency has authority and administrative jurisdiction to develop, promote, supervise, and support safe, adequate, and efficient rail services; employs or will employ, directly or indirectly, sufficient trained and qualified personnel; and maintains or will maintain adequate programs of investigation, research, promotion, and development with provision for public participation;

(3) the State provides satisfactory assurance that such fiscal control and fund accounting procedures will be adopted as may be necessary to assure proper disbursement of, and accounting for, Federal funds paid under this title to the State; and

(4) the State complies with the regulations of the Secretary issued under this section.

(d) REGULATIONS.—Within 90 days after the date of enactment of this Act, the Secretary shall issue, and may from time to time amend, regulations with respect to basic and discretionary rail service continuation subsidies.

(e) PAYMENT.—The Secretary shall pay to each State in the region an amount equal to its entitlement under subsection (b)(1) of this section. Any amounts which are not expended or committed by a State pursuant to subsection (b) during the ensuing fiscal year shall be returned by such State to the Secretary, who may use such amounts in accordance with subsection (b)(2) of this section.

(f) TERM.—A rail service continuation subsidy between a State, or a local or regional authority, and the Corporation or other responsible person (including a government entity) may not exceed a term of 2 years.

(g) RECORD, AUDIT, AND EXAMINATION.—(1) Each recipient of financial assistance under this section, whether in the form of grants, subgrants, contracts, subcontracts, or other arrangements, shall keep such records as the Secretary shall prescribe, including records which fully disclose the amount and disposition by such recipient of the proceeds of such assistance, the total cost of the project or undertaking in connection with which such assistance was given or used, the amount of that portion of the cost of the project supplied by other sources, and such other records as will facilitate an effective audit.

(2) The Secretary and the Comptroller General of the United States, or any of their duly authorized representatives shall, until the expiration of 3 years after completion of the project or undertaking referred to in paragraph (1) of this subsection, have access for the purpose of audit and examination to any books, documents, papers, and records of such receipts which in the opinion of the Secretary or the Comptroller General may be related or pertinent to the grants, contracts, or other arrangements referred to in such paragraph.

GAO audit.

(h) WITHHOLDING.—If the Secretary, after reasonable notice and opportunity for a hearing to any State agency, finds that a State is not eligible for rail service continuation subsidies under subsections (c) and (d) of this section, payment to such State shall not be made until there is no longer any failure to comply.

(i) AUTHORIZATION FOR APPROPRIATIONS.—(1) There is authorized to be appropriated to carry out the purposes of this section such sums as are necessary, not to exceed \$90,000,000 for each of the 2 fiscal years including and following the effective date of the final system plan. Such sums as are appropriated shall remain available until expended.

(2) One-half of the sums appropriated pursuant to the authorization of this subsection shall be reserved for allocation to States in the region under subsection (b) (1) of this section. One-half of the sums appropriated pursuant to the authorization of this subsection shall be reserved for distribution by the Secretary under subsection (b) (2) of this section.

(j) DEFINITION.—As used in this section, “rail service continuation subsidies” means subsidies calculated in accordance with the provisions of section 205(d) (3) of this Act to cover costs of operating adequate and efficient rail service, including where necessary improvement and maintenance of tracks and related facilities.

ACQUISITION AND MODERNIZATION LOANS

SEC. 403. (a) ACQUISITION.—If a State which is eligible for assistance under section 402(c) of this title or a local or regional transportation authority has made an offer to purchase any rail properties of a railroad pursuant to section 304(c) (2) (C) of this Act or other lawful authority, the Secretary is authorized to direct the Association to provide loans to such State or local or regional transportation authority not to exceed 70 per centum of the purchase price: *Provided, however,* That any recipient of such loan is no longer eligible for a rail service continuation subsidy pursuant to section 402 of this title.

(b) MODERNIZATION.—In addition to such acquisition loans, the Secretary is authorized to direct the Association to provide additional assistance not to exceed 70 per centum of the cost of restoring or repairing such rail properties to such condition as will enable safe and efficient rail transportation operations over such rail properties. Such financial assistance may be in the form of a loan or the guarantee of a loan. The Association shall provide such financial assistance as the Secretary may direct under this section and shall adopt regulations describing its procedures for such assistance. With the approval of the Secretary, a State may expend sums received by it under section 402 of this title for acquisition and modernization pursuant to this section.

EMPLOYMENT OFFERS

SEC. 502. (a) APPLICABLE LAW.—The Corporation and, where applicable, the Association shall be subject to the provisions of the Railway Labor Act and shall be considered employers for purposes of the Railroad Retirement Act, Railroad Retirement Tax Act, and the Railroad Unemployment Insurance Act. The Corporation, in addition, shall, except as otherwise specifically provided by this Act, be subject to all Federal and State laws and regulations applicable to carriers by railroad.

48 Stat. 1283.
26 USC 3201.
52 Stat. 1094.
45 USC 367.

(b) MANDATORY OFFER.—The Corporation shall offer employment, to be effective as of the date of a conveyance or discontinuance of service under the provisions of this Act, to each employee of a railroad in reorganization who has not already accepted an offer of employment by the Association, where applicable, or an acquiring railroad. Such offers of employment to employees represented by labor organizations will be confined to their same craft or class. The Corporation shall apply to said employees the protective provisions of this title.

(c) ASSOCIATION.—After the transfer of rail properties pursuant to section 303, the Association, in employing any additional employees, shall give priority consideration to employees of a railroad in reorganization and the provisions of this title shall apply to any such employees employed by the Association as if they were employees of the Corporation.

ASSIGNMENT OF WORK

SEC. 503. The Corporation shall have the right to assign, allocate, reassign, reallocate, and consolidate work formerly performed on the rail properties acquired pursuant to the provisions of this Act from a railroad in reorganization to any location, facility, or position on its system provided it does not remove said work from coverage of a collective-bargaining agreement and does not infringe upon the existing classification of work rights of any craft or class of employees at the location or facility to which said work is assigned, allocated, reassigned, reallocated, or consolidated and shall have the right to transfer to an acquiring railroad the work incident to the rail properties or facilities acquired by said acquiring railroad pursuant to this Act, subject, however, to the provisions of section 508 of this title.

COLLECTIVE-BARGAINING AGREEMENTS

SEC. 504. (a) INTERIM APPLICATION.—Until completion of the agreements provided for under subsection (d) of this section, the Corporation shall, as though an original party thereto, assume and apply on the particular lines, properties, or facilities acquired all obligations under existing collective-bargaining agreements covering all crafts and classes employed thereon, except that the Agreement of May 1936, Washington, D.C. and provisions in other existing job stabilization agreements shall not be applicable to transactions effected pursuant to this Act with respect to which the provisions of section 505 of this title shall be superseding and controlling. During this period, employees of a railroad in reorganization who have seniority on the lines, properties, or facilities acquired by the Corporation pursuant to this Act shall have prior seniority roster rights on such acquired lines, properties, or facilities.

(b) SINGLE IMPLEMENTING AGREEMENT.—On or before the date of the adoption of the final system plan by the Board of Directors of the Association as provided in section 207(c) of this Act, the representatives of the various classes or crafts of the employees of a railroad in reorganization involved in a conveyance pursuant to this Act and representatives of the Corporation shall commence negotiation of a single implementing agreement for each class and craft of employees affected providing (1) the identification of the specific employees of the railroad in reorganization to whom the Corporation offers employment; (2) the procedure by which those employees of the railroad in reorganization may elect to accept employment with the Corporation; (3) the procedure for acceptance of such employees into the Corporation's employment and their assignment to positions on the Corporation's system; (4) the procedure for determining the seniority of such employees in their respective crafts or classes on the Corporation's system which shall, to the extent possible, preserve their prior seniority rights; and (5) the procedure for determining equitable adjustment in rates of comparable positions. After a referee has been designated, a hearing on the dispute shall commence as soon as practicable. Not less than 10 days prior to the effective date of any conveyance pursuant to the provisions of

this Act, the referee shall resolve and decide all matters in dispute with respect to the negotiation of said implementing agreement or agreements and shall render a decision which shall be final and binding and shall constitute the implementing agreement or agreements between the parties with respect to the transaction involved. The salary and expenses of the referee shall be paid pursuant to the provisions of the Railway Labor Act.

44 Stat. 577.
45 USC 151.

(c) **RELATIONSHIP TO OTHER PROVISIONS.**—Notwithstanding failure for any reason to complete implementing agreements provided for in subsection (b) of this section, the Corporation may proceed with a conveyance of properties, facilities, and equipment pursuant to the provisions of this Act and effectuate said transaction: *Provided*, That all protected employees shall be entitled to all of the provisions of such agreements, as finally determined, from the time they are adversely affected as a result of any such conveyance.

(d) **NEW COLLECTIVE-BARGAINING AGREEMENTS.**—Not later than 60 days after the effective date of any conveyance pursuant to the provisions of this Act, the representatives of the various classes or crafts of the employees of a railroad in reorganization involved in a conveyance and representatives of the Corporation shall commence negotiations of new collective-bargaining agreements for each class and craft of employees covering the rates of pay, rules, and working conditions of employees who are employees of the Corporation, which collective-bargaining agreements shall include appropriate provisions concerning rates of pay, rules, and working conditions but shall not include any provisions for job stabilization resulting from any transaction effected pursuant to this Act which may exceed or conflict with those established or prescribed herein.

EMPLOYEE PROTECTION

SEC. 505. (a) EQUIVALENT POSITION.—A protected employee whose employment is governed by a collective-bargaining agreement will not, except as explicitly provided in this title, during the period in which he is entitled to protection, be placed in a worse position with respect to compensation, fringe benefits, rules, working conditions, and rights and privileges pertaining thereto.

(b) **MONTHLY DISPLACEMENT ALLOWANCE.**—A protected employee, who has been deprived of employment or adversely affected with respect to his compensation shall be entitled to a monthly displacement allowance computed as follows:

(1) Said allowance shall be determined by computing the total compensation received by the employee, including vacation allowances and monthly compensation guarantees, and his total time paid for during the last 12 months immediately prior to his being adversely affected in which he performed compensated service more than 50 per centum of each of such months, based upon his normal work schedule, and by dividing separately the total compensation and the total time paid for by 12, thereby producing the average monthly compensation and average monthly time paid for; and, if an employee's compensation in his current position is less in any month in which he performs work than the aforesaid average compensation, he shall be paid the difference, less any time lost on account of voluntary absences other than vacations, but said protected employee shall be compensated in addition thereto at the rate of the position filled for any time worked in excess of his average monthly time, *Provided*, however, That—

(A) in determining compensation in his current employment the protected employee shall be treated as occupying the position, producing the highest rate of pay to which his qualifications and seniority entitle him under the applicable collective bargaining agreement and which does not require a change in residence;

(B) the said monthly displacement allowance shall be reduced by the full amount of any unemployment compensation benefits received by the protected employee and shall be reduced by an amount equivalent to any earnings of said protected employee in any employment subject to the Railroad Retirement Act and 50 per centum of any earnings in any employment not subject to the Railroad Retirement Act;

(C) a protected employee's average monthly compensation shall be adjusted from time to time thereafter to reflect subsequent general wage increases;

(D) should a protected employee's service total less than 12 months in which he performs more than 50 per centum compensated service based upon his normal work schedule in each of said months, his average monthly compensation shall be determined by dividing separately the total compensation received by the employee and the total time for which he was paid by the number of months in which he performed more than 50 per centum compensated service based upon his normal work schedule; and

(E) the monthly displacement allowance provided by this section shall in no event exceed the sum of \$2,500 in any month except that such amount shall be adjusted to reflect subsequent general wage increases.

(2) A protected employee's average monthly compensation under this section shall be based upon the rate of pay applicable to his employment and shall include increases in rates of pay not in fact paid but which were provided for in national railroad labor agreements generally applicable during the period involved.

(3) If a protected employee who is entitled to a monthly displacement allowance served as an agent or a representative of a class or craft of employees on either a full- or part-time basis in the 12 months immediately preceding his being adversely affected, his monthly displacement allowance shall be computed by taking the average of the average monthly compensation and average monthly time paid for of the protected employees immediately above and below him on the same seniority roster or his own monthly displacement allowance, whichever is greater.

(4) An employee and his representative shall be furnished with a protected employee's average monthly compensation and average monthly time paid for, computed in accordance with the terms of this subsection, together with the data upon which such computations are based, within 30 days after the protected employee notifies the Corporation in writing that he has been deprived of employment or adversely affected with respect to his compensation.

(c) DURATION OF DISPLACEMENT ALLOWANCE.—The monthly displacement allowance provided for in subsection (b) of this section shall continue until the attainment of age 65 by a protected employee with 5 or more years of service on the effective date of this Act and, in the case of a protected employee who has less than 5 years service on such date, shall continue for a period equal to his total prior years of service: *Provided*, That such monthly displacement allowance shall termi-

nate upon the protected employee's death, retirement, resignation, or dismissal for cause; and shall be suspended for the period of disciplinary suspension for cause, failure to work due to illness or disability, voluntary furlough, or failure to retain or obtain a position available to him by the exercise of his seniority rights in accordance with the provisions of this section.

(d) TRANSFER.—(1) A protected employee who has been deprived of employment may be required by the Corporation, in inverse seniority order and upon reasonable notice, to transfer to any bona fide vacancy for which he is qualified in his same class or craft of employee on any part of the Corporation's system and shall then be governed by the collective-bargaining agreement applicable on the seniority district to which transferred. If such transfer requires a change in residence, any such protected employee may choose (A) to voluntarily furlough himself at his home location and have his monthly displacement allowance suspended during the period of voluntary furlough, or (B) to be severed from employment upon payment to him of a separation allowance computed as provided in subsections (e) and (f) of this section, which separation allowance shall be in lieu of all other benefits provided by this title.

(2) Such protected employee shall not be required to transfer to a location requiring a change in residence unless there is a bona fide need for his services at such location. Such bona fide need for services contemplates that the transfer be to a position which has not and cannot be filled by employees who are not required to make a change in residence in the seniority district involved and which, in the absence of this section, would have required the employment of a new employee.

(3) Such protected employee who, at the request of the Corporation, has once accepted and made a transfer to a location requiring a change in residence shall not be required again to so transfer for a period of 3 years.

(4) Transfers to vacancies requiring a change in residence shall be subject to the following:

(A) The vacancy shall be first offered to the junior qualified protected employee deprived of employment in the seniority district where the vacancy exists, and each such employee shall have 20 days to elect one of the options set forth in paragraph (1) of this subsection. If that employee elects not to accept the transfer, it will then be offered in inverse seniority order to the remaining qualified, protected employees deprived of employment on the seniority district, who will each have 20 days to elect one of the options set forth in paragraph (1) of this subsection.

(B) If the vacancy is not filled by the procedure in paragraph (4) (A) of this subsection, the vacancy will then be offered in the inverse order of seniority to the qualified protected employees deprived of employment on the system and each of such employees will be afforded 30 days to elect one of the options set forth in paragraph (1) of this subsection.

(C) The provisions of this paragraph shall not prevent the adoption of other procedures pursuant to an agreement made by the Corporation and representative of the class or craft of employees involved.

(e) SEPARATION ALLOWANCE.—A protected employee who is tendered and accepts an offer by the Corporation to resign and sever his employment relationship in consideration of payment to him of a separation allowance, and any protected employee whose employment

relationship is severed in accordance with subsection (d) of this section, shall be entitled to receive a lump-sum separation allowance not to exceed \$20,000 in lieu of all other benefits provided by this title. Said lump-sum separation allowance, in the case of a protected employee who had not less than 3 nor more than 5 years of service as of the date of this Act, shall amount to 270 days' pay at the rate of the position last held and, in the case of a protected employee having had 5 or more years' service, shall amount to the number of days' pay indicated below at the rate of the position last held dependent upon the age of the protected employee at the time of such termination of employment:

60 or under.....	360 days' pay
61.....	300 days' pay
62.....	240 days' pay
63.....	180 days' pay
64.....	120 days' pay.

(f) **TERMINATION ALLOWANCE.**—The Corporation may terminate the employment of an employee of a railroad in reorganization, who has less than 3 years' service as of the effective date of this Act: *Provided, however,* That in such event the terminated employee shall be entitled to receive a lump sum separation allowance in an amount determined as follows:

2 to 3 years' service.....	180 days' pay at the rate of the position last held.
1 to 2 years' service.....	90 days' pay at the rate of the position last held.
Less than 1 year's service.....	5 days' pay at the rate of the position last held for each month of service.

(g) **MOVING EXPENSE BENEFITS.**—Any protected employee who is required to make a change of residence as the result of a transaction shall be entitled to the following benefits—

(1) Reimbursement for all expenses of moving his household and other personal effects, for the traveling expense of himself and members of his family, including living expenses for himself and his family, and for his own actual wage loss, not to exceed 10 working days. *Provided,* That the Corporation or acquiring railroad shall, to the same extent provided above, assume said expenses for any employee furloughed within 3 years after changing his point of employment as a result of a transaction, who elects to move his place of residence back to his original point of employment. No claim for reimbursement shall be paid under the provisions of this section unless such claim is presented to the Corporation or acquiring railroad within 90 days after the date on which the expenses were incurred.

(2) (A) (i) If the protected employee owns, or is under a contract to purchase, his own home in the locality from which he is required to move and elects to sell said home, he shall be reimbursed for any loss suffered in the sale of his home for less than its fair market value. In each case the fair market value of the home in question shall be determined as of a date sufficiently prior to the date of the transaction so as to be unaffected thereby. The Corporation or an acquiring railroad shall in each instance be afforded an opportunity to purchase the home at such fair market value before it is sold by the employee to any other person.

(ii) A protected employee may elect to waive the provisions of paragraph (2) (A) (i) of this subsection and to receive, in lieu thereof, an amount equal to his closing costs which are ordinarily paid for and assumed by a seller of real estate in the jurisdiction

in which the residence is located. Such costs shall include a real estate commission paid to a licensed realtor (not to exceed \$3,000 or 6 per centum of sale price, whichever is less), and any prepayment penalty required by the institution holding the mortgage; such costs shall not include the payment of any "points" by the seller.

(B) If the protected employee holds an unexpired lease on a dwelling occupied by him as his home, he shall be protected from all loss and cost in securing the cancellation of said lease.

(C) No claim for costs or loss shall be paid under the provisions of this paragraph unless the claim is presented to the Corporation or an acquiring railroad within 90 days after such costs or loss are incurred.

(D) Should a controversy arise with respect to the value of the home, the costs or loss sustained in its sale, the costs or loss under a contract for purchase, loss or cost in securing termination of a lease, or any other question in connection with these matters, it shall be decided through joint conference between the employee, or his representative, and the Corporation or an acquiring railroad. In the event they are unable to agree, the dispute or controversy may be referred by either party to a board of competent real estate appraisers, selected in the following manner: One to be selected by the employee or his representative and one by the Corporation or acquiring railroad and these two, if unable to agree upon a valuation within 30 days, shall endeavor by agreement within 10 days thereafter to select a third appraiser, or to agree to a method by which a third appraiser shall be selected, and, failing such agreement, either party may request the National Mediation Board to designate within 10 days a third qualified real estate appraiser whose designation will be binding upon the parties. A decision of a majority of the appraisers shall be required and said decision shall be final and conclusive. The salary and expenses of the third or neutral appraiser, including the expenses of the appraisal board, shall be borne equally by the parties to the proceedings. All other expenses shall be paid by the party incurring them, including the compensation of the appraiser selected by such party.

(h) APPLICATION OF TITLE.—Should a railroad rearrange or adjust its forces in anticipation of a transaction with the purpose or effect of depriving a protected employee of benefits to which he otherwise would have become entitled under this title, the provisions of this title will apply to such employee.

CONTRACTING OUT

SEC. 506. All work in connection with the operation or services provided by the Corporation on the rail lines, properties, equipment, or facilities acquired pursuant to the provisions of this Act and the maintenance, repair, rehabilitation, or modernization of such lines, properties, equipment, or facilities which has been performed by practice or agreement in accordance with provisions of the existing contracts in effect with the representatives of the employees of the classes or crafts involved shall continue to be performed by said Corporation's employees, including employees on furlough. Should the Corporation lack a sufficient number of employees, including employees on furlough, and be unable to hire additional employees, to perform the work required, it shall be permitted to subcontract that part of such

work which cannot be performed by its employees, including those on furlough, except where agreement by the representatives of the employees of the classes or crafts involved is required by applicable collective-bargaining agreements. The term "unable to hire additional employees" as used in this section contemplates establishment and maintenance by the Corporation of an apprenticeship, training, or recruitment program to provide an adequate number of skilled employees to perform the work.

ARBITRATION

SEC. 507. Any dispute or controversy with respect to the interpretation, application, or enforcement of the provisions of this title, except section 504(d) and those disputes or controversies provided for in subsection (g) (2) (D) of section 505 and subsection (b) of section 504 which have not been resolved within 90 days, may be submitted by either party to an Adjustment Board for a final and binding decision thereon as provided in section 3 Second, of the Railway Labor Act, in which event the burden of proof on all issues so presented shall be upon the Corporation or, where applicable, the Association.

ACQUIRING RAILROADS

SEC. 508. An acquiring railroad shall offer such employment and afford such employment protection to employees of a railroad from which it acquires properties or facilities pursuant to this Act, and shall further protect its own employees who are adversely affected by such acquisition, as shall be agreed upon between the said acquiring railroad and the representatives of such employees prior to said acquisition: *Provided, however,* That the protection and benefits provided for protected employees in such agreements shall be the same as those specified in section 505 of this title: *And provided further, however,* That unless and until such agreements are reached, the acquiring railroad shall not enter into purchase agreements pursuant to section 303 of this Act.

PAYMENTS OF BENEFITS

SEC. 509. The Corporation, the Association (where applicable), and acquiring railroads, as the case may be, shall be responsible for the actual payment of all allowances, expenses, and costs provided protected employees pursuant to the provisions of this title. The Corporation, the Association (where applicable), and acquiring railroads shall then be reimbursed for such actual amounts paid protected employees, not to exceed the aggregate sum of \$250,000,000, pursuant to the provisions of this title by the Railroad Retirement Board upon certification to said Board by the Corporation, the Association (where applicable), and acquiring railroads of the amounts paid such employees. Such reimbursement shall be made from a separate account maintained in the Treasury of the United States to be known as the Regional Rail Transportation Protective Account. There is hereby authorized to be appropriated to such protective account annually such sums as may be required to meet the obligations payable hereunder, not to exceed in the aggregate, however, the sum of \$250,000,000. There is further authorized to be appropriated to the Railroad Retirement Board annually such sums as may be necessary to provide for additional administrative expenses to be incurred by the Board in the performance of its functions under this section.

TITLE VI—MISCELLANEOUS PROVISIONS

RELATIONSHIP TO OTHER LAWS

SEC. 601. (a) ANTITRUST.—(1) Except as specifically provided in paragraph (2) of this subsection, no provision of this Act shall be deemed to convey to any railroad or employee or director thereof any immunity from civil or criminal liability, or to create defenses to actions, under the antitrust laws.

(2) The antitrust laws are inapplicable with respect to any action taken to formulate or implement the final system plan where such action was in compliance with the requirements of such plan.

(3) As used in this subsection, "antitrust laws" includes the Act of July 2, 1890 (ch. 647, 26 Stat. 209), as amended; the Act of October 15, 1914 (ch. 323, 38 Stat. 730), as amended; the Federal Trade Commission Act (38 Stat. 717), as amended; sections 73 and 74 of the Act of August 27, 1894 (28 Stat. 570), as amended; the Act of June 19, 1936 (ch. 592, 49 Stat. 1526), as amended; and the antitrust laws of any State or subdivision thereof.

(b) COMMERCE AND BANKRUPTCY.—The provisions of the Interstate Commerce Act (49 U.S.C. 1 et seq.) and the Bankruptcy Act (11 U.S.C. et seq.) are inapplicable to transactions under this Act to the extent necessary to formulate and implement the final system plan whenever a provision of any such Act is inconsistent with this Act.

(c) ENVIRONMENT.—(1) The provisions of section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332 (2)(C)) shall not apply with respect to any action taken under authority of this Act before the effective date of the final system plan.

(d) NORTHEAST CORRIDOR.—(1) Rail properties designated in accordance with section 206(c)(1)(C) of this Act shall be leased or may (at its option) be purchased or otherwise acquired by the National Railroad Passenger Corporation. The Corporation shall negotiate an appropriate sale or lease agreement with the National Railroad Passenger Corporation as provided in the final system plan.

(2) Properties acquired by purchase, lease, or otherwise pursuant to this subsection shall be improved in order to meet the goal set forth in section 206(a)(3) of this Act, relating to improved high-speed passenger service, by the earliest practicable date after the date of enactment of this Act.

(3) The Secretary shall begin the necessary engineering studies and improvements upon enactment.

(4) The final system plan shall provide for any necessary coordination with freight or commuter services of use of the facilities designated in section 206(c)(1)(C) of this Act. (5) Construction or improvements made pursuant to this subsection may be made in consultation with the Corps of Engineers.

"(2) it has been ordered to discontinue any service by a court;

“(A) Such direction shall be effective for no longer than 60 days unless extended by the Commission for cause shown for an additional designated period not to exceed 180 days.

84 Stat. 971.

“(C) The directed carrier shall not, by reason of such Commission direction, be deemed to have assumed or to become responsible for the debts of the other carrier.

“(D) The directed carrier shall hire employees of the other carrier to the extent such employees had previously performed the directed service for the other carrier, and, as to such employees as shall be so hired, the directed carrier shall be deemed to have assumed all existing employment obligations and practices of the other carrier relating thereto, including, but not limited to, agreements governing rate of pay, rules and working conditions, and all employee protective conditions commencing with and for the duration of the direction.

“Cost.”

“(E) Any order of the Commission entered pursuant to this paragraph shall provide that if, for the period of its effectiveness, the cost, as hereinafter defined, of handling, routing, and moving the traffic of another carrier over the other carrier's lines of road shall exceed the direct revenues therefor, then upon request, payment shall be made to the directed carrier, in the manner hereinafter provided and within 90 days after expiration of such order, of a sum equal to the amount by which such cost has exceeded said revenues. The term ‘cost’ shall mean those expenditures made or incurred in or attributable to the operations as directed, including the rental or lease of necessary equipment, plus an appropriate allocation of common expenses, overheads, and a reasonable profit. Such cost shall be then currently recorded by the carrier or carriers in such manner and on such forms as by general order may be prescribed by the Commission and shall be submitted to and subject to audit by the Commission. The Commission shall certify promptly to the Secretary of the Treasury the amount of payment to be made to said carrier or carriers under the provisions of this paragraph. Payments required to be made to a carrier under the provisions of this paragraph shall be made by the Secretary of the Treasury from funds hereby authorized to be appropriated in such amounts as may be necessary for the purpose of carrying out the provisions hereof.”

AN ACT

To amend the Act of March 16, 1926 (relating to the Board of Public Welfare in the District of Columbia), to provide for an improved system of adoption of children in the District of Columbia, and for other purposes.

January 2, 1974
[H. R. 11238]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) (1) section 11 of the Act entitled “An Act to establish a Board of Public Welfare in and for the District of Columbia, to determine its functions, and for other purposes”, approved March 16, 1926 (D.C. Code, sec. 3-114), is amended to read as follows:

D.C. Board of
Public Welfare.
Adoption of
children.

44 Stat. 210.

"SEC. 11. The Commissioner of the District of Columbia (hereinafter referred to as the 'Commissioner') may—

"(1) make temporary provision for the care of children pending investigation of their status;

"(2) have the care and legal guardianship, including the power to consent to or arrange for adoption in appropriate cases, of—

"(A) children who may be committed to the Commissioner as wards of the District of Columbia by courts of competent jurisdiction; and

"(B) children who are relinquished by their parents to the Commissioner or whose relinquishment is transferred to the Commissioner by a licensed child-placing agency under section 6 of the Act entitled 'An Act to regulate the placing of children in family homes, and for other purposes', approved April 22, 1944 (D.C. Code, sec. 32-786); and

"(3) make such provision for the care and maintenance of such children in private homes, under contract, including adoption subsidy pursuant to section 3 of the Act of July 26, 1892 (D.C. Code, sec. 3-115), or in public or private institutions, as the welfare of such children may require; and

"(4) provide care and maintenance for substantially retarded children who may be received upon application or upon court commitment, in institutions or homes or other facilities equipped to receive them, within or without the District of Columbia.

The Commissioner shall cause the wards of the District of Columbia placed out under temporary care to be visited as often as may be required to safeguard their welfare.

(2) Section 3 of the Act of July 26, 1892 (D.C. Code, sec. 3-115), is amended to read as follows:

"SEC. 3. (a) Except as provided in subsection (f), the Commissioner may conclude arrangements with persons or institutions at such rates as may be agreed upon.

"(b) (1) The Commissioner may make adoption subsidy payments to an adoptive family (irrespective of the State of residence of the family), as needed, on behalf of a child with special needs, where such child would in all likelihood go without adoption except for the acceptance of the child as a member of the adoptive family, and where the adoptive family has the capability of providing the permanent family relationships needed by such child in all areas except financial, as determined by the Commissioner. Subsidy payments may be made under this section only pursuant to a subsidy payment agreement entered into by the Commissioner and the adoptive parents concerned prior to completion of the adoptive process, but subsidy payments may be made before such adoption becomes final.

"(2) For the purposes of this subsection—

"(A) The term 'child with special needs' includes any child who is difficult to place in adoption because of age, race, or ethnic

background, physical or mental condition, or membership in a sibling group which should be placed together. A child for whom an adoptive placement has not been made within six months after he is legally available for adoptive placement shall be considered a child with special needs within the meaning of this section.

“(B) The term ‘adoptive family’ includes single persons.

“‘Adoptive family.’”

“(c) Any public agency or licensed child-placing agency, having a child with special needs in foster care or institutional care, or any foster parent having such a child in his home may recommend to the Commissioner a subsidy for the adoption of such child, and may include in the recommendation advice as to the appropriate level of payments and any other information likely to assist the Commissioner in carrying out the provisions of this section. The Commissioner shall make the determination as to whether or not an appropriate adoptive home exists for the child, but in so doing the Commissioner shall refer to the recommendations of the referring agency. If the Commissioner concludes that the child referred is a child with special needs within the meaning of this section, and that an appropriate adoptive home exists for the child, the Commissioner is authorized to enter into a tentative adoption subsidy agreement with the prospective adoptive family, and upon entering into such an agreement, the Commissioner may accept a transfer of relinquishment of parental rights from the referring agency pursuant to section 6 of the Act entitled ‘An Act to regulate the placing of children in family homes, and for other purposes’, approved April 22, 1944 (D.C. Code, sec. 32-786).

58 Stat. 194;
84 Stat. 578.

“(d) If a child in the custody of the Commissioner or a licensed child-placing agency has been in foster care or institutional care for at least six months after the child is considered legally available for adoptive placement, the Commissioner or agency shall inform the family or institution providing care of the possibility of financial aid for adoption under this section. If the family caring for the prospective adoptee applies to the Commissioner for adoption of the child, and if it appears to the Commissioner after study that the family would be an appropriate adoptive family for the child but for the family’s economic inability to meet the child’s needs, the Commissioner shall enter into a tentative agreement with the family concerning the amount and duration of a proposed subsidy in the event the child is placed for adoption with that family. Thereafter the Commissioner may accept a transfer of relinquishment of parental rights from the referring agency in appropriate cases. The Commissioner shall in all cases take all steps necessary to assist the family in completing the legal and procedural requirements necessary to effectuate the adoption, including payment for legal fees and court costs.

“(e) The amount and duration of adoption subsidy payments may vary according to the special needs of the child, and may include maintenance costs, medical, dental, and surgical expenses, psychiatric and psychological expenses, and other costs necessary for his care and well-being. A subsidy may be paid on a long-term basis to help a family whose income is limited and is likely to remain so; on a time-limited basis to help a family meet the cost of integrating a child into the family over a specified period of time; or on a special services basis to help a family meet a specific anticipated expense or expenses when no other resource appears to be available. Eligibility for payments shall continue until the child reaches eighteen years of age.

Payments,
amount and dura-
tion.

“(f) The Commissioner is authorized to make payments under this section from appropriations for the care of children in foster homes and institutions, and to seek and accept funds from other sources including Federal, private, and other public funding sources, to carry

Authorization.

out the purposes of this section. The amount expended by the Commissioner for any subsidy may not exceed the highest amount the Commissioner would be authorized to spend in providing or securing support and special services for the child if the child were in the legal custody of the Commissioner. There are authorized to be appropriated such sums as are necessary to carry out the purposes of this section.

“(g) No adoption subsidy payment shall be made on behalf of any child with respect to whom an adoption decree has been entered by the Superior Court of the District of Columbia, pursuant to chapter 3 of title 16 of the District of Columbia Code, prior to the effective date of this section.

“(h) Once during each calendar year the Commissioner shall review the need for continuing each family's subsidy. At the time of such review and at other times during the year when changed conditions, including variations in medical opinions, prognosis, and costs are deemed by the Commissioner to warrant such action, appropriate adjustments in payments shall be made based upon changes in the needs of the child. Any parent who is a party to a subsidy agreement may at any time in writing request, for reasons set forth in the request, a review of the amount of any payment or the level of continuing payments. Such review shall be begun not later than thirty days from the receipt of the request. Any adjustment may be made retroactive to the date the request was received by the Commissioner. If the request is not acted on within thirty days after it has been received by the Commissioner, or if the Commissioner modifies or terminates an agreement without the concurrence of all parties, any party to the agreement shall be entitled to a hearing under the applicable provisions of the District of Columbia Administrative Procedure Act (D.C. Code, secs. 1-1501-1-1510).

“(i) The Commissioner shall keep such records as are necessary to evaluate the effectiveness of adoption subsidy as a means of encouraging and promoting the adoption of children with special needs. The Commissioner shall make an annual progress report which shall be open to public inspection. The report shall include, but not be limited to—

“(1) the number of children placed in adoptive homes under subsidy agreements during the year preceding the annual report and the major characteristics of the children placed; and

“(2) the number of children currently in foster care with the Commissioner for six months or more, and the legal status of those children.

The Commissioner shall disseminate information to prospective adoptive families as to the availability of adoptable children and of the existence of aid to families who qualify for a subsidy under this section.

“(j) All rules and regulations adopted by the Commissioner pursuant to this Act shall be published in the District of Columbia Register as required by section 6 of the District of Columbia Administrative Procedure Act (D.C. Code, sec. 1-1505).”

(b) Section 5 of the Act of July 26, 1892 (D.C. Code, sec. 3-117), is amended to read as follows:

“SEC. 5. The Commissioner may—

“(1) accept for care, custody, and guardianship dependent or neglected children whose custody or parental control has been transferred to the Commissioner, and to provide for the care and support of such children during their minority or during the term of their commitment, including the initiation of adoption proceedings and the provision of subsidy in appropriate cases under section 3 of this Act (D.C. (b) The owner of any vessel for which application for a permit is refused may petition the Secretary for reconsideration, and shall be entitled to a hearing. The decision of the Secretary rendered in connection with such reconsideration shall be final and binding.

(c) The Secretary may reissue permits which have been returned pursuant to section 3, to vessel owners with outstanding applications, who have not been able to obtain permits under the procedure set out in subsection (d). However, in no event shall a vessel owner be eligible for receiving a permit under this subsection for a given vessel during the first six months after the effective date of this Act if the Secretary determines that such vessel has engaged in activities during the period from May 9, 1972, to the effective date of this Act which would have constituted a violation specified in section 8(a) (3) or 8(a) (5), but only to the extent 8(a) (5) relates to use of fishing gear and the closure of the area of agreement to fishing, if the Act had been in effect during such period. Notice; hearing.

(3) After all vessel owners under subparagraphs (1) and (2) have been considered for issuance of a permit, all other vessel owners who have made application may be considered for permits.

If the number of vessels for which application is made in the categories outlined in subparagraph (2) or (3) is more than the number of permits available after having accounted for the vessels in the previous category (or in the case of subparagraph (1), if the number

of vessels for which application is made in that category is more than the number of permits available pursuant to the treaty), then the number of permits available shall be proportionally distributed with the applicable category, in a manner provided in the regulations.

VESSELS WHICH VOLUNTARILY COMPLY

SEC. 5. The Secretary shall issue a letter of voluntary compliance to a vessel owner who has had vessels engaged in fishing in the area of agreement at any time subsequent to May 9, 1972, for all vessels of such owner documented under the laws of the United States which meet the requirements of the treaty, and for each of which the vessel owner has deposited and continuously maintained, until the transfer referred to in the following sentence, \$700 in a special account in a bank or trust company insured by the Federal Deposit Insurance Corporation for the purpose of reimbursing the United States for enforcement expenses as provided in article 6 of the treaty. Except as provided in this section, the minimum penalty assessed shall be not less than an amount sufficient to cover the unusual enforcement expenses, if any, incurred by the United States pursuant to article VI of the treaty in connection with such violation: *Provided*, That if the person against whom the penalty has been assessed has paid on behalf of the United States such unusual enforcement expenses,

the minimum penalty requirement shall not apply. The amount of any such minimum civil penalty assessed shall be deposited directly into the Offshore Shrimp Fisheries Fund. The amount of any such civil penalty over the minimum penalty may be compromised by the Secretary.

(b) The Secretary shall notify any vessel owner involved in a violation of section 8 of the outcome of any proceeding under subsection (a) above.

(c) The Secretary, after notice and opportunity for hearing, may assess against a vessel owner a civil penalty equal to the value of the catch on board the vessel when detained and the value of the gear involved in a violation of section 8(a)(1), or involved in a second or subsequent violation of any other provision of section 8(a) by a person against whom a penalty had previously been assessed under section 9(a) for a violation involving the operation of a vessel owned by the same person as the vessel involved in such second or subsequent violation. The amount of any such penalty shall be deposited as miscellaneous receipts into the general fund of the Treasury.

(d) Upon failure of the party penalized as provided in this section to pay the penalty within thirty days of the assessment thereof, the Secretary may request the Attorney General to commence action in the Federal district court having jurisdiction over the party for such relief as may be appropriate. In any such action for relief, the Secretary's penalty assessment shall be final and unreviewable unless the penalized party has otherwise sought judicial review thereof.

(e) In any hearing held by the Secretary in connection with the assessment of a civil penalty hereunder, the vessel owner, the master or any other person against whom a penalty may be assessed may appear in person or by counsel at such hearing or in lieu of a personal appearance may submit such affidavits or depositions as he deems necessary to the defense of any charges which may be considered by the Secretary at such hearing.
